Elbow-grease
th a little soap) used to be the thing to clean house with. Now-a-days if a Pearline. Pearline is casier and quicker and better than elbow-grease. One reason why millions of women prefer Pearline, rather than anything elac, in cleaning house, is that it saves the puint and woodwork. But the principal reason, of course, is that it saves so much work, see Pebliers and some macropoless green will apply the problem and some macropoless green will apply the peblic per some macropoles green will great the macro and the macro apply the period of the
