Financial Panic at New York—More Corruption.

NEW YORK, 20.—This has been an eventful day in Wall St.: it opened with the failure of Capron & Merriam, and the C. C. & S. C. pool, and was followed by events which precipitated a panic on the stock exchange; the failure above noticed was followed by various rumors, all of which tended to disturb confidence and unsettle matters generally. There was a report that a railroad and steamship war was likely to result from the inability of the Pacific Mail, Panama, and U. P. to agree upon some amicable freight arrangement, and that the Central Pacific was about to consummate an agreement with an English company to put on an opposition line of steamers between San Francisco and Japan and China. All these facts and rumors caused enormous pressure of sales on the street and at the exchange, and prices declined from one to 10½ per cent., the I. C. & O. C. leading the downward movement. At one time during the afternoon there was a rally of 1 to 2½ per cent., but at the close the market was heavy and lower again. Money from four per cent., currency to seven per cent. gold, and some vague rumors that several banks were in trouble caused a heavy decline in stocks and disturbed seriously the margins of the weaker class of speculators, and large sales for their account helped to depress matters. Ever since the September panic Capron and Merriam have been carrying large amounts of C. C. & I. C., it is stated as high as 24,000 shares. For a day or two back rumors have been in circulation to the effect that about twenty thousand of these shares had been hypothecated at the German American Bank, and that in consequence of a change of management in said institution, the loan had been called for and that Capron & Merriam were not able to respond. Under the pressure of heavy sales the price declined from 30½ to 20, and in three hours from the commencement of business fifty thousand shares changed hands. Mr. Capron says the misfortune was brought about by the treachery of those he supposed to be friends, and for whom he had agreed to carry large amounts of stock for sixty and ninety days. When the market began to break this morning the persons for whom he was carrying this stock went into market without any notice to him whatever, and sold every share they held. Most of the creditors are willing to make a settlement on favorable terms, and the firm expect to be on their feet again soon. Capron & Merriam are well known on the street and much sympathy is expressed for them in their temporary misfortune. Money was active late in the day, and rose to 7. Gold on foreign exchange was advanced this p. m. by the leading bankers to 4.86 for sixty days, and 4.85 for demand, but 4.85 to 4.88 are still about the rates for actual business. Customs receipts $399,000. Gold closed at 14, after selling for 14¼ @ 13¾; carrying rates 2 @ 3½. The assistant treasurer has disbursed $34,000; clearings, $25,000,000. State bonds dull, governments firm.

The board of aldermen, this afternoon, adopted a resolution calling on the mayor to remove the present police commissioners for incompetency and corruption, as shown in the street cleaning investigation.

Killed—Relief Meeting.

ST. LOUIS, 20.—A dilapidated stone tenement, in the northern part of the city, fell, killing instantly Mrs. Cogle, the only person in the house.

The board of directors of the Merchants' Exchange held a meeting to-day, to consider the appeal by the mayor of New Orleans for assistance for the people of the overflowed districts along the banks of the lower Mississippi river; it was decided to take no action until more definite information of the condition of the people is received.

The Situation Unchanged.

LITTLE ROCK, 20.—There is no change in the situation. A company of U. S. soldiers occupies the telegraph office and *Gazette* building; four additional companies have been added to Governor Baxter's force, and one to Brooks' men; both sides are resting on their arms.

Financial League to be Formed.

BOSTON, 20.—The executive committee, appointed at the recent meeting at Faneuil Hall, to take action in upholding the public faith, have issued an address recommending the formation of leagues throughout the country to unite the people in favor of demanding that the government shall redeem its financial pledges, and create a stronger public sentiment in favor of specie payments.

WESTERN.

Disasters at Sea.

SAN FRANCISCO, 20.—The steamer *Sunfoo*, of the new eastern Australian mail line, was wrecked near Kong Kong, on the 10th of March; no lives were lost. The steamer struck Reef Island.

The bark *Chance*, German, from New South Wales to Hong Kong, was wrecked on the south end of the Island of Formosa; captain Ullicks and his wife and two children were lost, the rest of the crew and passengers arrived safely at Hong Kong.
