

FAMILY RECORDS.

WE ARE NOW PREPARED to receive orders for FAMILY RECORDS of an approved form. Each book is divided into four forms.

The first form is that of a "FAMILY RECORD," with ruled and printed spaces for births, marriages, and deaths, in each family, also for names, dates, and places, one page accommodating one family.

The second form is a "CHURCH RECORD," with spaces for baptisms, confirmations, ordinations, endowments, and patriarchal blessings and various particulars of the same.

The third form is a "SEALING RECORD," with spaces for name of person sealed, birth, death, time, place, etc.

The fourth form is a "BAPTISM FOR THE DEAD RECORD," with spaces for names, dates, birth, death, baptism, confirmation, etc.

Each book is furnished with a title page, on which the person owning the record can enter his or her name. An explanation of the forms, or instructions how to keep the record is also printed in each book, and its pages are numbered.

These Records are well printed and ruled on good ledger paper, substantially bound in full sheep, English roan, or Book. We can furnish them of any size, from one to five quires, or larger, but probably five quires is as large as will be desired. We can also furnish the various forms in a record, proportioned to each other to order.

EVENING NEWS.

Battle in a Turkish Bath.

On Thursday afternoon a bank cashier visited the Turkish bath of Dr. Adams, No. 311 North Seventh Street, and was soon disrobed and stretched upon a couch, enjoying the pleasant atmosphere of the bath.

All about the same time there entered the bath a well known physician, who, as well as the other, was soon disrobed and stretched upon a couch, enjoying the pleasant atmosphere of the bath.

The cashier and the physician, who were both well known to each other, but the cashier soon saw the doctor, and the doctor soon saw the cashier, and there was trouble.

The cashier demanded sternly that the doctor should apologize for a mysterious something in the past.

The hottest room of the Turkish bath is one where the floor is not to be burned which come in contact with it, and where strips of thick carpet protect the feet of the bathers.
