DR. MOTT'S LIVER PILLS are the best Cathartic Regulators. (1)

It seems strange that anyone will suffer from the many derangements brought on by an impure condition of the blood, when BCOVILL'S BLOOD AND LIVER SYRUP will restore perfect health to the physicial organization. It is indeed a strengthening syrup, pleasant to take, and has proven itself to be the best blood purifier ever discovered, affectually curing Scrofula, Weakness of the Kidneys, all Nervous discretes and Debility. It corrects indigestion. It makes the old feel young, and the young feel gay; and will invariably drive out of the system the many ills that human flesh is hely to. A single bottle will prove to you its merits as a health renewer, for it acts like a charm, especially when the complaint is of an exhaustive nature, it aving a tendency to lessen the natural vigor of the brain and nervous system.
