clares that "no murderer hath efernal life abiding in him" (1 John lit, 15.)

The magnitude of guilt is guaged to a great extent by the knowledge of the criminal. God will judge all men by their light and opportunities. It is possible that men may shed human blood in anger or under great provocation, and receive pardon from the All-Wise Judge. But the fiat has gone forth that the blood of a murderer must be shed. That is the penalty in this world. It is the only atonement one can make who slays his fellow man unlawfully. This

The magnitude of guilt is guaged to a great extent by the knowledge of the criminal. God will judge all with the successful prosecution of a proved fraud can hardly be called pensecution. We are aware that it is rather dangerous ground to tread upon. It is not to be insisted on it the proof is questionable at all. But suppose that it is not. Is a plague spot in civilization to be permitted to grow through unreasonable at all the penalty in this world. It is the only atonement one can make who slays his fellow man unlawfully. This

ented by our adversaries. It is desirable to class as impostors, are tible that one who has imbued advocates of something that cannot in another world have a claim upon there would be no need for such unthe elemency of Him who is the

We believe that legal and just minds would take that view of the case. And we would like the pended within three years. Negotia- so great with one who has not been Globe-Democrat to explain what connection there is between " plague spot in civilization" and the

plague spot in civilization" and the truth or falsity of the Book of Mormon. We see no relevancy of one point to the other.

We agree that these questions are "not to be answered in a hurry." Take your time Mr. Globe-Democrat, prove that the Book of Mormon is a fraud, if you can. We will weigh well your evidence. The will weigh well your evidence. The B. L. City, June 30, 1881.

Take your time Mr. Globe-Democrat, prove that the Book of Mormon is a fraud, if you can. We will weigh well your evidence. The B. L. City, June 30, 1881.

Trustees. "Mormons" are all more vitally interested in the question than any one else, for if it be a fraud then they have been terribly deceived and the sooner they are convinced the better. But you will have to bring up scribed animal the touchstone of irrefutable facts,

and have thrown saide as utterly worthless and without a thread in it to hang a truth upon. If the opponents of the Book of Mormon were as willing to examine and accept its claims to credence and its proofs of divinity, as its believers have been to pay attention to the baseless arguments and untruthful statements against it, the converts to its principles would outnumber those of any book or creed on the globe.

But whether the book be true or false, it is an unimpeachable fact that those who go out to the world to advocate its principles are not impostors, but as sincere a set of proselyters as ever defended any book or cause in ancient or modern
