AMERICAN.

St. Louis, 13.—A Laredo, Texas,
special says: It is reported on good
authority that arrangements are
made between the Rio Grande and
Pecos Railroad and the Huntington
interest under which the former
road will be extended to the city of
the Southern Pacific at Eagle Pass, for
the purpose of supplying the latter
road with coal.

New York, 13.—The Tribune has
the following: Negotiations are pend-
ing through Blake Brothers & Co.,
London, for the sale of the proposed
new issue of bonds by the Union
Pacific Railroad Company. The
company decline to furnish any de-
tails regarding the proposed loan,
but admit that such negotiations
are pending. From trustworthy
sources, however, the following
facts have been obtained:

The Union Pacific propose to
create a mortgage for \$30,000,000,
secured by collateral security in the
treasury of the company, to the
amount of about \$3,000,000. These
securities consist of the following:
In round numbers: \$2,500,000 in
Colorado Central railroad bonds;
\$2,350,000 in Utah and Northern
railroad bonds; \$1,500,000 in Den-
ver and South Park bonds; \$1,100,000
in Kansas Central railroad bonds;
\$950,000 in Utah Southern extension
bonds; \$410,000 in Omaha and Re-
publican Valley bonds; total
\$9,900,000. These issues are
issued from 1903 to 1907.

The new collateral, first
bonds will, as proposed, bear in-
terest at the rate of five per cent.
payable in June and December. The
principal is to be due in 1907. The
New England Trust Company will
be the trustee. It is proposed to
provide a sinking fund and out of
the excess of interest paid or receiv-
ing the bonds over the amount to
be payable on collateral, the trust
bonds which are one per cent. as
regards about \$2,710,000 and two per
cent. as regards about \$3,000,000 of
the old bonds, the sinking fund, it
is intended to invest in the pur-
chase of the collateral trust bonds if
they can be obtained at 1.00 or
less. If it cannot be done the
sinking fund will be invested to the
best advantage. The negotiations
for the proposed collateral trust loan
are not completed but it is expected
that the new bonds will be placed
between 90 and 95.

The Post says the amount due
preferred stockholders of the Northern
Pacific Railroad was reported at
\$1,000,000. The amount of the com-
mittee to-day by the treasurer to be
a little over \$4,000,000. The pre-
ferred stock outstanding is in
amount about \$4,000,000. These
figures are the surplus earned by the
company since the date of the reorgani-
zation of the company when holders of
the bonds issued under the J. C. Cooke
regime consented to convert the
bonds into preferred stock. The
managers have been persistent
buyers of Allegheny Central, which
guarantee color to the rumor that ne-
gotiations are pending for the pur-
chase of the Allegheny Central by
the Lackawanna, and this explains
in part the recent activity and ad-
vance in Allegheny.
