OGDEN.

OGDEN, UTAH, - NOV. 11, 1893.

Fourth District Court.

The Charles Webb damage suit against the Fremont Park Water Company occupied the attention of Judge Miner yesterday. The suit is the one in which the plaintiff claims damages has been done the water company to the amount of $5,000 by reason of his farm being flooded with the waters, which are said to be mineralized, of the Fremont Park canal, thereby causing said farm to become barren and unfit for cultivation. The case was conducted up to the hour of adjournment last night.

Republicans Will Celebrate.

Chairman Whipple of the Republican Central committee of this place has issued the following call which is self explaining:

On Monday night, November 13th, 1893, a meeting will be held in the Grand Opera House of Ogden, for the purpose of congratulating Utah and the country upon the recent glorious victory of the Republican party. Every Republican in Utah is hereby specially invited to be present.

A Case of Interest.

Annie E. Evans, some few years since, was granted a divorce from her husband, Howell Evans, by the Probate court of Weber county, alimony to be paid monthly, was also allowed. Mr. Evans continued paying the stipulated alimony until about two months ago when he married again and the income is the only support. Yesterday she petitioned the probate court for an order requiring her former husband to show cause why he should not be punished for contempt in refusing to pay the money. The hearing of the petition was set for Nov. 23, when the question will probably be raised as to whether the probate court has jurisdiction in divorce proceedings.

Missing Cattle Accounted For.

The people of Huntsville and Eden have lately missed a number of cattle which they could not account for. Last Wednesday Sheriff Bishop started for that locality with a view of determining the cause. Suspicion had rested on one Hyrum Farrell, and the sheriff, accompanied by the constable of Eden, went to Farrell's ranch where they discovered the missing stock. Nearly twenty hides with the brands cut out. Farrell was immediately arrested and will probably have a hearing today.

Sunday School Conference.

Richard Ballantyne, Stake superintendent of Sunday Schools, gives the following notice: "By order of the First Presidency of the Church of Jesus Christ of Latter-day Saints a general conference of the Sunday Schools in the Weber Stake of Zion will be held in the Ogden Tabernacle, Sunday, Nov. 12, 1893; meetings at 10 a.m., 2 p.m. and 7 p.m. Parents and the general public are invited. Officers and teachers of all the schools of the Stake are expected to attend.

Notes and Personals.

Commissioner Gideon is still confined to his room on account of sickness.

Clarence E. Holt, the theatrical manager from Boston, is at the Pacific hotel.

Five car loads of Utah potatoes were shipped east over the Union Pacific yesterday.

The grist of bibbs that were taken before Justice Cahoon yesterday were disposed of thusly: two were given twenty days and the remaining six will languish in the city jail for ten days.

Prevention is Better

Than cure, and those who are subject to rheumatism can prevent attacks by keeping the blood pure and free from the acid which causes the disease. You can rely upon Hood's Sarsaparilla as a remedy for rheumatism and catarrh, also for every form of scrofula, salt rheum, boils and other diseases caused by impure blood. It tones and vitalizes the whole system.

Hood's Pills are easy and gentle in effect. 25

Positive and Negative.

The Rare Qualities of Hood's Sarsaparilla are unequaled by any other medicine. Disease dreaded through all fears. But good health attends all who take Hood's Sarsaparilla. Hyspepsia is a great foe to the human race. But Hood's Sarsaparilla puts it to flight. Sores can be cured by the most certain of diseases. But Hood's Sarsaparilla expels it from the system. The people of this city, this Hall, and this locality, find Hood's Sarsaparilla is a wonderful remedy for them. Catarrh is one of the most dangerous of diseases. But Hood's Sarsaparilla is sure to relieve and cure it. Rheumatism finds the system like a fortress. But it certainly battles the power of Hood's Sarsaparilla. Loss of appetite leads to many evils. But Hood's Sarsaparilla makes the digestive organs tone themselves. Life is short and time is fleeting, but Hood's Sarsaparilla will lend humanity to the ages following.

PROVO.

PROVO, UTAH, - NOV. 11, 1893.

Insane Asylum Board.

A session of the board of directors of the Territorial Insane Asylum was held yesterday. The following business was transacted:

Contracts for furnishing supplies for the ensuing six months were awarded as follows:

Howe & Tuft, groceries; Smart Bros. Co., drugs; Penny Sparkhawk, beef at 6 cents a pound for the first two months and 5½ cents for the following four months, contract at 5 cents.

The treasurer reports the purchase of 10,000 worth of coal for Territorial warrants at par.

Salaries and several small claims were allowed.

Bogall at Roberston.

Whether Hugh Dougall, Republican, of Alta, Salt Lake, Democrat, will be the next member of the Legislature from the Eleventh representative district is still a question. At present neither political party is willing to concede the election to the candidate of the other, and neither is confident that he was rightfully elected. With illegal registration and voting on election day it is impossible to tell which candidate will be elected, as neither will have a majority of more than three or four.

Court Business.

The case on trial in Judge Smith's court is the suit of Fish Springs Mining Co. vs. Charles Crandall et. al. It is brought by the plaintiff company that defendants have trespassed on their property, the Cottonwood mine, and have extracted ore therefrom. The defense deny the trespass and the laying of plaintiff's survey, claiming that it belongs to them (defendants) as the mine of the vein is on their location (Crandall and Utah mines). The case will occupy several days. In the district court yesterday, Judge Judge took up the estimates for the following affay or legal talent: For plaintiff, Brown & Hinkerson and Tanner & Smith—last, 10 defendants, Judge J. E. Sutherland, Marshall & Judge and W. H. Judge.

A decree of foreclosure for $1135 and ten per cent attorney's fees was made in the case of Amos D. Holloway vs. the Utah Foundry & Machine Co.

David S. Wood was granted a divorce from Mary Wood on the ground of desertion.

In Justice Wedgwood's court, Ira Clark was yesterday afternoon bound over to await the action of the grand jury in the sum of $200, on the charge of stealing an overcoat. With a deadly weapon, to wit, a knife, on the 5th inst. George Clark. Immediately after the hearing the case before Commissioner Dudley and others on a complaint making the same charge against George.

Married.

Alma Daft, one of Provo's energetic young men, and Miss Maggie Riley, an American Fork belle, have been united in wedlock bonds.

PARK CITY.

PARK CITY, - NOV. 11, 1893.

General Items.

During the week just ended, Park City has been swimming smoothly.

Snow storms have been the rule nearly every day this week, and the nights and mornings have been very cold.

Mr. J. J. Daly spent two days this week in the camp looking after his many interests here. His election by a unanimous vote in the Fourth precinct of Salt Lake has not turned his head.

Mrs. W. S. Hedges and son, and Mrs. Louis Wells, Miss Lyde Wells and Mrs. Foster, of New York, were visitors to the Quickie mine and mill on Friday.

The Election.

The election news was eagerly sought for by all classes of people, there in Park City every candidate of the Republican was elected by a greater majority that the entire combined of Democratic votes cast.

A. Hatch & Co. of Ogden shipped a car of flour to Salt Lake during the week.

A fight is now on hard amongst office seekers for the rich plum of any material. The only district will have the meeting of the officers. Quite a large number of persons are after the office.

Ore Shipments.

Ore shipments still continue at a lively rate, and the sampling mill is now ten consecutive days. One car of 200 tons of Silver King went to the Mingo smelter and one to Germania.

The Ontario and Marsac mills are making quite a larger amount of bullion than ever before, and during the month of October the Ontario shipped more bullion than for any one month during the past five years.

The Collins House opens on the European plan, from $2.00 and $2.50 per day. George Collins, Assignee.
