THE EXECUTORS DISCHARGED.

At the opening of the Supreme Court this morning, Chief Justice Hunter stated that the court required more time to consider its decision in the certiorari matter, and would therefore take a recess until

At that hour the court room was well filled with spectators, while inside the bar were the Executors, SOLID, SUBSTANTIAL AND counsel, the officers of the court, AND SLIPPERS, recommended After some delay Chief Justice Hunter and Associate Justices Em erson and Boreman entered, and

the first then read the following:

tion. \$2.00 per gallon, course by it; and it is extremely effication. \$2.00 per gallon, coursed by sprains. It nullings the suffering caused by sprains. It nullings the danger of diseases have occurred in almost every State of the Union, and with them as a guide, we will not be apt to go far wrong in the judgment we are now called upon to pronounce. While cases the tiolet, it is far preferable to or dinary soaps, on account of its superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the Superior cleansing and emolient qualities, and for bleaching fine articles of needle work and white woolen, cotton and linen fabrics, it is upon by courts ether than the fabrics are not necessarily binding upon to promounce. While cases are concerned, men learned in the law are respect-ed. Uniformity of opinion of what is the law, strengthens the arms of justice, and enables those who have its administration in hand to act

its administration in hand to act with promptness and reasonable certainty, and when the quality of uniformity is found, it would persent the self to the use of families in which there are children who are liable to contract, at school or elsewhere, diseases of the skin, to which it is the best known a libte.

Sold by Druggists. Price 25c, per cake. 1 Box (3 cakes) 75c. sent by mail, prepaid, on receipt of price. C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York.

Hul's Hair and Whisker Dye, Black or Brown, 50c.

Its administration in hand to act with promptness and reasonable certainty, and when the quality of uniformity is found, it would persent the set of uniformity is found, it would persent the certainty, and when the quality of uniformity is found, it would persent the set of uniformity is found, it would persent the set of uniformity is found, it would persent the certainty, and when the quality of uniformity is found, it would persent the set of uniformity is found, it would persent the set of uniformity is found, it would persent the certainty, and when the quality of uniformity is found, it would persent the court to punish for an alleged contempt, though undoubted, is in its nature, arbitrately and took it to market on Tuesday, and s case in point of jurisdiction within the provisions of the law by which such proceedings are author-ized, for mere presumptions and intendments are not to be indulged in their support."

A single question is raised in this case, namely, Did the Third District Court of the Territory of Utah exceed its jurisdiction, or did it have jurisdiction in the matter of the contempt? To arrive at a solu-

tion of this question, and for present purposes, we will only refer to our conclusions as to the sufficiency the affidavite on which was based the order of attachment. It based the order of attachment. It The writer was personally ac is the opinion of the majority of quaisted with both of the young thers, who of all others have felt the court, that it is necessary in all proceedings for contempts in this The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for court, the facts are affidavitable to the religion of their fathers.

Quaisted with both of the young missionaries. They were devoted to the religion of their fathers.

This young man (Standing) for no offense but that he dared to preach as other missionaries do, to make converts to his faith, must fall a victim to a vile mob, and his Court, stating the facts constituted with both of the young missionaries. diction, that an affidavii or affidavits be presented to the Court, stating the facts constituting the contempt. That it will not do to state in the affidavits in general terms, a conclusion of law, that the party has been guilty of a disobedience to the order of the Court, or be in such indefinite form as not to show a particular or a series of particular disobediences. It must state the particular act or acts of disobedience, and in such clear DIES, Cales, Concision and Control of Management of the contempts of the control of disobedience, and in such clear and unmistakable language that will give to the Court knowledge in

Juvenile Instructor.—Number 17 of the present volume is from the press. Its principal contents are "A Wonderful Flower," Blography of Joseph Smith, the Prophet," disobey was evinced by the Executors.

"Southern Indian Tribes," "Elijah and the Widow," "Editorial Thoughts," "Among the Australians," and "Scientific Dialogue." Other articles on divers interesting subjects also go to make the present issue a very interesting one.

To order will therefore be, the habits of life which induced the disease; the effect of the great-the disease; the effect of the disease; t the said George Q. Cannon, Albert Carrington and Brigham Young be discharged."

Judge Boreman dissenting. At the conclusion of this the Su eme Court adjourned sine die,
