anything particular to tell, and he might as well go; but before doing so he said, "I've seenthose plans for your new City Hall; and I can give you my opinion of tham. My opinion is, that architeeture is a lost art. There are no architects living that are worthy the name. You should have seen Thebes. There was architecture for you. But your architects are pigmies. I'm tired now, but would like to come again." The next visitant was more commu-

nicative and could remember his name while here: it was

SETH DOOLE.

who, in a thin, piping voice, said:

"He liked to communicate; he had been lonesome of late; had no satisfaction in going to them common low circles, two-bit shows; this was a high-toned affair; conducted by gentlemen who wanted to get at the truth.

When asked if he had anything to toll them, he explained the mystery of

DTING. He supposed they felt curious about it; he had the advantage of them, for he had passed through it. But, said he, "woll, it's a more triffe, after all. It's to 28. test like goin' to sleep. You can't get up in the morning and remember jest remember jest when you died. It's a hold sessions every evening during the little misty, like. I didn't perfectly creasest week. Cragin, from the committee of conand the last days my mind was considerably confused. I kind 'o suspected erably confused. I kind 'e suspected that my time had come; but after I got pretty low, everything was mixed. I don't rightly know to this day whether it was Sunday afternoon or Monday it was Sunday afternoon or Monday night I died on. I don't know whether I suffered much, or whether I was long in dying. It was all like a dream, or like trying to remember things when you've been drunk over night. I guess we generally make too much fuse about dying. I guess, as an ordinary

rule, folks don't suffer as much in dying as they do in having a tooth drawn. If they do, they don't know it." According to Mr. Doole, it was not an

easy matter for him, after death, to tell whether he was in or out of the body. He did not know how long it was after the occurrence, that he made it out, but the following is his account of the

DISCOVERY THAT HE WAS DEAD. "I'm a shoemaker, you know; or rather Journeyman working for me, a tonguey land,

40, 42 and 44 BIVER STREET, It has been stipulated that only thirty thousand German troops shall enter Paris, and that they shall not march beyond the Place de la Concorde.
