Special Business Notices.

FRUIT AND PRESENTS FOR CHRISTMAS.—Our lady friends will be pleased to learn that Mr. Teasdel, of the Eagle House, after Dec. 1, will sell all Christmas fruits cleaned and prepared ready for use, which will certainly be quite a convenience. His supply of presents is very full and complete, being of the more useful and substantial kind. He still purchases good dried apples, and pays the highest market price in cash for dried peaches, apricots and plums. See his advertisement in another column, and give him a call.

THERE will be a performance at the Theatre to-morrow evening. Plays—a comedietta and "Ireland As It Was," with "Illuminated Fountain."

RALLY ROUND TO-NIGHT at the theatre and witness the marvelous performances of *legerdemain* by "Carabaraba," adopted son of the great "Abracadabra, demon of the Nile." The Professor is allowed by experts to be the greatest living magician and Mephistopheles of modern times. A grand musical treat is also in store on the same occasion, as the great baritone from California, Mr. Jno. W. McKenzie, who will sing two of his popular songs in full sailor costume. Mr. Thomas Croft will play a solo on the cornet, and Mr. James Broughton one on the trombone. The entertainment will conclude with imitations by Prof. St. Jean (Carabaraba) of male and female voices, and different instruments, such as the hautboy, trombone, &c.

THE performances of the Ware comic opera and burlesque troupe, etc., have been postponed till Dec. 3 and 4, when they will come off without fail.

FOR Coughs and Throat Disorders, use "*Brown's Bronchial Troches*," having provod their efficiency by a test of many years.

IMPORTANT TO THE TRAVELING PUBLIC.

It is the duty of all persons before starting on a journey to ascertain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel rails.

The Depot in Chicago is centrally located, and as their trains arrive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made at Chicago with the Lake Shore & Michigan Southern, Michigan Central, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets on the Old Pioneer Route—
The Chicago and North-Western.

You will find on all through trains Pullman Sleepers, new and magnificent Day Coaches, and the best Smoking and Second Class Cars now on any road in the United States.

Particular information with maps, time tables, etc., may be had at any of the Through Ticket Offices in the West, or upon personal or written application to J. W. Irons, Ticket Agent, Salt Lake City, A. H. Earl, Ticket Agent at Ogden, or to J. H. Mountain, Western Traveling Agent, Omaha, Neb. or to W. H. Stennett, General Passenger Agent, Chicago. d54

THE RESURRECTION.—To accomodate the public and meet the great demand for President Young's discourse on the "Resurrection" it has been determined to issue an authorized edition, in pamphlet form, neatly got up, in paper covers, and sold at ten cents a copy. It is now ready, and can be obtained at the NEWS office.

G. W. DAVIS announces that he has ready for his customers a fine assortment of Christmas candies and sugar toys, which he offers to the trade in job lots to suit customers, and he invites one and all to go and see them.

GREAT BRITAIN.

Don Carlos has Frightened America and Saved Cuba—Republicans Arrested.

LONDON, 23.—The Carlist official organ claims that Don Carlos has saved Cuba and the honor of Spain, his recent offer of truce having caused the Americans to modify their attitude.

Intelligence has been received from Madrid, by way of Lisbon, that some Republicans were arrested there at midnight on the 18th inst. Further arrests were feared and several persons have fled from the city. A revolutionary newspaper was clandestinely circulated.

Admiralty Change.

The *Morning Post* gives prominence to the announcement that E. Ward Hunt, First Lord of the Admiralty, will resign and probably be succeeded by Lord Henry Lennox.

FRANCE.

A Painter Dead—Cassagnac Speaks and Promises.

PARIS, 23.—Alexandre Colin, the painter, is dead.

Paul de Cassagnac addressed a Bonapartist meeting in Belleville to-day. Thirty thousand people present loudly cheered the speaker, who advocated the plebiscite, and promised in the name of the empire the suppression of the octrois and the establishment of an income tax.

Our Country Contemporaries.

Ogden *Junction*, Nov. 23—

We were happy to see Mr. John Douglass in our office this morning, and to learn that he had entirely recovered from his late severe attack of typhoid fever. He exhibited to us three pears raised in his garden at West Weber, weighing in the aggregate 5½ pounds. How is that for pears?

Yesterday Mr. Neal J. Sharp took possession of the Post Office in this city, Mr. C. H. Moore, of Salt Lake, acting as his assistant.

Mr. Joseph Hall retired, having received notice of his *suspension* from President Grant. The appointment of Mr. Sharp is necessarily *pro tem.*, as the U. S. Senate is not in session. His permanent holding of the office depends on such action as may be taken by the Senate when it assembles next December or in thirty days after it convenes.

There is some talk in town of a testimonial to Mr. Hall and his daughter, Miss Thirza Hall, who have served the public faithfully and officially, and who are not removed for any dereliction of duty, but simply to make way for political appointments. We hope this project will be carried into effect, and that an opportunity will be given to the many friends of Mr. and Miss Hall to express their approbation of the course pursued by the lady and gentleman, who are respected by all classes of the community.

THUS IS THE
MEDICINE OF NATURE
For Destroying and Expelling all Kinds of Worms, Cleansing the Body, Blood, &c.
SYMPTONS OF WORMS.
A few of the most Common Symptoms which indicate the presence of worms:—Changeable Appetite, Offensive Breath, Pains in the Stomach and head, Grinding of the Teeth during Sleep, Pale Face with Hollow Sunken Eyes, Itching of the Nose and Fundament, Irregularity of the Bowels, a Short Dry Cough, Loss of Spirits, Feverishness and Disturbed Sleep, Rising in the Throat causing Sickness, &c.

DO NOT LET YOUR CHILD DIE.
Shall the bud of infant bloom
Soon be hurried to the tomb?
Mother, you with watchful eye,
Do not let your darling die.
Mark the dullness of that eye,
All languishing;
Mark that paleness, white and deep,
And the feverish fitful sleep,
See the stomach, full and hard,
And the Bowels still debarred,
Mark the spirit, even low,
All bespeaking pain and woe.

SAVE IT—SAVE IT!
Why has your darling never smiled,
The Worm is in your precious child,
And gnaws its vital powers away,
Sinks it to death and dire decay.
Hear then the really welcome sound,
Save it! a remedy is found.
PLANT'S never-failing Powder and Syrup
Assure most sure and speedy relief:
Kills the death-worm, and the gloom
Changes to matchless health and bloom;
It never fails, it never can,
It cures the child, the youth, the man
It's taken, too, with haste,
Not unpleasant to the taste.
Hundreds who have tried it all attest
It is the cheapest and the best.
Try it—try it—try it—try it—
Every parent now should buy it,
Wait not till another day,
Till every chance has passed away;
Make at once the solemn vow
That you will try it—try it now!
Mother, you with watchful eye,
Do not let your darling die.
