

WRESTLING MATCH TOMORROW NIGHT

Hard Struggle Expected Between
Charley Ross and Frank
Lewis.

EACH MAN FEELS CONFIDENT.

Both Claim to be in Fine Condition
—Will be the Second Contest
Between Them.

At the bicycle track at the Salt Palace, tomorrow night, Charley Ross, champion of Utah, and Frank S. Lewis, former middleweight champion of the world, will engage in a championship of the mat, and a terrific struggle is expected.

It will be the second meeting of this pair of knights of the mat, and the contest is sure to be a determined one. The first was scheduled for last Friday night, but rain spoiled it, and the bout was postponed until tomorrow night.

Both men are confident of victory, and each declares himself to be in perfect condition for the match. In their last meeting for the title, Lewis, but the latter says that he has a different story to tell after tomorrow night.

The match is set for two out of three falls, no holds barred, and at catch weights. The winner will receive 75 per cent of the gate receipts and the loser 25 per cent. In addition to this, there is a side bet of \$100. There is a great deal of interest in the match, and owing to the popularity of the two men, a large crowd is expected to be on hand. The wrestling has been the bicycle track from the management of the resort, which took place in the grand theater last winter, was probably the most successful match ever witnessed here. Ross and Lewis are evenly matched, and no matter who wins, he will have to put up a battle of his life. Several interesting preliminaries have been arranged for.

TO KILL THE DANDRUFF GERM.

Is the Only Possible Way of Having an Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure that he has dandruff to amount to anything. In nearly every case where women use it, they find that it kills the germ that causes dandruff. There are hundreds of preparations that claim to cure dandruff, but not one will kill the germ. The result of a germ burrowing into the scalp and its consequent falling and itching, can only be cured by killing the germ; and there is no other preparation that will destroy that germ but Newbath's dandruff. "Destroy the cause, and you remove the effect." Sold by leading druggists. Send for literature for sample to The Herpelde Co., Detroit, Mich. Z. C. M. I. Drug Co., Special Agents.

WALTHOUR'S NEW RECORD.

At Charles River Park He Broke Mark For Thirty Miles.

Cambridge, Mass., May 31.—Bobby Walthour, at Charles River park tonight, established new world's records for pace followers by riding thirty miles in competition in 32 minutes 52 seconds. Four men started in the race—Bobby Walthour, Nat Butler, George Leander and William Stinson. Leander took the lead at the start, but was passed by Walthour in the second mile, and the southerner equalled the world's record at four miles and established new records up to the end of the race. The previous record, made by Harry Caldwell in 1903, was 32 minutes 43 seconds.

Stinson was not properly going when the gun was fired and retired after a few laps. Walthour easily distance his other competitors, Leander finishing second and Butler third.

Lajoie Gets Back.

Cleveland, May 31.—The suspension of Captain Lajoie of the Cleveland ball club has been recalled and Lajoie will play in tomorrow's game, the weather permitting a game.

Lajoie is a member of the Order of Eagles. Tomorrow had been advertised for several weeks ago, but at the last moment, Lajoie had been recalled to the club. A telegram to President Ban Johnson praying for a recall of the suspension was replied to today by Mr. Johnson's removing the bar against the second baseman.

Amateur Golf Games.

London, May 31.—The amateur golf championship contest opened at Sandwich today in wet weather. There were 24 entries, including half a dozen Americans, namely: Walter J. Travis, C. E. Dick, E. M. Byers, W. W. Burton, F. O. Horstman, C. Emmett and J. Waller.

Four days will be occupied with the championship games, the first round commencing today. The first round was played by Walter J. Travis, C. E. Dick, E. M. Byers, W. W. Burton, F. O. Horstman, C. Emmett and J. Waller.

Walter J. Travis beat H. Holden by four up and three to play.

E. M. Byers beat C. E. Dick, two up and one to play. This was one of the most surprising results of the day, as Dick, a Scotch international player, showed great form in the recent St. George's cup contest.

