CONCRESSIONAL.

SENATE. The Chorpenning Affair.

In the Senate, Ramsey, from the Committee on post offices, reported back the House joint resolution repealing the joint resolution approved July 15th, 1870, authorizing the Postmaster General to adjust the claim of George Chorpenning, accompanied with a written report. It recites the fraudulent character of the claim.

awarded to be honestly and justly due.

Mr. Cessna spoke at considerable length in vindication of himself. The regular business of the House was then roceeded with.

Coburn, from the committee on pub lic expenditures, reported a bill pro-viding that no accounts or claims, which have been adjusted by the so-counting officers of the government shall be re-opened without authority spenially given by law, and forbidding the accounting officers to act upon any specially given by law, and forbidding the accounting officers to act upon any account or claim which shall not have been presented within six years from the date at which it originated, unless extent of \$60,000; fully insured. A. M. the person having the claim was an infant, a ferrore, convert, or a lunatic. The second section forbids any person, who is, or has been, an officer, clerk or employe in the public service to act as an attorney in the prosecution of claims before the department, or any branch thereof, in which he had served; or to give any information or impart any knowledge acquired by him, efficially, while in the service of the United

After considerable discussion, the bill was amended, so us to provide that it shall not apply to any claim of loyal usen, arising in the States formerly in The Steoney Lyceum is trying its nien, arising in the States formerly in teeth on the problem! "Which is the insurrection, which, by the operation of law, could not be finally settled and adjusted; and that all other claims shall be justed; and that all other claims shall be repudiated within six years from the passage of the act. It was also amen so as to apply only to persons who have been employes of the government with-in three years. The bill, as thus amend-ed, was passed.

Asper, from the committee on military affairs, made a report on the inves-tigation into the expulsion of the three cadets from the West Point Academy. After a lengthy discussion, the joint resolution passed, without any objec-

The House committee on ways and means, at its meeting this morning, decided, by a vote of five to four to report the bill repealing the income

NEW HAMBURG, 7. - Sleeping car conductor Rossburg's body has been found and the list of his passengers. found on him, but it only gives the surnames, which are as follows: Lowell, Fowler, Pearce, Cary, Dorhish, Ger-manul, Norcreade, Rosenthal, Forbush, -eleven in all. This list tallies with the number pronounced missing by conductor Chas. Corrum. He said he had sixty-five sleeping car ticzets and that all the holders had responded but these eleven. A former Hudson River engineer, named Edward Bartlett, is among the missing. He was reading The Chorpenning Case — Committee has decided to report.

Cossus made a personal explanation in reference to his connection with the Chorpenning case. He believed, and still believes, that there was money due to Chorpenning, but did not know the claim was so large in the baggage car. As fast as the bodies are raised to the surface, they are placed in the baggage car where a fire is kept going, so as to thaw the clothing in order that a search may be made for anything which may lead to their identification. One lady was found with a babe in her arms. All three of the destroyed care were Wagner. was so large las the award three of the destroyed cars were Wagner made by the Postmaster General. He cars. The statement that they were FIRST NATIONAL BANK had no doubt, however, that the Post- Pullman cars is incorrect. It is imposmaster General believed the amount sible to give full names as yet; it is exawarded to be honestly and justly due.
