CREAT BRITAIN. A frightful Explosion. LONDOI, 8.—An explosion occur-red this norning at the Seaham col-liery, new Durham. Both shafts are blocked, though half a mile apart. Between 250 and 300 men are in the pit. It is known that

The explosion in Seaham colliery occurred at two o'clock this morning. Mr. Stratton, resident viewer, was soon on the spot, when it was found that all three shafts of the mine were blocked, the cages being festened in them. Stratton with a fastened in them. Stratton, with a rope around his body descended to the main and heard men talking, he but same pronunciation. been killed. The number in the pit.

sale. The owner of the Seaham AN OPEN

ham colliery says: The rescued now number 66, but it is feared there were 230 men in the pit at the time of the explosion. Corpses were brought to the surface at midnight, These rosexte, bewitching hues one of which was badly burned.

An express train from Glasgow to
Greenock came into collision with a adoption is beyond all expectation.

Neil Burgess (Widow Bedott) was married yesterday to Miss Stodart.

In the charter election the total vote of the city is 23,122. The counting is not yet completed, but the ing is not yet completed, but the remarks impression is that the new many who were working in the two general impression is that the new men who were working in the two

CHICAGO, 8.—Three and a half days of the test race has passed and the number of contestants has the number of contestants has both shaft is still blocked with debath shaft is still blocked with debris. At 7 o'clock a total of 57 men had been rescued, a majority in an exhausted condition. Many thousands of people are crowding around the mouth of the pit. The guiding marks in the pit were blown to pieces. Explorers consequently find their work very difficult. They will keep at it all night in hopes to clear a way into the workings by morning So far there is no sign of fire, but it is evident there must be a larger accumulation of gas. One hun-

dred and fifty men are still in the Candahar September 6th: Careful inquiry shows that the enemy lost SALT LAKE CITY, very seriously on the 1st inst. This was expected, as they made a determined stand when our troops were quite close. The column will start shortly to bury the dead at Kushki Nakhud and open the district for supplies. Gen. Phayne arrived at Candahar on the 6th just. His horse artillery and cavalry are encamped twelve miles south of Candahar, where supplies and forage are ample. The weather is hot, but the wound-ed are doing well and the troops are

fast forty-two days and is exhibiting in Brooklyn. He completed the second day of his fast this evening.

Among the acceptances for the Czarovitch are Sanford's Aristocrat, North Fikhorn, and P. Lorillard's Wallesteen and for the Cambridge. We solicit new accounts and busi-Washington, 8.—The board of army officers, who assembled here to revise the United States army regulations, have completed their was an inclination to back Robert

It is reported here that the agree-ment between Bismarck and Baron Von Haymite is intended to lead to anteed by Germany and Austria, thus blocking Russia's land route to the Balkan Peninsula.

A cerrespondent with General Phayne's command telegraphs from Kiltaldoola on Tuesday as follows: A portion of this division has already began to retrace its steps. The Six-ty-third regiment left to-day and will march to Quettah and remain there in readiness to act against the
