NEW YORK, 3; PHILADELPHIA, I. Philadelphia, April 14.—New York won the opening game of the league scason this afternoon through the fine pitching of Mathewson, by the score of 3 to 1. He kept the four hits made off him scattered and had excellent control at every stage. McGuillen aiso pitched in good style, but his lack of control was responsible for his team's defeat. Tenu, and Bridwell, formerly of the Boston Nationais, played a prominent part on New York's victory, two bases on balls given to the latter proving the turning point of the contest and tenney driving out a single and a double. MANY THREATS MADE. From tome to time in the last few weeks threats have been heard that en-emies of race track betting would at-tempt to prevent the placing of bets by causing the arrest of all bookmakers who attempted to take bets at the track, but it is not believed that any such move will be made. The court of appeals has up-held the constitutionality of the Percy-Gray law and the arrest of bookmakers would probably prove unavailing. The Carter handicap, of a guaranteed cash value of \$10,000 is the feature of the day's card and will bring out 16 of the country's best three-year-old thorough-breds. That they will attempt to do away with some of the abuses which are popularly supposed to have existed at the tracks under the Percy-Gray act, the law which allows betting at the tracks, is generally conceded, the state-wide cry against betting at the tracks had had its effect on the promoters of racing, al-though it was not of sufficient strength to induce the legislature to repeal the betting law.
