

mountain waters of this city; free as the air we breathe, and as firm for the right as the hills of Utah.

The Constitution of the United States.—May it constitute a part of the supreme law of this land, long after those who seek to subvert it shall be dead and numbered with the damned.

The glorious Fourth! Birthday of Liberty! Those heaven-born principles announced to the world on this memorable day in the year of our Lord 1776, we, by the help of God, mean to maintain in these mountains.

Civil and religious liberty—the pillars upon which rests the American Government, May God strengthen them.

A WORD FROM YOUNG ZION:—We are growing Brother Brigham, A mighty host of Young, And soon the work we'll shoulder That our fathers have begun.

Our Manufacturing Interest.—May it be encouraged and fostered, and not impoverish the people by sending their money to a foreign market to purchase articles that can be manufactured at Home.

May our next celebration of the Fourth be held in the free and independent State of Deseret.

The American Eagle.—When his feathers shall have been daubed and besmeared with the mud of modern politics, let him soar up to the peaks of the Wahsatch:—the waters are pure in these mountains.

Music by Martial Band. Anthem by the choir.

PATRIOTIC HYMN. Selected from the MUSICAL PIONEER.

God of the nations hear us, And make the feeble strong, Our songs of glad thanksgiving, To Thy great Name belong.

CHORUS:—Come, brothers, never falter, Join, sisters, heart and hand, 'Round freedom's sacred altar, Our own, dear Fatherland.

Arm'd with the sword of justice, And grasping truth's bright shield, In heav'n our fathers trusted, To bid oppression yield.

CHORUS:—Come, brothers, &c. Thou, by whose inspiration, Brave thoughts and deeds have birth, Whose piercing eye illumines The darkness of our earth.

CHORUS:—Come, brothers, &c. Proudly our country's banner Waves over land and sea, Oh, may its stars shine brighter, Our people all be free.

CHORUS:—Come, brothers, &c. The assembly was dismissed, as follows, by

PRESIDENT YOUNG.

I am requested to dismiss you, but before doing so, I want to say a few words to the rising generation; and if the middle-aged and the aged are disposed to receive them they will do them no hurt.

We are in the habit of reading a great deal; we hear the speeches and the sayings, and read the writings of a great many of our own and other countrymen. I wish to say to the rising generation that when the term "civilization" is used, it is coupled in the minds of Christendom, with meeting houses, ministers, drinking saloons and houses of ill-fame; and if you go out of doors you must here the name of God profaned and blasphemed; you must see horse racing, drunkenness, fighting, quarrelling, shooting and every manner of abomination.

cities, towns and habitation; that will beautify and adorn our bodies and minds, and that will enable us to present to each other a glorious spectacle, worthy the notice of angels. This, and this alone, belongs to civilization,—to love God and serve Him with all our hearts; and this brings every improvement that man can desire and enjoy.

As I am called upon to dismiss this audience I will say may the blessings of God rest upon you. I pray my Father in heaven, in the name of Jesus, to bless you. To bless the Marshal of the Day, and the Committee of Arrangements; to bless those who have made speeches before us; the bands of music; the choir, and those who have come here to see and hear.

At the close of the proceedings in the Tabernacle a national salute of artillery was fired, and at sundown a similar salute was fired for the Territory.

LOCAL AND OTHER MATTERS.

FROM FRIDAY'S DAILY

ACCIDENTS.—We regret to learn that Bishop Brown, a venerable and highly respected citizen of the Fourth Ward, met with a very serious misfortune yesterday about noon. While engaged at work in his orchard, he fell, and striking his thigh against the hard ground, fractured the limb near the hip joint.

While some of the students of the Deseret University were engaged in their gymnastic exercises, in the yard adjoining the building this morning, one of them, a little fellow, ten years of age, named John Spencer, son of the late Daniel Spencer, fell from the parallel bars, and broke his arm between the wrist and elbow.

"KEEPAITCHININ."—This lively little sheet is again out, and judging from the smiling faces on the street, No. 9 is appreciated. It will doubtless use up a great deal of mirth that should have been reserved for the 4th.

FROM SATURDAY'S DAILY.

SIXTEENTH WARD SCHOOL.—We have received a communication from Bro. G. C. Riser, of the 16th Ward, who speaks in glowing terms of the manner in which the day-school is conducted in that Ward, under the direction of Miss Harriet Ann Taylor.

WORTHY ENTERPRISE.—We learn from a gentleman, just up from the South, that Bishop Fairbanks and the good folks of Payson are going right ahead in establishing a co-operative dairy and cheese factory.

THE ACCOMMODATION TRAIN.—We take it, the country people, in the settlements north of here, are not neglecting to take advantage of the accommodation train. Judging from the crowds we saw this morning, coming up South Temple St., from the Depot, we think that run on Saturdays, at least, is being pretty well patronized.

ANONYMOUS, TOKERVILLE.—Our friend Dr. Meik has received a letter from Tokerville, Kane Co., from some person desiring medical relief; the writer has evidently forgotten to add his signature and, of course, under the circumstances the Dr. is unable to help him.

TREASURY NOTICE.—The following notice from the Treasury Department, at Washington, of a recent robbery of that institution, sent to all bankers and brokers on this continent, has been forwarded for publication in the NEWS:

"United States Notes, series of 1869. Two thousand notes, of ten dollars each, from No. H3,530,001*, to No. H3,532,000*, both inclusive, were stolen from the Treasury. No \$10 notes, of a number higher than H3,236,000*, have been issued. Please look out for the stolen notes.

A liberal reward will be paid to any person through whose instrumentality the thief may be detected. Hold parties presenting the stolen notes, (if suspicious attach to them) and in any case of presentation notify.

TESTIMONIAL

UNION PACIFIC R.R., OFFICE OF GEN'L SUP'T, OMAHA, Dec. 16, 1869.

Hon. T. M. AVERY, President National Watch Co., Chicago, Ills.

Dear Sir:—During the month that I have carried one of your "B. W. Raymond" Watches it has not failed to keep the time with so much accuracy as to leave nothing to desire in this regard. For accuracy in time keeping, beauty of movement and finish, your Watches Challenge my admiration, and arouse my pride as an American, and I am confident, that in all respects they will compete successfully in the markets of the world, with similar manufacturers of older nations. They need only to be known to be appreciated.

Yours most respectfully, C. G. HAMMOND, Gen'l Sup't.

T. M. AVERY, Esq., President National Watch Co.

Dear Sir:—The Watch made by your company which I have carried the past two months, has kept excellent time. I have carried it frequently on engines, and have been on the road with it almost daily. During this time it has run uniformly with our standard clock.

Truly yours, J. M. TOUCHEY, Gen'l Sup't.

The following dealers also, in various parts of the country, have certified that they consider the Elgin Watches to be all that the company have advertised them, as better finished, more correct and durable, than any in market of similar price, and that they have great confidence in recommending them to the public, on account of their general merit.
