TALK OF THE TOWN.

The First District Court has adjourned until Monday next.

Ice is scarce this season. The price is being raised already.

The Blahos will convene in regular session this evening, at 7 o'clock.

The weather continues warm, and its effects are more weakening day by day.

E. H. Anderson, Esq., business manager of the Ogden Herald, is in the city.

Last night was very close and sultry. Those who went to bed latest, slept the best.

The Plynon-Climax case is at last submitted. The arguments closed this morning.

The flounder of the rimless eyeglasses will be rewarded by leaving them at this office.

The Pratt family reunion will take place October 10th, 1881, in the Sixteenth Ward Assembly Rooms.

Mr. Philip Margatta, the veteran comedian, will leave for California on a starring tour about the 25th inst.

The strawberry crop of Plain City is worth more than its grain crop; that is, it brings in more ready cash.

A four year old boy in the 7th Ward, fell from a mulberry tree the other morning, and broke his right thigh.

Emelle Melville and a first-class combination are expected here to play during the latter part of August.

A load of hay tipped off a wagon on the News corner, this afternoon, pulling the rack with it from off the wheels on to the ground.

A son of H. M. Bond, of Ogden, accidentally cut his nose, rather severely, while opening a sack yesterday. He says the knife was sharp.

It is reported that Mr. Harry Heywood, the victim of the powder explosion of a few weeks ago, has lost his mind. He is now in care of friends on the lake shore.

An individual, for indecent exposure of his person, was to-day sent up for 30 days. He lives on the north-east bench, and was fined \$30 for a similar offense a few months ago.

The General Committee appointed on the 4th of July celebration, held a final meeting last evening, transacting remaining business, closed their labors, and wound up the entire matter.

The great increase in the number of ornamental trees, beautifying the landscape in Davis and Weber counties, is one of the most pleasing evidences of progress and refinement in those parts.

The citizens of Huntsville having erected an elegant and substantial brick meeting-house, intend to have it dedicated some time during the fall. It is highly creditable to their enterprise and liberality. When the gallery is completed, it is estimated it will seat 1,300 people. It is adorned with a belfry, which is not a mere ornament, but contains a bell which summons the people to meeting and Sabbath school.

LOCAL AND OTHER MATTERS.

Now is the Time.—Those who have subscribed, or intend to subscribe means for the 15th Ward new meeting-house, now approaching completion, are respectfully reminded that now is the time their contributions are most needed. A strong effort is to be made to finish the building for next winter's use, and every legitimate effort will be exerted to raise the necessary means. Don't wait, but step up and give the committee a lift. Robert Patrick will receive the funds. Now is the accepted time.

Both Twins Dead.—Last evening we published a birth notice of twin boys, born yesterday morning to the wife of Elder Carl C. Amussen, and that one of them died two hours afterward, while the mother and the surviving baby were progressing finely. We regret to chronicle the fact that the other little one expired several hours after leaving, leaving the parents bereft of both their newly acquired treasures. The mother is getting along favorably. We trust her improvement will be rapid, and we deeply condole with the family in this dual loss.

District Court.—Proceedings in the District Court, on Thursday, July 7, 1881, Chief Justice Hunter presiding:

John S. Bowman & Co. vs. Louis Benites, default entered yesterday set aside and vacated. Plaintiff move to have default set aside and vacated. Denied. Exception.

Hans Julius Friesen, formerly of Denmark, was admitted to citizenship.

STAKE CONFERENCE.

The regular Semi-annual Conference of the Salt Lake Stake of Zion will be held on Saturday and Sunday, July 9th and 10th, at 10 a. m. and 2 p. m. of each day.

ANGUS M. CANNON, DAVID O. CALDER, JOSEPH E. TAYLOR, Presidency of the Stake.

New Meeting House.

According to previous announcement a meeting of the inhabitants of the 19th Ward was held last Tuesday evening in the School-house of that Ward for the purpose of electing a building committee to take charge of the work of erecting their new meeting-house, now in contemplation. After prayer by Elder Alexander Edward, Bishop R. V. Morris in a few brief remarks stated the object of the meeting, it having been decided upon at a previous meeting that the Ward should erect a new and more convenient house of worship. He stated that Brother Wm. H. Hooper had made a very liberal offer to donate a piece of ground for that purpose, and also to head the list with a subscription of \$1,000 in cash. Others also had made liberal offers. He thought it about time to make a move towards erecting the building and asked the meeting to give an expression as to the best mode of nominating the committee. A motion was then made and seconded that the Chair make the nominations, and was carried unanimously.

The following names were then presented: Wm. H. Hooper, Henry Arnold, senr., A. W. Carlson, Jan. Watson, Henry Grow and Philip Pugsley, who were unanimously sustained by the meeting. On motion, R. V. Morris added to the committee. A hearty vote of thanks was then proposed and tendered to Hon. W. H. Hooper, for his kind and liberal donation.

A benediction by Elder Jas. Watson was pronounced and the meeting adjourned. Brother Alexander Edward, clerk of that Ward, furnishes the above.

Pratt Family Reunion.

