Wanted,

All persons suffering from diseases which have been pronounced incurable by other physicians, or who have been receiving treatment from private practitioners, or using other advertised medicines for diseases of the lungs, liver and stomach, without obtaining relief, to try Dr. Pierce's Golden Medical discovery and Pleasant Purgative Pellets, which have restored hundreds of cases that have been pronounced incurable. All ladies suffering from uterine weakness, and disease, who have been subjected to the barbarous use of mechanical contrivances and torturous operations, without obtaining any permanent relief, touse Dr. Pierce's Favorite Prescription, which imparts vigor and tone to the diseased parts, restoring the natural supporters—the uterine muscles—to their normal vigor and strength.

"What will

Tarrant's Seltzer Aperiient

cure!" ask the sufferer from a multitude of diseases. We answer: It will remove from the system the active cause of most of the diseases that flesh is heir to. It won't mend a broken limb, nor close a bullet hole; but it may be profitably used in stomachic diseases. It will do no one any harm, and may do much good. Try it, and see if it won't suit your case.
