BOY HURT IN GUN ACCIDENT

Mme. Lillian Blauvelt, Chicago Symphony Orchestra and Tabernacle Choir Festival.

FUNERAL OF MRS. BROWNING.

Beautiful Obsequies for Esteemed Woman—Mourners Italian Jailed—Valise Thieves Caught—News Briefs.

Ogden, Nov. 18.—About the middle of March 1902, a grand musical festival lasting two days will be held in Ogden. The first night Mrs. Lillian Blauvelt, with the Ogden tabernacle choir, will furnish the program. The next afternoon, the Chicago Symphony orchestra, of 50 fine musicians and four soloists, will give a musical matinee. In the evening the greatest of all orchestras, "Eljah," by Mendelssohn, will be presented by the Ogden tabernacle choir and the full orchestra and soloists.

It is a tremendous undertaking involving an expenditure of \$2,500 dollars, aside from the vast amount of labor necessary to prepare this great oratorio.

Prof. Jos. Ballantyne is most enthusiastic over the coming festival, for it is by far the greatest event in the musical life of Ogden. The program will all be given in the Grand Opera House.

Frequent rehearsals are being held with the choir and the members have taken hold of it with a vigor characteristic of this enthusiastic body of singers. The Prophet "Eljah's" part, which makes tremendous demands upon a bass-baritone, will be sung by the great artist, Middleton, who this year, in with the orchestra, Prof. Ballantyne will conduct the singers, orchestra and soloists in this masterpiece by Mendelssohn.

FUNERAL OF MRS. BROWNING.

Estimated Woman Laid to Rest with Impressive Obsequies.

Ogden, Nov. 18.—The last and rites over the remains of Mrs. W. W. Browning, who died Thursday evening, were performed yesterday afternoon, and her body was laid to rest in the family burial plot in the Ogden city cemetery. An elegant and beautiful service of the love and esteem in which the deceased was held in the community was a wealth of floral tributes.

The second ward meetinghouse, where the services were held, was crowded with sorrowing relatives and friends, who desired to pay a tribute of respect to her memory. The ward choir rendered the selections, "Sister, Thou Art Dead," and "Love," and "Nearer, Dear Savior, to Thee." Mrs. Mary Farley and Miss Tillie Hancock sang, "Count Your Many Blessings." Hagbert Anderson sang, "O My Father," and "He Died, the Great Redeemer." The sweet, noble life of the deceased was eulogized by F. J. Cannon, Bishop McQuarrie, Dr. Ears Rich and George Shorten.

VALISE THIEVES CAUGHT.

The police have had no end of trouble of late in the stealing of valises and suit cases from the Union depot and station. The thieves caught, Louis 24-year-old, was not so fortunate as most of his kind in getting away. Saturday evening a passenger set his valise down at the station for a few minutes and on his return the valise was gone. The police were notified and given a description of the stolen goods. A man attempted to sell the valise to a second hand man and was soon arrested. He confessed and told the officers where they might locate a suit case that had been stolen by his pal during the afternoon. The valise was found and he had directed. He will be charged with larceny.

VIOLENT ITALIAN JAILED.

A charge of assault with a deadly weapon may be preferred against an Italian named Vincent Sotchi, who attempted robbery. Sotchi, a fellow countryman whom he ordered to hold up his hands and deliver up his valuables. The man, instead of doing as commanded, took to his heels and ran. The police were called and Officer Orin Hadlock was on the case. He soon located Sotchi in a well known saloon, and after a fight and pulled a big knife and struck at the officer, but he jumped back and ran. Sotchi was put in jail on a charge of assault for a short time. He was taken to the justice station and locked up. The county attorney is looking after the case.

About 2:30 o'clock in the afternoon Smalley got out of the wagon and pulled out a package containing their lunch from beneath the seat. As he did this the shotgun, which was also under the seat, was discharged, the full charge of shot entering the young man's arm near the shoulder. The supposition is

Smalley's arm was badly shattered and the wound bled profusely. He was loaded into the wagon by his brother and driven back to Huntsville, a distance of more than 10 miles, where he was placed in an improvised hospital in Peterson Bros' store. Dr. Shields of that place was summoned and rendered temporary relief. On account of the great loss of blood Smalley's condition was pronounced critical.

News of the accident was telephoned to Ogden, and the young man's father, together with a local physician, left at once with the ambulance to bring the injured man to his home, where he arrived at 4 o'clock this morning and further medical attention was given him. He was resting as easily as possible this morning and the physicians have hopes of saving his arm.

LOUISVILLE STRIKERS

MAKE A DEMONSTRATION.

Louisville, Ky., Nov. 17.—Two policemen were injured by bricks, five men arrested and a number of persons clubbed, as the result of a riotous demonstration made by striking car employees and their friends this afternoon. A mass meeting of strike sympathizers was held this afternoon at a hall in the central part of the city, at which heated speeches were made, but the crowd did not become first until an address was delivered by the wife of a discharged conductor. Her remarks so worked on the feelings of the assembly that when the meeting was broken up an impromptu parade of over 2,000 persons was formed and marched about the business district. There was a large sprinkling of women in line, and they incited the crowd to stone the cars. Four cars were stoned, and although no one aboard was seriously hurt, several women passengers fainted.

The procession finally halted at Fourth and Market streets. Spectators and a collision with six policemen at the corner followed. Sergeant Brockman and Policeman Erickson, received painful wounds from flying bricks, but they and their four companions managed to arrest five of the leaders of the mob and get the reserves to the scene. Only a liberal display of pistols and free use of clubs by the reserves broke up the demonstration, which was fast becoming more serious. A police order was issued forbidding any more pa-

Murray's Rheumatism Remedy Made Him Well.

Mr. William P. Reynolds, ex-banker and financier, writes:
Philadelphia, Oct. 20, 1907.—I was perfectly helpless with rheumatism. I could not walk, I could not stand. My feet, ankles and knees were terribly swollen and I had not known a night's rest for more than a year. I had every available remedy known, with little or no relief. A friend advised Murray's Rheumatism Remedy and I purchased a bottle. Before the second bottle had been used I was absolutely and perfectly cured. I never felt better in my life than I feel now.

I shall always be just too busy to give a fuller account of what Murray's Rheumatism Remedy did for me and cheerfully invite any skeptic to visit or correspond with me upon the subject.
