## JUSTICE FOR PRISONERS.

March 30.—President Wilson has issued a general order for the release of all prisoners of war. The order is effective immediately. The order is effective immediately. The order is effective immediately.

### WOMAN'S GENTLE NATURE CALLS FOR GENTLE TREATMENT

Delicately formed and gently reared, women will find, in all the seasons of their lives, as maidens, wives, or mothers, that the one simple, wholesome remedy which acts gently and pleasantly and naturally, and which may be used with truly beneficial effects, under any conditions, when the system needs a laxative, is—Syrup of Figs. It is well known to be a simple combination of the laxative and carminative principles of plants with pleasant, aromatic liquids, which are agreeable and refreshing to the taste and acceptable to the system when its gentle cleansing is desired.

Many of the ills from which women suffer are of a transient nature and do not come from any organic trouble and it is pleasant to know that they yield so promptly to the beneficial effects of Syrup of Figs, but when anything more than a laxative is needed it is best to consult the family physician and to avoid the old-time cathartics and loudly advertised nostrums of the present day. When one needs only to remove the strain, the torpor, the congestion, or similar ills, which attend upon a constipated condition of the system, use the true and gentle remedy—Syrup of Figs—and enjoy freedom from the depression, the aches and pains, colds and headaches, which are due to inactivity of the bowels.

Only those who buy the genuine Syrup of Figs can hope to get its beneficial effects and as a guarantee of the excellence of the remedy the full name of the company—California Fig Syrup Co.—is printed on the front of every package and without it any preparation offered as Syrup of Figs is fraudulent and should be declined. To those who know the quality of this excellent laxative, the offer of any substitute, when Syrup of Figs is called for, is always resented by a transfer of patronage to some first-class drug establishment, where they do not recommend, nor sell false brands, nor imitation remedies. The genuine article may be bought of all reliable druggists everywhere at 50 cents per bottle.

TRUTH AND LIBERTY

TUESDAY, MARCH 31, 1903. SALT LAKE CITY, UTAH.

FIFTY-THIRD YEAR.

in courts in imposing the sentences, and in order to remedy this injustice, the president has issued a general order under which each transferred prisoner will be discharged upon the day when he would have been discharged had he continued to be confined in the state prison or penitentiary from which he was transferred.

The president has denied 15 applications for executive clemency and has exercised clemency in nine cases. He has commuted to imprisonment for 20 years the sentence of Thomas Thurbur, convicted in Kansas for murder and sentenced in 1888 to be hanged. The prisoner has served nearly 15 years.

## CHINESE INDEMNITY.

All Viceroy and Governors Unite in Protest Against Payment in Gold.

Shanghai, March 30.—The bankers' commission met today and declined to forward the American silver indemnity bond for signature by the Chinese representatives on the ground that the terms of the bond were inconsistent with previous declarations regarding the indemnity. The American delegates insisted that the article, in view of the Peking protocol states it to be the commission's duty to effect all operations in conformity with the instructions may by the powers to their delegates, and he announces his intention of forwarding the bond direct to the Chinese representatives for signature. All the viceroy and governors in China are now united in a protest against the payment of the indemnity in gold. They declare that the resources are exhausted and that further extortion would impoverish the people, tend to excite revolt and hamper foreign trade.

## King Edward to Visit Ireland.

New York, March 31.—The official announcement that the king and queen will visit Ireland in July or August does not come as a surprise, says the Tribune's London correspondent. It is well known that the king ever since he ascended the throne had set his heart on an Irish tour. In Ireland it is believed that the king is responsible for the extraordinary change that has taken place in the Irish policy of the British government since the beginning of the year. The coronation regalia is a thing of the past and a peasant proprietor is a thing of the future. Mr. Wyndham's land bill has had an excellent effect in destroying the germs of disaffection, and it consequently is certain that the announcement of the royal visit will give the greatest satisfaction to the Irish people.

## McADDEN'S ROW OF FLATS.

Its Presentation Causes a Riot by Irish-Americans.

Philadelphia, March 30.—A panic was precipitated at the People's theater here tonight when the actors in "McAdden's Row of Flats" were mobbed by a throng of Irish-Americans. Eighteen men were arrested and held without bail, charged with inciting to riot. The disturbance occurred in the first act. While Arthur Whitely was singing "Mr. Doherty" he was greeted with a shower of rotten eggs, and some persons in the audience fired a pistol. In an instant there was a panic and women and children were trampled upon. None were seriously injured, however. The police were notified and three patrol wagons filled with police were dispatched to the scene. The disturbers were inclined to resist arrest and there was a lively encounter, but the riotous element was quickly subdued. The magistrate before whom the prisoners were arraigned refused to accept bail for them.