In the second round D. E. Emmett beat Gilbert Elliott by one hole and Crawford Hutchinson beat Moller by one hole.

Burton beat A. Cant by two up and one to play. Walter J. Travis beat Roy Graham Murray, son of the secretary for Scotland, and Byers will meet J. Williams in the final round.

The American method of negotiating styles by knocking an opponent's ball around while your own is dribbled into the hole was a revelation to the Britishers.

Rain Spoils Races.

London, June 1.—The wet weather is having a depressing effect on the Epsom meeting, a social function and threats to mar the enjoyment of one of the most interesting derby days of recent years. The probability that France will carry off the blue ribbon this year tends to the event an unusual interest, and the great favorite, the great rider, George Turpin, will ride his brother's horse, John O'Grant, stimulates the popular fancy.

The king witnessed yesterday's racing, and it is expected both he and the queen will see the great race. The starters, jockeys and betting follow:

Andover (Lane), 100 to 8.
Governant (M. Cannon), 7 to 4.
Lancashire (Dillon), 1 to 1.
Henry I (Madden), 1 to 1.

John O'Grant (Thursby), 11 to 2.
Coxswain (Butcher), 100 to 1.
St. Denis (Halsey), 50 to 1.

SPORTING NOTES.

Next Sunday the Short Line and Eureka baseball teams will clash again at Eureka. A second game will be run from Salt Lake to Eureka.

The last ball game in the interscholastic series was played yesterday afternoon between All Hallows and the Collegiate institute, and resulted in victory for All Hallows by a score of 23 to 1.

New York, May 31.—President Pullman of the National League today approved the release by St. Louis to Butte, Mont., of Pete Dowling.

For assaulting Catcher Bill Hansen, Pitcher Carney of the Spokane club was fined \$25 by President Lucas. Hansen was fined \$5 because he was on the receiving end of the assault. This reminds us of Britt's victory over Young Corbett. James Edward was given an awful beating and won the title. The next time he beats Corbett, he will probably be almost killed.

Sioux City, Ia., May 31.—Jay Andrews is no longer a member of the Sioux City Western league team. At a meeting of the stockholders this afternoon he tendered his resignation, which was accepted. Jay Parker and Jack Messery will be joint captains of the team for the present. Strong efforts are being made by the management to brace up the team.

The ball game played between teams representing American Fork and Lehi resulted in a close victory for Chippewanton, the score being 10 to 3. The teams lined up as follows:

Chicago, May 31.—The University of Michigan was victorious in both singles and doubles in the first round of the Western intercollegiate tennis tournament, played today on the courts of the University of Chicago. Reuben Hunt of Michigan, champion of the states of California and Wisconsin, defeated Bailey of Iowa in a hard fought match. Hunt and Lee, the Michigan team, took away Chicago's chances in the doubles by beating Bingham and Moorehead.

A dozen prominent athletes, composing the New York Athletic club team, will start today for St. Louis to compete in the amateur athletic union championships at the exposition.

Among those on the team are: P. J. Walsh, champion 200-yard runner; Alexander Grant, half-mile runner; W. S. Lanahan and H. L. Gardner, who will compete in the pole vault; S. J. Jones, high jumper; James S. Mitchell, hammer and weight thrower; Richard Sheldon, who also will compete in the shot put; John DeWitt, intercollegiate thrower; Macdonay, Munson, Pratt, Pilgrim and Baintine.

flowers until the eye was bewildered.

At about 10 o'clock the guests were seated at the banquet tables and Judge T. D. Lewis called them to order. After a few feeling remarks, as president of the association, Judge Lewis introduced Waldemar Van Cott as the toastmaster.

Mr. Van Cott was in his element from the start. His stories were rich and his opening talk on "The Trials of a Toastmaster," one of the cleverest features of the night.

Major R. W. Young, in giving his "Council House Memories," was extremely interesting. He paid an eloquent tribute to the memory of John R. Park, and raised over the list of old University students who have achieved fame.

