

LOCAL AND OTHER MATTERS.

SABBATH MEETINGS.—In the morning the congregation was addressed by Elder Joseph F. Smith; in the afternoon Elder Geo. Q. Cannon occupied the time.

RAILWAY ACCIDENT.—On Saturday last, the westward bound train on the U. P. R. R., when between Aspen and Evanston, at a point some distance east of Bear River, ran off the track in consequence of a spread in the rails caused by the weight of the train, and a disastrous accident was the result. From passengers on the train we learn that every car but one was thrown from the track, occasioning several deaths and wounding from forty to fifty others. Two bodies were obtained and it was believed that some others were under the cars, which had not been lifted when our informants left. The train proceeding the one which was thrown off was driven over the place where the accident occurred with considerable velocity and escaped without damage.

THEATRICAL.—On Saturday night "Peep O' Day" was repeated to a very good house. The play was rendered with considerable spirit and the applause was frequent.

To-night Mr. Margrett takes his benefit, and presents Shakespeare's great play of "Henry IV," in which he will appear as Falstaff. The character is too well known by everyone acquainted with Shakespeare, and who is not to require comment. It is a perhaps the richest piece of comedy in the English language. King Henry IV. will sustain the role of Lady Percy; Mr. McKenna that of her husband, Hotspur; Mr. Wilson the boon companion of Falstaff, yet truly brave "Prince Hal;" Mrs. De Bar, Dame Quickly, and Mr. Lindsay King Henry. We bespeak for Mr. Margrett the crowded house he deserves.

To-morrow night, we believe, the burlesque of "The Field of the Cloth of Gold," which was so successfully played and so well received on Saturday night, will be repeated. This is one of the best written and most amusing burlesques we have ever seen.

RETURNED.—Elders Albert Lutz and Henry McEwan, just home from a short vacation to the Eastern States, called this morning; they were accompanied by Messrs H. H. Barnard and G. W. Margerum, the former a member of the house of Barnard & Son, of Calais, Me., traveling for pleasure; the latter, a shipwright, en route from Philadelphia to the Mare Island navy yard. All four gentlemen were aboard the train on the 17th P. M. R. R. to which the accident happened on Saturday, but all very luckily escaped injury. Messrs Lutz and Margerum jumped out of the last car after the commencement of the accident; the car in which Mr. Barnard was seated fell down an embankment fifteen or twenty feet high, but he got under a seat and braced himself there and so escaped injury. They all reached this city from Ogden last night.

Elders McEwan and Lutz feel great pleasure in reaching their homes in the Valley once again. Messrs Margerum and Barnard have been companions of the late Elders Lutz and McEwan some portion of the way from the States hither, and the two former gentlemen were profuse in their expressions of gratitude to the latter for the politeness and attention shown them on the way and since their arrival here.

A PROMISING YOUTH.—Frank Tressler, a youth of about fourteen years of age, was this morning fined \$5 for fighting in front of the Theatre on Saturday afternoon. In the course of the examination, the fact was elicited that this same youth, some three months ago, purchased a bride from the premises of H. B. Clawson, Esq., and sold the same at a middle and harness shop, on Second South street; for this offence he was sentenced to pay a fine of \$10, or to take his place in the chain gang, with a proviso that, should he conduct himself well, he should not be burdened with ball and chain. Several acts of misbehavior were proven against this incorrigible, and it is to be hoped that the punishment inflicted will have a tendency to check him in his foolish course.

A RISING ARTIST.—We have had the pleasure of viewing an oil painting of Locomotive No. 1, U. C. R. R., crossing Weber river bridge, with Ogden city in the distance, the work of Bro. J. A. Ursenbach, son of Octave Ursenbach, Esq., of this city. For the last three years this young gentleman has been devoting his attention to painting, and lately has been under the tuition of G. M. Ottinger, Esq. The painting has been submitted to the leading artists of this city, who pronounce it a work of promise, and are of the opinion that if the author will devote time to the study of his art, he may become an ornament to the profession.

CARCUS MEETING.—On Saturday afternoon a caucus of the citizens of this city was held in the Tabernacle for the purpose of nominating city officers, to be elected on Monday, the 14th proximo.

Bishop Edward Hunter was elected Chairman, and Paul A. Schettler Esq., Secretary of the meeting.

A nominating committee was appointed by the chair, consisting of Messrs Willford Woodruff, Geo. Q. Cannon, and J. C. Little, who nominated the following gentlemen: Mayor, Daniel H. Wells. Alderman for First Municipal Ward, Isaac Groo. Alderman for Second Municipal Ward, S. W. Richards. Alderman for Third Municipal Ward, A. H. Raleigh. Alderman for Fourth Municipal Ward, Jeter Clinton. Alderman for Fifth Municipal Ward, A. C. Pyper. Councilors—Theodore McKean, Thomas Jenkins, Robert J. Barton, John Clark, Henry Groo, Heber P. Kimball, Lewis S. Hills, Thomas McLellan, John R. Winder. City Recorder, Robert Campbell. City Treasurer, Paul A. Schettler. City Marshal, J. D. T. McAllister. The minutes were submitted and unanimously approved by the meeting. Speeches were made by several speakers when an adjournment sine die took place.

will remove with little trouble, every variety of Grease or Fat from your Coat, Vest, Pants, Hats, Dresses, &c., without injuring, in the most remote degree, the finest fabrics. It is also very useful in removing the grease and dirt from doors and jambs much used by kitchen hands. Besides this it will kill Bed Bugs as well as their eggs and destroy the head lice a charm, creating a fine lather and removing every vestige of dirt and dandruff in a twinkling. It does the hair no harm being principally composed of Nitrogen—the element which enters most largely into the composition of hair.
