

SERIOUS RIOT IN WARSAW.

Caused by Jewish Socialist Society Organizing a Demonstration.

TROOPS FIRED INTO CROWD.

Four Men Were Killed, Forty Persons Wounded, Two of Whom Were Women.

Warsaw, April 2, 9:40 p. m.—A serious riot occurred at 7:30 o'clock this evening in Dalka street, where a Jewish Socialist society, known as the Bund, had organized a demonstration. The troops which came to disperse the gathering fired into the crowd, killing four men and wounding 40 persons, two of whom were women.

The trouble in Dalka street began when, under the pretext of holding a memorial meeting for a late Jewish socialist leader, a crowd of more than 1,000, mostly Jews, carrying red flags marched in Dalka street, and was met by a mixed police and military patrol of 20 men. The police declare the Socialist fired revolvers at them, the leaders inciting the mob to attack the patrol, which thereupon fired several volleys into the crowd. The crowd removed all except nine of the wounded. These were taken to the hospital. It is expected that two or more of the wounded will die. The dead and wounded were all Jews. The police made no arrests.

YiddishMiddelmashydddidd SHRL. Other disturbances are reported to have occurred. The streets had been patrolled throughout the day, the authorities having anticipated trouble. Conditions here are causing much uneasiness and nervousness. Hand-printed proclamations have been found in the streets, warning the public against walking near government buildings and other places, as bombs would be thrown in these quarters. Several parents whose children are attending school in defiance of the school strike, have been warned by letters to withdraw their children, as the school buildings would be blown up.

Representatives of the party of violence it is not quite clear whether they are revolutionaries or Socialists) are visiting private persons and levying contributions for "ammunition." They produce lists of names with the amounts to be collected from each, and require the contributor to sign his name opposite these assessments, which range from \$2.50 to \$50.

When Gov.-Gen. Maximovich arrived here 10 days ago to assume his official duties, he ordered that the Cossack detachment awaiting him at the station be retired, saying he did not want an escort. Driving through the city, however, the governor-general's carriage was surrounded by 20 Cossacks.

The editors of the Polish newspapers here were summoned to the castle yesterday. Gov.-Gen. Maximovich received each of them separately in the most friendly manner, and talked with them on various subjects freely, especially on the question of the censorship. He invited them to come to him in case of any difficulty.

MOTHERHOOD

Actual Sterility in Women Is Very Rare—Healthy Mothers and Children Make Happy Homes.

Many women long for a child to bless their homes, but because of some defect or displacement of the female organs they are barren.

Preparation for healthy maternity is accomplished by Lydia E. Pinkham's Vegetable Compound more successfully than by any other medicine, because it gives tone and strength to the entire female organism, curing all displacements, ulceration and inflammation.

A woman who is in good physical condition transmits to her children the blessings of a good constitution. Is not that an incentive to prepare for a healthy maternity?

If expectant mothers would fortify themselves with Lydia E. Pinkham's Vegetable Compound, which for thirty years has sustained thousands of women in this condition, there would be a great decrease in miscarriages, in suffering, and in disappointments at birth.

The following letters to Mrs. Pinkham demonstrate the power of Lydia E. Pinkham's Vegetable Compound in such cases.

Mrs. L. C. Glover, Vice-President of Milwaukee Business Woman's Association, of 614 Grove Street, Milwaukee, Wis., writes:

Dear Mrs. Pinkham—

"I was married for five years and gave birth to two premature children. Lydia E. Pinkham's Vegetable Compound was recommended to me and I am so glad I took it, for it changed me from a weak, nervous woman to a strong, happy and healthy one within seven months. Within two years a lovely little girl was born, which is the pride and joy of our household. Every day I love Lydia E. Pinkham's Vegetable Compound for the light, health and happiness it brought to our home."

If any woman thinks she is sterile, or has doubts about her ability to carry a child to a mature birth let her write to Mrs. Pinkham, Lynn, Mass., whose advice is free to all expectant or would-be mothers. She has helped thousands of women through this anxious period.

Women suffering with irregular or painful menstruation, leucorrhoea, displacement, ulceration or inflammation of the womb, that bearing down feeling or ovarian trouble, backache, bloating or nervous prostration, should remember that Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of women's ills, and accept no substitute.

