temperature. Forecast for Utah, taken at Denver, Fair tonight and Tuesday; rising temperature.

WEATHER CONDITIONS.

The high area noted on Saturday morning over the Pacific slope has moved eastward and is now central over Denver. It dominates the weath-er conditions of the western portion of the country and clear cold weather is generally reported from the mountain region. Precipitation occurred over the central portion of the country due to the passage of the storm area central on Saturday morning over Nebras ka, and which now overlies the Ohio valley.

yours ago. He was born in Kirtland Geauga (now Lake) county, Ohio, on Dec. 18, 1836. He was the son of President Brigham Young and Mary Ann that section of the country many times, and it sected to always do him or much goed that it was with high hop-and expectation that he started out. At Fruithand, New Mexico, he was at-tacked by his old trouble, and his con-tient of his death was hourly expected. By a strong effort of the will, together with his great vitality, he was enabled to shake off death and as soon as he dition was socritical that the announce-ment of his death was hourly expected. By a strong effort of the will, together with his great vitality, he was embled to shake off death and as soon as he was able he returned to Salt Lake.
