IMPORTANT TO THE TRAVEL-ING PUBLIC.

It is the duty of all persons be fore starting on a journey to ascer tain by what route they can reach their destination with the least trouble, and if there are two or more roads leading to the same point, to decide which is the safest and pleasantest to travel.

We take pleasure in stating, that the CHICAGO & NORTH-WESTERN RAILWAY is the oldest, and several miles the shortest, route between Omaha and Chicago. Within the past two years the road bed has been put in admirable condition, and almost the entire line has been re-laid with steel ralls.

The Depot in Chicago is central ly located, and as their trains ar rive there thirty minutes in advance of all other lines, passengers can always be sure of making Eastern connections.

Close connections are made Chicago with the Lake Shore & Michigan Southern, Michigan Cen-tral, Baltimore & Ohio, Pittsburg, Fort Wayne & Chicago, Kankakee Line and Pan Handle Routes, for all points; EAST and SOUTH-EAST.

If you are going to Chicago, or East, you should, by all means, purchase your tickets b the Old Pioneer Boute-