TEA

Let it be neither weak nor strong, at least good, if possible fine, and brewed by one who knows how.

inent people in various parts of the country not heretofore suspected of complicity in any of the land frauds, are trembling in their shoes at the prospect.

It is announced authentically that the grand jury will not be able to finish with the business in hand prior to the time set for its final adjournment on April 10, and that it will be necessary to call another grand jury then. As a matter of fact, it is considered certain that there is a sufficient amount of work under consideration to consume the time of a new grand jury fully equalling the period taken up by the one retiring.

The latest sensation attending the return of Dist. Atty. Heney is contained in the positive assurance that Senator Mitchell and Congressman Hermann and Williamson, will be required to either give bond at once or fall victims to bench warrants from the court, as it is understood that Heney never consented to their going free after the adjournment of Congress. They were permitted to go on their own recognizance at the time of their indictment on account of Congress being in session, but for no other reason.

The chances are there will be a general investigation concerning the escape of Benjamin F. Minton and Adelbert Zachary, under indictment by the federal grand jury on account of alleged complicity in land frauds. Both are now fugitives from justice, neither having given the required bond of \$4,000.

No New Internal Loan.

London, April 2.—A news agency dispatch from St. Petersburg says that the report published Saturday that a new internal loan of \$100,000,000 would shortly be issued is now discredited.

Kutais Station Master Robbed.

Tiflis, April 2.—As the station master at Kutais was driving to the local treasury accompanied by an armed escort he was attacked by four armed men who overpowered the escort and robbed the station master of \$3,000.

Mexico Takes Precautions.

City of Mexico, April 2.—Precautions have been taken by the government and the large banks to prevent a sharp rise in exchange as the result of the speculative movement believed to have been planned to take place just as the new monetary system goes into effect. That something of the sort would be attempted was foreseen some months ago. It is said that there has been extensive buying of exchange at the present low rate in the hope of a sharp advance.

One of the largest banks has refused to sell exchange to brokers and private bankers, and has merely met the needs of commercial houses.

It is the purpose of the government to make the transition to the new system as early as possible.

CHOLERA CONGRESS.

Moscow Authorities Forbid It Fearing a Demonstration.

Moscow, April 2.—The assistant minister of the interior has forbidden the assembling of a congress to deal with the cholera epidemic because, according to official information, the promoters of the congress intended to give it the form of a demonstration against the government.

Russians Wrecking Railway.

London, April 3.—The correspondent at Tokio of the Times says:

HOW A POSTOFFICE

INSPECTOR WAS CORRUPTED.

Philadelphia, April 2.—George C. Holden, the inspector in the United States postal service attached to the Philadelphia division, who admitted yesterday that the Storey Cotton company, most of whose officers are fugitives from justice, advanced \$1,100 to him as a loan for a few days, has sent his resignation to Washington. Holden declares that he received the money and paid it back a few days later without any understanding or agreement with the Storey Cotton company that he was to protect the concern against investigation by the postal department. He admitted, however, that in accepting the loan he was indiscreet, and he thought it best, in view of the revelations in the case, to send his resignation to the postal authorities at Washington.

The discovery that Holden had received a loan from the company was made by United States attorneys while making an examination of the books of the defendant concern. The matter was immediately reported to W. W. Dickson, inspector in charge of the local division, who, in turn, communicated the facts to the chief inspector at Washington.

By direction of Postmaster General Cortelyou Inspector Mayer has been sent to this city and is making an investigation of Holden's dealings with the Storey Cotton company.

In a statement made by Holden he says the loan was paid back within a very few days and he was surprised to learn that it had been entered on the books of the company, because it was a personal loan from F. Ewart Storey. He believes, he said, that the loan was based on the books to do him injury. Since the loan was made, he says, he has sent three separate reports to Washington recommending that fraud orders be issued against the Storey concern.

Inspector Holden tonight, in an interview, told how he came to accept the loan from Storey. He said he had been sent to the office of the Storey Cotton company to make an investigation as the result of a complaint. While there he met Storey. Holden was about to leave the office when in conversation with Storey he (Holden) incidentally mentioned that he had to go out and raise some money quickly to tide himself over in a stock transaction. Storey told him he would lend him the money, and Holden replied that he could not accept a loan, as he might have to investigate the company at a future time.