Mrs. Alice Dinwoodey Moyle spoke to "The Old Trio"—Dr. Park, President Kingsbury and J. B. Toronto, who laid the foundation for the present magnificent educational institution.

"On the Square" was a jolly talk by George Halversen, in which he related many things that happened in "ye olden days" of the school.

Miss Ellis Shipp responded to "Climbing"—a clever history of the growth of the University.

Prof. William M. Stewart was heard in behalf of "Our New Members." He greeted '04 with words as eloquent as they were sincere, and a pleasing response was made by Miss Claudia Schneider.

The committee in charge of the banquet consisted of H. J. Wallace, Ray Van Cott, H. J. Faust, Jr., Mrs. C. F. Wilcox, Mrs. Eugene F. Hills, Mrs. Sarah E. Karriek and Miss Mary Connelly.

The following girl students assisted at the tables: Marge Ellerbeck, Vivian Little, Edith Kingsbury, Josephine Wells, Julia Crismon, Mona Wilcox, Nora Van Cott, Elsie Hiltner, Lucy Farnsworth, Florence Kimball and Kitty Little.

Among those who attended the reunion were: Mrs. Emma J. McVicker, Miss Kate Chase, Miss Claudia Schneider, Mr. and Mrs. J. M. Whitaker, R. C. Fowler, Miss Winslow Joseph, C. M. Young, George A. Starkey, Major R. W. Young, John Jensen, Jay Groo, George M. Cannon, J. B. Stewart, Ruth Dal-

Cartwright, Dr. L. V. Snow, Mr. and Mrs. P. L. Williams, William M. Stewart, William W. Riler, Miss Clara Ellerbeck, Miss Ella R. Shipp, Mr. and Mrs. Lillian Connelly, David Howe, W. W. Babcock, J. HIGH SCHOOL ALUMNI.
Annual Reception to New Members an Enjoyable Affair.

The annual reception to new members by the High School Alumni took place at the institution last night and was attended by a larger number of former students than any of its predecessors, held out in the large room, and the decorated in the school colors and national emblems. The oriental scheme was carried out in the large room, and the decorations attracted much favorable comment.

The banquet preceded the dance. R. W. Dole was the toastmaster and was at his best. The toasts responded to were as follows: Miss Myra Bowles, "The Teachers;" Mrs. Flora Griffin Thomas, "The Boys;" William M. McCrea, "The Lascivious of the High School;" Gwynne Officer, "The Engineers;" George A. Eaton, "What the Alumni Association Means;" Miss Evelyn Thomas, "Football;" Harry Fulton, "The Medicine;" Rutger Young, "College Students;" Fairchild Sherman, "The Class of 1903;" Mr. Gillilan, "The High School."

Miss Hallie Perron, president of the Alumni, welcomed the new members and William Fowler, president of the class, gave a pleasing response.

The dance took place on a large dancing floor, laid on the lawn, and canopied with a perfect mass of indescent shades by Japanese lanterns and bunting. The scene was a brilliant one. The credit for the entire success of the event belongs to the executive board

of the association, which consists of the following: Miss Hallie Perron, chairman; Fred Smith, Gwynne Officer, Miss Irma Eberhardt, Miss W. W. Little, Rollin Dole, Mrs. Bessie Ennis King, Alex Eberhardt, Miss Mable Carson, Miss Agatha Berkhof, Miss Kate Williamson, Miss Catherine Biddle, Miss Lillie Pearce and Miss Ethel Thompson.

No. 805 Pease Ave., Houston, Tex., May 14, 1903.

I was without children during the first six years of married life, suffering with painful periods and other aches and pains. I was a poor excuse for a wife, as I was not able to be up more than half the time and daily grew weaker and weaker.

Wine of Cardui changed me into a different woman in five short months, made me robust and strong, ready and willing to assume the burdens and duties of married life. I am today blessed with a fine baby who is the pride of our home and this is all due to your medicine.
