VEATHER'S Keep Up Your Supply of

This delicious temperance beverage is a hot weather requisite of which every home should have a good supply. When heat and humidity make the earth almost unhabitable, a cold, sparkling, effervescent glass of HIRES Rootbeer will satisfy your thirst, refresh and strengthen you. It keeps the blood pure and cool, the stomach in a normal condition. It is pre-eminently the best drink for children because of its health-giving properties. It is of the greatest benefit to the wearied housewife, invigorating to the man who has worked all day, delightful to a wheelman at the end of a run. You can't have an over supply of HIRES Rootbeer. A package makes five gallons. Beware of imitations,

HIRES Roothess Carbonated, ready to drink except for the cooling, is put up in pint bottles, two dozen in a case, and is sold by all dealers.