## Forged S. P. Tickets.

New Orleans, March 30.—The passenger department of the Southern Pacific has just unearthed in New York a forgery of their tickets. A coupon of a ticket purporting to have been issued by the Louisiana & Southern railroad company has been turned into the New Orleans office for identification. There

is no such road as the Louisiana & Southern, but the manipulators of the ticket took advantage of the name Louisiana & Southern and sold to travelers coupon tickets over the Union Pacific and the Southern Pacific. The ticket bears the signature of J. M. Bevin, general passenger and ticket agent. There is no such official connection with any railroad in Louisiana.

## RACING ON THE RIVER.

Mark Twain Would Have it in the Old Time Style.

New York, March 30.—Mark Twain has recalled the days when he was a pilot on the Mississippi river in a letter to ex-Gov. David H. Francis, president of the St. Louis exposition, in response to Sir Thomas Lipton's suggestion that a series of old time steamboat races be inaugurated as a feature of the exposition. Mark Twain wants a genuine reproduction of the old-time race, with negro roustabouts and singers; the use of the torch basket rather than the searchlight, and the extinguishment of the latter day government lights, so that the quality of the piloting would count where the boats were evenly matched in speed.

"As a spectacle," writes Mark Twain, "nothing could add to it except an old-time blow-up by the boat finished the house stretched along the river bank. It is better left to providence."

## CHARGE AGAINST HOWSEE.

Relates to Cruelties Towards Filipino Prisoners.

Washington, March 30.—The war department is investigating charges that have been filed against Lieut. Col. Robert L. Howsee, who was in command of a post in northern Luzon in the Philippines, allegations being made that Lieut. Col. Howsee was cognizant of the fact that two natives were whipped to death and that no punishment of the offenders was ordered. It is stated at the war department that, so far as investigated, it appears that the alleged outrage was perpetrated by native officers while Col. Howsee was absent after hostile Filipinos. The matter has been brought to the attention of Col. Howsee and a partial reply made that an investigation at the time showed that only one native had died, and that his death was not due to ill-treatment, but to diabetes. Reports of alleged outrages in the Philippines for which Col. Howsee and some other officers are said to be responsible are part of Gen. Miles' report of his recent investigation in the Philippines.

## BATTLE WITH CATTLE THIEVES

Arizona Rangers Have One at Black Rock, Graham County.

## LEADER OF RUSTLERS SHOT

Gang Were in Cabin Which Was Successfully Raided - Assaulting Party Compelled to Retire Temporarily.

Denver, March 31.—A News special from Tucson, Ariz., says: Capt. Thomas Rynning, an Arizona ranger, has been advised of a pitched battle which took place Saturday at Black Rock, Graham county, between a company of his men and a bunch of cattle thieves. The message was accompanied by an appeal for reinforcements and stated that the rangers had been compelled to retire in the scrimmage, although none of their number were killed, and two were but slightly wounded.

The rangers had been advised that the ranch of John Davis was the headquarters of a bunch of cattle thieves working through Black Rock county, and a company of them started out to raid the ranch. Davis, his son and a half a dozen men were on the outlook for the raid and opened fire on the rangers when they approached. F. S. Barefoot, in command of the rangers, led an unsuccessful assault on the cabin, but the fire was so hot that they were compelled to retire. The supply of ammunition ran short or they would have succeeded.

When the rangers retired Davis ventured out of the house to fire some parting shots and was struck by a bullet and fell. Barefoot believes that he was killed. As soon as reinforcements arrive the rangers will make another effort to break up the gang of thieves.

## Constipation Makes Bad Blood.

### MULL'S GRAPE TONIC CURES CONSTIPATION

Constipation is the rotting and decaying of undigested food in the alimentary canal. Disease germs arise from this festering mass, which find their way into the blood. The blood becomes impure and shortly the entire system gives way to the unhealthy condition.

You cannot cure a case like this by taking pills or other common cathartics. A laxative will not do. A blood medicine is ineffective. Mull's Grape Tonic is a gentle and mild laxative in addition to being a blood-making and strengthening tonic which immediately builds up the wasted body and makes rich, red blood that carries its health-giving strength to every tissue at every heart beat.

Mull's Grape Tonic is made of pure crushed fruit juices and is sold under a positive guarantee.

Doctors prescribe it. All druggists sell it at 50 cents a bottle. Send 10c to Lightning Medicine Co., Rock, Island, Ill., to cover postage on large sample bottle.