Some time ago we announced the fact that a movement was in contemplation for a grand family reunion of the descendants and connections of Apostles Parley and Orson Pratt. We are pleased to note that active steps are being taken toward its accomplishment. Elders Parley P. Milaudo, and Lorin Pratt, the former a son of the late Apostle P. P. Pratt and the others the sons of Apostle Orson Pratt, are the committee on invitations, which are being issued to the relatives of Asa, William, Parley P., Orson and Nelson Pratt, to attend the reunion, which will be held in this city, on the day following the close of the next Semi-annual Conference, in the 10th Ward Assembly Rooms, at 10 o'clock in the morning. The programme for the entertainment will consist of speeches, essays, songs, music, dancing, etc., and each one invited is requested to bring all items, as far as possible, pertaining to his family records. We have no doubt that the Reunion will be a grand and enjoyable affair. It is a commendable project and we wish it every possible success.

Benefit Entertainment.

Tickets for the benefit entertainment in the 21st Ward meeting house, this evening, for the widow and children of the William E. Knight, have been selling rapidly, and a good house is anticipated. Much sympathy has been extended to the bereaved family since the sad occurrence. Subscription lists have been commenced in each of the brick yards at Butcherville, and it is expected that a nice little sum will be realized from the various charitable enterprises.

County Committee.

The members of the People's Country Central Committee will meet at the Council House on Saturday, July 9th, 1881, at 12 m. By order of the Chairman, THO. MCKEAN, Secretary.

Children's shoes are worn through at the toes while the Osbornes shoe is perfectly good. Parents who have been misled by the Osbornes shoe, should try the McCormick shoe, which perfectly protects the toes, and adds to the beauty of the shoe. See advertisement in another column. d11

CAN'T PREACH GOOD.

No man can do a good job of work, preach a good sermon, or a law suit well, if he is in a bad mood. A good article when he is in a bad mood, and with sluggish brain and unsteady nerves, and none should make the attempt in such a condition when it can be so easily and cheaply removed by a Little Hop Bitters. See "Truths" and "Proverbs" other column.

FLATTERING SUCCESS OF THE OSBORNE MACHINES.

MEADOW, Millard County, Utah, June 28, 1881.

To D. M. Osborne & Co., Salt Lake City:

Gentlemen.—The Osborne Self-Binding Harvester, purchased of your Agent by us, is a perfect success, with both Twine and Wire Cutting, Elevating and Binding, the satisfaction of all present. We tested the machine thoroughly and are well satisfied with its work. It is well warranted in saying that the Osborne will save from one to five bushels of grain per acre more than any other machine. As to simplicity of construction, durability and ease of management, it has no equal. Yours Respectfully,

PETER GREENHALGH, ABRAHAM GREENHALGH.

MEADOW, Utah, June 28, 1881.

D. M. Osborne & Co.:

Gentlemen.—Having witnessed the working of your Twine and Wire Binder, this day, we inform you that it does better work than could be expected of any machine, the Cutting and Elevating, being perfect itself, leaving no grain in the stable, and binding superior to hand work.

We recommend the Osborne to all Farmers of Utah, as a labor and grain saving machine.

Bishop H. P. Bennett, S. M. Smith, G. E. Littlewood, James Fisher, John Gull, H. G. Labrum, H. Anderson, O. A. Anderson, H. J. Anderson, Wm. O. Johnson, Galloway. d11w & 2w

GOOD TESTIMONY!

SALT LAKE CITY, June 22nd, 1881.

Wayne Agricultural Company.

Gentlemen,—Your Agent, A. J. Johnson, started a Royce Self Rake Reaper for us this morning. We have used it all day and we think it is perfection, very light draft, easy to operate and lays the best sheaf we ever saw from any Self Rake Machine. We cut to-day, Eight Acres of Rye in Seven hours and a half, and think it the captain of all Reapers.

JAMES HERRIDGE, ISAAC PARK, JOHN MILLER.

A. J. Johnson is Agent for the Royce Reaper and Richmond Mower, and judging from the great simplicity and Low Prices of the Machines, we predict for them very large sales. d1w

YOU CAN BE HAPPY

If you will stop all your extravagant and wrong notions in doctoring yourself and families with expensive doctors or humbug cures, that do harm always, and use only nature's simple remedies for all your ailments—you will be wise, well and happy, and save great expense. The greatest remedy for this, the great, wise and good will tell you, is Hop Bitters—believe it. See "Proverbs" in another column.

A beautiful head of hair is appreciated by everybody. And how to secure it interests everybody.

The hair and scalp must be kept free from scurf and dandruff, and not allowed to get dry and harsh. The roots must be stimulated to healthy action. Flexibility and a handsome gloss are essential. All these requisites are easily secured by the use of Ayer's Hair Vigor.

NATURE has provided a most potent specific for diseases of the skin, humors and general impurities.

That admirable remedial agent is made available at an infinitely less cost than formerly in consequence of the introduction of Glenn's Sulphur Soap. Sulphur baths are expensive, so are visits to sulphur springs, but at a cost of sixty cents, the price of one bottle of Glenn's Sulphur Soap, you can take a bath containing three cakes, precisely the same curative results can be effected as sulphur bathing accomplishes. Glenn's Sulphur Soap likewise heals bruises, sores, and all kinds of skin eruptions, whitens and softens as well as purifies it. The ladies prefer it to any cosmetic, not only because it is a more effective complexional beautifier, but also because it is so eminently conducive to health, which cosmetics are not. It is a capital disinfectant of clothing contaminated with disease and its odor is so agreeable that it is far preferable to any salve or ointment for the cure of affections of the skin, being infinitely more effective than all these remedies.

Sold by druggists. Price 25 cents per cake. 1 box (3 cakes) 75 cents, sent by mail, post paid on receipt of price. C. N. CHRISTENSEN, Prop., 115 Fulton Street, New York.
