By Universal Accord, AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and the extensive use by Physicians in their practice, and by all civilized nations, proves them to be the best and most effective purgative pill that medical science can devise. Being purely vegetable, no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and laxative, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and most pleasant to employ for children and weakened constitutions, where a mild, but effective cathartic is required. For Sale by all dealers.

Horse Stolen.—Mr. W. W. Woods, of the 18th Ward, had a horse stolen from his stable last evening. The thief did not think to take the saddle, but Mr. Woods hopes he will return for it to-night.

A New Road.—The attention of the gentlemen of the Legislative Assembly is called to a letter in this issue of the News from several Platers, in relation to the projected road through Sevier Canon. The road appears to be a necessity.

Intermediate and Primary Grades.—On Monday, the 20th inst., the primary and intermediate departments of the Deseret University will resume under competent instructors, in the Social Hall and the Twelfth District School-rooms.

Supreme Court.—Yesterday afternoon, the case of the People, etc., vs. M. T. Bensabough, at the conclusion of the arguments, was submitted and taken under advice.

There was no business transacted today. The Court convened pursuant to adjournment, but Judge Borenman being ill, it adjourned over until to-morrow.

Tailoring.—Messrs. Buckle & Son, the popular "Knights of the shears," have during a short stay in Utah built up an enviable reputation and business, by adhering to the lowest prices and in every instance fulfilling their promises. A further enlargement of their business is announced in their advertisement in another column. Read it.

To Presidents of Stakes.—It is the intention of this office to publish, for the public benefit, as soon as possible, a revised list of the authorities of every Stake of Zion. All that is needed, is to communicate with the Presidents of the Stakes, in order to ascertain the changes that have been made since the last list was published. The Presidents who are now in this city, will confer a favor by calling at the office of Bishop Edward Hunter, immediately, and furnish him with the required information regarding their respective Stakes.

Obsequies.—The funeral services over the remains of the little son of Mr. and Mrs. George W. Davis, were performed on Tuesday, at the residence of the parents in the 20th Ward. Appropriate music was furnished by Mr. Daynes and choir. Addresses were delivered by Elders T. B. Lewis and O. W. Fenmore, and the benediction was pronounced by Elder James Dwyer. A large number of friends were present and followed the remains to the cemetery. May the bereaved find comfort in the promises of the Gospel.

Utah Southern Extension.—The grading on the Utah Southern extension is completed to 50 miles beyond Deseret, the present terminus, which leaves but ten miles more of grading to be done this side of the proposed end of the road. Orders have been received from the east to push the work forward and complete the 90 miles of grading and tracklaying within 60 days. Iron is to be shipped immediately for the completion of the track to that point. Superintendent Sharp and other dignitaries went down the road Tuesday morning and returned last night.

"Enquirer" Notes.—The U. and P. V. R. R. is open once more, and coal is pouring into Springfield from the mines.

The municipal election of Provo City will be held on the second Monday in February.

Lisa Lydia Green, the lady who was shot by a stray bullet, while sitting in a ball-room, in Silver City, Tintic, last Saturday night is getting along favorably. Dr. Christiansen was summoned soon after the occurrence and extracted the ball from the lady's arm. The wound is painful but not dangerous.

Ward Reunion.—To-morrow afternoon and evening, a grand social reunion will be held in the Twelfth Ward Assembly Rooms, for the special enjoyment of the people of the Ward, old as well as young, and a few invited guests. The afternoon exercises will consist of singing, recitations, feasting, etc., and will commence at 2 o'clock, and in the evening a dance will be held, beginning at 7 o'clock. The affair has been arranged by a committee, including the Bishop and authorities of the Ward and Ladies Relief Society, and those who attend will, without doubt, have a very happy time. Success to the party.

Myriam.—Yesterday, another happy union was consummated in our community, the chief parties to the transaction being Mr. D. W. James and Miss Minnie Horne, both of this city; the former a son of David James, Esq., and the latter a daughter of Justice Joseph Horne. The bridegroom is a young man of excellent character and promise, highly esteemed among his friends and associates, and the bride an estimable young lady whose many genial qualities and genuine goodness of heart, have made her the friend of all who have the pleasure of her acquaintance.

The Coming Concert.—Rehearsals are being held, daily, for the grand concert to be given by the Caroleum Orchestra, next Monday evening. A new and attractive programme is arranged for the occasion, and the entertainment gives promise of being fully equal, if not superior, to that given by this organization on the evening of the 5th inst. Among the novelties is a string quartette, something new and classic, and a euphonium solo by Professor Pederson. George Hedger, the accomplished flutist, will also give a solo on his instrument. The orchestra will perform selections from "Lucia" and "Puritani," some of the finest music ever attempted in this city, and the popular Croxall Brass Band will execute a phantasy called "Goblines." In the vocal department, Miss Sarah E. Olsen will render the ballad "One morning, Oh so early," arranged for the orchestra by Professor Caroleum; Mr. McAllister, the pleasing tenor, will give a solo; the two will sing the prison duet from "Il Trovatore," and last, but not least, the charming petite vocalist, Miss Edna Russell, will render one of her beautiful selections. Those who attended the first concert, will wish to go next Monday night if for nothing more than to hear again the wonderful "Turkish Patrol," the only piece that will be repeated, while those who missed the former treat, will be glad of another opportunity to feast their souls with sublime and inspiring music.

Death to the Snodding.—The Gardeners' Club of American Fork has prepared the following petition to the Legislative Assembly:

To the Legislative Assembly of the Territory of Utah.

We, the members of the Gardeners' Club of American Fork City, hereby represent to your honorable body that this Territory has suffered for many years past from the ravages of the snodding moth, which have decreased the revenue of the Territory to the amount of many thousands of dollars and have been detrimental to the interest of the people at large, retarding the interests of fruit culture to an alarming extent; and believing that concerted action on the part of the people, assisted by a law framed through the wisdom of your honorable body (as well as by appropriation, if necessary) compelling a uniform method for the destruction of said pest would not only give immediate relief from the ravages of these insects, but would ultimately result in entirely clearing out the territory of these pests. And we, your petitioners, would humbly pray your honorable body to take some action in the premises, and thereby confer a blessing upon the people as well as cause an increase to the revenue of the Territory, and in duty bound your petitioners will ever pray, etc.

The De Witt Society.—Last evening, a number of young gentlemen, residents of the 11th Ward, met and organized a Society, with the above name. Its officers consist of President, First and Second Counselors, and a Secretary. Its object is for the study of sacred and profane history, and various branches of education. Mr. D. R. Jones is Principal. Success.
