Utah Aggies and University Will Struggle for Supremacy.

POST-SEASON GAMES FAIL.

Colorado Mines, Sherman Indians and Southern California Colleges Afraid of Utah This Year.

Thanksgiving day will close the football pareer of many of Utah's best men. This last game of the season of 196. Repeated efforts to get post-season of games have as often failed. Coach Madlock has gotten together this season the best team that has ever represented Utah on the gridiron. Next year he will have to get a new back field. This will be his greatest difficulty from the present outlook.

UNIVERSITY FOOTFALL SQUAD.

UNIVERSITY FOOTFALL SQUAD. The University team this year is com-posed of men who are of med.um weight but fast on their tet. The Lew style of have gone into the games with a deter-mination to win and all out in one con-test were successful. The prospects were not bright at the first of the season, in fact is was toward the middle of October the story has been told offen and thus become so well known as to need no fur-ther comment. The stars of the 1000 team have been Captain Bennion. Brown, Rus-sell, Barton, Pitt, McKenna, Varley and Ray. To these men the greater part of the success of the team is due. While the new men who have gotten out a d. worked just as hard, have done equally well probably better yet because of the r insperience they were not in the plays of their opponents with such damaging et-fect.

LAST TIME FOR SOME.

CAPT BENNION SPEAKS WELL.

Captain Fred Bennion, who journeyed to again to witness the Montana-Aggle ame had the following to say of the con-st:

test: "Thanksgiving the Utah Aggies will put up the beet game of football ever seen by a team representing that insti-ution. Although they are not quite as heavy as they were when they defeated us in 183, they are much faster and are playing a more scientific game. Con-trary to expectations. Ceach Campbell has at last descrited the old style of push sume which he has used ever since he took the team, and, taking advantage of the new rules, he has at last adopted the open style.

After put up After witnessing the slow, logy games Mater witnessing the slow, logy games pit up during the last few years. I was have more surprised than when I saw them play a fast, snappy, shifting game sainat Montana. The score of 16 to 0 does not begin to tell the superiority of the Aggies. They lost three or four buchdwins by making errors at critical points. These errors were of the common-the kind, and when I congratulated him on the result he said. The game today
