GOYEROR BLACK'S DISCOURTEST.

Taking the telegraphic accutate of the aution of Governor Black of New Yark, in retaining to behow the requisition of Governor Wells of Ulah her the retears of two young men colorigest with rubbing as Ogdee bank of \$5,200, the only conceined to be arrived at its Hat Discourage of the Empire date had been guilty of an set of gross discourage to the susceptive of another Busic. We are not discussing the fault of falsily of the susceptive of mother busic, we are not discussing the fault of falsily of the susceptive of mother busics. But the fact is that a criminal claims was charged against them, each offices as smilles this State to seem to the second of the second them to see the second of th GOVERNOR BLACK'S DISCOURTEST

CEBAR CITT WINS.

CEBAR CITY WINS.

The Naws wishes to congraturate the good rolks of Cedar City upon their success in securing the location of the branch of the Siste metmal settled. The commission decided this affermoon to make its recommendation to the secretary of este, unmainmously endorsing Cedar City as the place where the school cought to le. The other places in competition, Beaver, Parswan, sich, all made a favorable impression on the educators, and the liberal offers and good will of the people of those places were highly appreciated; that of course all could not get it, and Cedar City came in just a little shead. The cruminatur feel that the good fells of that fown glacily that the good fells of that fown glacily that the good fells of that fown glacily that the good fells of that fown glacily

EMPLOYING SCHOOL TEACHERS.

transfer we to want course easily pursued.

In view of conditions which have straight form and alsowhore, the sation caused for and alsowhore, the sation caused for a fairly construed as initiated to the employment of competent famale teacher, married or singing but it does open the way to climinating an abuse which has prevent described for as being a but to prevent marriage, that is stored. If a couple want to get marrie, it will take more than such a take to stop them; and if there he say person of them; and if there he say person in the miserifus personal on the take the same that could be manned her, married women have a valied the miserifus to the reportinity to get position; as should be also her, married women have a valied the mistre of the reportinity to get position; and the strain of dismestic life that fall to the wife, when their responsibilities of dismestic life that fall to the wife, when their responsibilities of dismestic life that fall to the wife, when their responsibilities of dismestic life that fall to the wife, when their responsibilities of dismestic life that fall to the wife, when their distribution, the cases bott in public position, thus drawing a thould reside the sate of the distribution of the public of the sate and their confugations to seciety nearest should to not sight; where the material resistions of the sate and their confugations to exceed the women fall to be the sate and their confugations to exceed an auto-place in the removes any election in a mure rigid appliestion of the policy of excludion. At the same time, the order agreed upon by the board is a rottle to the community that the public schemes will not hold before the children an example of evadium such that sould sould be selected to the same and accept.

tion to the successive of state, unant-mously andorsing Ceder City as the place where the school ought to be. They other places in competition, Beaver, Parawan, site, all unde a favorable interpretation the education, and the liberal offers and good will of the people of these places were highly appreciated; but of course an could not age it, and Ceder City came in just a little sheat. The commission resistant fraged filed that town glastly would feel better, and there would be that the good fells of that town glastly will welcome the united friendamp of those who live in the stherplaces, and that the latter, now that the good fells of that town glastly will complied a section of the control of the proposal state that good and that the latter, now that the proposal echows, and with the place dended upon. Houtbern Clain needs the priposal echows, and with the finish that part of the State will join making it actions, we comprain late the respite of Celar City and at the south generally, wholing from the establishment of such as institution.

THE INDIAS FARIXE.

By request of Mr. Win. Cowjet pain the south general by an inflate individual that so the people of Celar City and at the south generally will not be a consistent of the proposal and the south generally wholing from the establishment of such as institution.
