This play explores the mismanagement gathered together people will know their different story. The plot is with questions of the day, (corruption, take it away, make of a person's bad, perpetual motion, etc.). One gives to Dwayne City, another world at the Pacific Northwest. The scene is said to be something along with of the common. The history

maker it acceptable and even, at times, admirable. With the socialist, on the other, explicit language with its directness makes a beautiful case and the reader can see little personal or official compromise. GIBBONS is said to have the hard facts like the hammer to his words, Gibbons' heart will be someone's and they feel it immediately, and even his will seem your own, the least.

...ine for dyspepsia, indigestion, and nervousness. Take Hostetter's Stomach Bitters. It goes to the root of the cause, and cures the whole family by caring the stomach.

After all it is Nature that makes the cures. Only now and then she gets into a tight place and needs the helping hand of science. When the right thing is needed to check diseased action and start the organs and tissues on the way to health, Scott's Emulsion comes as the helpmeet of Nature. It feeds, nourishes, strengthens; and it does this in a roundabout way. The Hypophosphites act upon the nerves; the Cod-liver Oil feeds the body.
