

JUDGE TAFT WILL GO CAMPAIGNING

Will Make Three Distinct Tours, Delivering Speeches in Many States.

TRAVELS IN SPECIAL TRAIN

Two Speakers of National Prominence Will Accompany Him—Hitchcock Makes Statement.

Cincinnati, Sept. 16.—Judge W. H. Taft will make three campaign tours. His first will begin here Sept. 23 and end Oct. 7 at Gatesburg, W. Va. This trip will take him through Wisconsin, Minnesota, North and South Dakota, Iowa, Nebraska, Colorado, Kansas and Missouri. He will make one or more speeches in each of these states and fill in with numerous short addresses from the rear platform of his special train.

DETAILS OF ITINERARY

Senator Dixon, who has personally arranged the details of the itinerary of Judge Taft, gave it in the following language: "Judge Taft will start on his western trip, leaving Cincinnati on the morning of Sept. 23, speaking at Brook, Ind., at George Ade's farm, at noon; the night of Sept. 24 at Milwaukee; at Madison, Sept. 25; at St. Paul and Minneapolis, Sept. 26. Sunday, the 27th, he will rest at Minneapolis. He will leave Minneapolis Monday morning, Sept. 28, and have a daylight run through Minnesota, speaking at Fargo, N. D., that night. Sept. 29 he will be in South Dakota, speaking at the Corn Palace at Mitchell in the afternoon. Sept. 30 he will speak at Fort Dodge, Ia., at noon, and at Omaha at night. Oct. 1 will be a daylight western trip through Nebraska, speaking at Denver on the night of Oct. 2. Oct. 3 will be an eastbound trip through Kansas, speaking at Topeka at noon. He will reach St. Louis on the morning of Oct. 6, and will remain in that city all day, reaching Chicago in order to open the deep waterway convention at 11:30, Thursday, Oct. 7. Leaving Chicago about 1 o'clock, he will attend the fiftieth anniversary of the Lincoln-Douglas debate at Quincy, Ill., at 6 o'clock in the afternoon. This is all of the itinerary that can be obtained at this time. The details of the trip between these important trips will be arranged for by the chairman of the committee."

This plan of campaign for the Republican presidential candidate was discussed on today at a conference between Judge Taft, Chairman Hitchcock of the Republican national committee, Senator Dixon and the executive committee of the Western Speakers' bureau; Charles Nagel, national committeeman from Missouri, and in charge of the Chicago Republic headquarters; Robert A. Ballinger, member from Washington of the advisory committee, and A. I. Vories.

Judge Taft will travel in a special train and with him will be two other speakers of national reputation. It was said today that Senator Dooliver of Iowa would likely be one. After the conference, Chairman Hitchcock expressed himself generally on the manner of campaigns which has been decided upon, making it plain that beginning with the first of October, the "racket and red fire" features will be fast enough and strenuous enough to silence all criticism.

HITCHCOCK'S STATEMENT

"There have been numerous criticisms," said Mr. Hitchcock, "to the effect that the Republican campaign was at a standstill and that the opposition party was carrying things by default. There may be some semblance of truth in this at the present moment, but it has been considered the wisest plan to make the 'racket and red fire' campaign during the month of October. He thinks there will be no ground for criticism from any quarter when that time arrives. Mr. Hitchcock gave many reasons for the pursuit of this course. It was highly desirable that the strong Republican orators should be placed where their services were really needed. It was impossible to ascertain these places without first-hand information regarding political conditions. This information would be obtained by that time, he said, and instead of having shots wasted previously by being fired at random, the efforts would be accurately directed. Most of the Republi-

MICHIGAN MAXIMUM FREIGHT LAW VALID

Lansing, Mich., Sept. 17.—In an opinion filed yesterday the Michigan supreme court sustained the constitutionality of the maximum freight rate law of 1874, which has been ignored by the railroads as obsolete and denounced by them as unjust, unreasonable and confiscatory. The law provides a fixed rate for carrying freight in car lots for short distances, a rate of 88 for transporting a car 10 miles being provided regardless of the character of the freight.

Whitney's History of Utah at Half Price.

The Deseret News takes pleasure in announcing that it has secured the sole rights to the HISTORY OF UTAH, by Orson F. Whitney, originally published by the George Q. Cannon & Sons Co.

This work, which was begun in 1890, and printed in three large volumes (the fourth volume issued being biographical, and not a part of the direct history of Utah), is one of the largest and most exhaustive histories ever compiled of any western state. The three volumes bring the history of the state from the foundation down to the year 1890, at the time of the issuance of the manifesto, and includes the history of the Church from its organization in New York. The first ten chapters are devoted to this subject.

In the three volumes are included 235 full page steel plates, mostly portraits of leading figures in the history of the State, originally obtained at a cost of many thousand dollars. The volumes each contain approximately 800 pages, a total of 2,351 pages in the three. The binding is quarto size, full morocco with gilt edges, no other style of binding being issued.

The three volumes were originally sold at \$30.00, and several thousand sets were placed throughout the state at that figure. The "News" having obtained the unsold copies of the edition, will place them on the market at the coming October Conference and sell to the first comers at HALF THE ORIGINAL PRICE, OR \$15.00 FOR THE THREE VOLUMES. No single volumes will be sold. Without doubt many libraries throughout the country will avail themselves of this rare opportunity, and Utah people who desire to add this work to their libraries are urged to call at the Deseret News book store and inspect the work during Conference.

The low price at which this rare work is offered will undoubtedly exhaust the edition in a short time. The work will then be out of PRINT, so that every book-lover should avail himself of this last chance.

The original subscribers, who already have the first three volumes of the History of Utah are entitled to the fourth volume (containing individual biographies) free, by addressing George Q. Cannon & Sons Association.

The "News" has no interest in the fourth volume, the work being complete as above stated, in the three volumes, now offered at \$15.00.
