After a while when they are purified then we will bring them to Zion if they wish to come and serve the Lord. they wish to serve themselves let then serve themselves, and if the Davil, let them serve him.

My prayer for you this morning is, that you may be servants of the most high God, but if any of you find a man or woman who will not serve the Lord do not lay a straw in their way to hinder them from serving the devil, but give them a dollar to help them to a wagon to speed their way out of this community. It would be better to do so than to keep them here when they have no disposition to love and serve the Lord. are better without them.

are better without them. Judge not that ye be not judged. Let no man judge his fellow being unless he knows he has the mind of Christ within him. We ought to reflect seriously upou this point. How often it is said, 'such a person has done wrong, and they cannot be a saint, or they would not do so.' How do we know the lifes, who are now on their road to this land, and 'such a person has done wrong, and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot 'such a person has done wrong and they cannot ' the Sabbath by staying away from meeting, riding destinution. about the city, hunting horses and cattle or work-

can Elders who have been their ristors, our solve teams, teamsters, and vagous to that all the Bishops al-trifting thing occurs that does not appear right to them, and they say in a momout, that elder is not a Latter Day Saint.' Judge uo man. A per-son who would say another is not a Latter Day of August, that we may know how much we can the appear of the component of the component of the component of the son who would say another is not a Latter Day Sant for some trilling affairs in human life, proves assist, and where we can send the coming emigra-that he does not possess the Spirit of God. Think tion. of this brothren and sisters, write it down that you may refresh your memories with it; carry it with you and look at it often. If I judge my brethren and sisters unless I judge them by the revelations of Jesus Christ, I have not the Spirit of Christ, if I had I should judge no man. This is true doctrine. Now let the new comers especially remember not to judge their brethren and sisters. A great many sitin judgment upon me, and upon this people; and I have a right to judge as well as they. Were I to pass my judge-Judge as well as they. Were I to puss my judge-ment upon those who judge me and this people, I would do it in the language of Joseph in the dia-logue we have in print; in it a question is put to Joseph as follows: 'Joseph are you Jesus Christ? No but I am his brother.' Will all the people be dermad who show Latter Duy Salats?' Yee and a great many of them except they repent speedily. I will any further, that many of the Latter Day Saints except they learn their lessons esudid opinion.

There are familes with us here with whom I have been acquainted from the beginning, who have ideas of the things of this world that appear ther, Bro. Gaunt does not yet furnish the new strange to me. They have a strange conception felting which was ordered long ago. of the good things of the earth. Upon this item especially I wish the saints of God to concentrate

there are ten families in the branch, aud ullow them to be worth ten thousand dollars each. Nine of the ten lose their property by lawyers, by brothers, by their fathers, or by some person who robs them on the way; and they have only enough left to get here. One of the ten is form-nate enough to save his property, and has it in ing. sage of this or that poor family until he expends all his money, and he also arrives here nuked. Now take these ton families and put them together, from the nine whose property has gone into the hands of the wicked you will not hear one murmar or complaint out of their lips, where

human life from the beginning. Allow me here to say to the skints, that I have

accumulated a great amount of wealth in my Office. time, and I call upon all who are acquainted with Such conduct on the east half of our mail you to follow,

throats get means from a member of this Church of 13 votes; the fate of the amended Bill in the harbor. it hurts my feelings. How much better would it be to hand it over to the proper person, saying, 'take this, feed the poor saints and do good with it.' Who can realize that the Lord can put a great amount of property in their hauds in a short time, or take it from them again 7 I can realize the to a setting domain of great loss. There are numerous accounts of great loss of wealth locked up to-day, and hald checks for immense sums on the best banking institutions in rivers, accompanied by a proportional loss of the world; but have I any surety that I shall be life. worth a cent to-morrow morning? Not the least. The Lord Almighty can send fire and destruction when he pleases, destroying towns and swallowing up cities in the bellowing earthquake. He can set up kingdoms, and muke communities wealthy, with poverty, distress, and sore afflictions. Who can realize this? All the world ought, and waving in our pure mountain breezes. All especially the saints.

I wish to impress another thing upon your minds; an elder who is willing to preach the gos-pel borrows a hundred or a thousaud dollars from you, and you never have breathed the first com-our next. laint against him until you came home to this Valley; hut after you have been bere for a few days you follow me round, and fill my ears with complaints against this brother, and ask me what he has done with your money; I say I do not just below the city bridge, and from the left know. Thus you are distressed, and in misery all the day long to get it back again. If an elder bes bank of the Jordan. As she slid from the ways, borrowed from you and you find he is going to and rested gracefully upon the water, the Gov spostatize, then you may fighten the screws upon him; but if he is willing to preach the gospel without purse or scrip it is none of your business what he does wi'h the money he has borrow-ed from you. The doctrine of bro. Joseph is ed from you. The doctrine of bro. Joseph is that not one dollar you possess is your own, and it the Lord wants it to use let it go, and it is none of your busicess what he does with it. Should it be luid out to pamper the lazy? No. But you can see those who have been out on missions his wheat, south of the city, to-day (Thursday try right and left trying to get a living by the and a quantity more will be ready soon.

But you say, 'what has he done with my money? He has prehaps helped that poor family with it to gather or they would not have been here. If you murmuragainst that elder it will prove W. Mac, have arrived in our city, in advance of the state of gather of mode to the your damnation. The money was not yours, their trains or goods, and open now on the road to but the Lord Almighty put it into your hands to value of one million dollars are now on the road to ese what you would do with it.