Storey, Holden says, assured him that the company was doing a legitimate business and that he would never again have occasion to look into the affairs of the concern. Storey insisted, he said, in helping him out and Holden finally accepted a draft. Holden says he realized a few minutes later that he had acted indiscreetly, and made every effort to pay the loan back as quickly as possible. This he did in a few days.

The Philadelphia Record, tomorrow, will say that Inspector Holden declares that Harrison J. Barrett, formerly of the department of justice, Washington, and nephew of the late James T. Barrett, who was involved in the postoffice scandals, was the attorney for the Storey Cotton company while he was actually connected with the department of justice. As he it was true, as Holden contends, that Barrett was responsible for the failure of the post-office department to issue a fraud order against the Storey company and that he was their lawyer, the United States district attorney tonight said:

"I can only say the investigation into the Storey affairs and the discovery of certain papers seems to partially bear out that contention. I know what they got."

ALL IS QUIET.

At Port au Prince, So State Department Is Informed.

Washington, April 2.—Contrary to an apprehension that existed in some quarters that trouble might occur in Port au Prince, Hayti, on Friday and Saturday, a dispatch received at the state department today from American Minister Powell reports that affairs are quiet in that city. The Syrians, over whom it was thought the trouble might occur, kept their stores closed on both days. April 1 was then originally fixed by the Haytian government for the expulsion of the Syrians, but this period later was extended to May 15. A fact, it is suggested, of which the general public was not aware.

The cruiser Brooklyn, which was sent to Port au Prince by the navy department when the probability of trouble was first discussed, has arrived at that place.

Large Ice Fields Encountered.

New York, April 2.—The new Anchor steamer Caledonia, which arrived today, reports that on March 30 she passed four ice fields extending as far as the eye could reach. It was with great difficulty that the vessel was able to avoid collision with three or four towering bergs.

Prof. A. A. Wright Dead.

Oberlin, O., April 2.—Albert A. Wright, professor of geology and zoology at Oberlin college, died today as a result of a paralytic stroke, aged 69 years.

RUSSIA WILL CEDE PART OF SAKHALIN

Will Agree That Manchuria and Korea be Outside of Russian Influence.

TO GIVE UP EASTERN CHINESE RY.

This is for China or to a Syndicate For \$125,000,000 to be Paid Japan In Lieu of Indemnity.

London, April 1.—According to the peace reports circulated on the bourse in St. Petersburg today, Russia will cede the southern portion of the island of Sakhalin, in the North Pacific, off the east coast of Asia, used as a Russian convict settlement, to Japan, and agree that Manchuria and Korea are permanently outside a Russian sphere of influence, and the Eastern Chinese railroad will be turned over to Japan for cession to China or to an international syndicate upon a consideration of \$125,000,000, which Japan will accept in lieu of indemnity.

Advices from Tokio say: The following report had been received from the headquarters of Japanese armies in the field: "Our force in the direction of Singking (about 80 miles east of Mukden) reports that, according to information received from natives, a force of Russians and mounted bandits under Col. Madollorff, which has been assembling at Hallang, has retreated to the north. According to other natives, Kirin seems to be the place selected by the enemy for assembling."

"Our force about 35 miles north of Tie pass reports that there has been no change in the enemy's position in the vicinity of Menhuachieh. There are some Russian infantry and cavalry about 32 miles northeast of Kalyuan (25 miles from Tie pass)."

"Our force at Changtu (40 miles above Tie pass) reports that the enemy's cavalry outposts retreated 25 miles north of Changtu, after burning the railway station at Souzaozu."

"Our force at Fakomen (30 miles north of Tie pass) reports that cavalry outposts of the enemy have been observed 30 miles northeast of that place and that mixed forces of the enemy occupy Fengchau (55 miles northeast of Fakomen). Famencheng (about 15 miles west of Fengchau), and their vicinities."

Gunsu pass reports all quiet. A heavy curtain of Japanese effectively conceals the strength of the Russian positions. Contradictory reports are being received from Chinese fugitives, most of which indicate that there is a constant movement of the Japanese northeast, as though with the intention of effecting a surprise movement at Kirin, to cover the beginning of an attack on Vladivostok. Chinese report that the construction of a railroad from Singking to Mukden has begun. Snow has fallen and the roads are softening into mud and are in wretched condition.

In Harbin business is paralyzed and a general lack of confidence is shown. A majority of the female population is leaving Harbin.
