

CORRESPONDENTS writing for publication are requested to write on one side of the paper only. No notice can be taken of anonymous communications. Correspondents' names must in all instances accompany their communications, not necessarily for publication, but as a guarantee of reliability.

**THEATRICAL.**—To-morrow evening Mr. McKenzie will take his benefit, and he has selected a capital comedy and thrilling, stirring drama for the occasion, with Mr. J. C. Orem in a gymnastic act between "Sweethearts and Wives" is one of the nearest comedies in the English language, and his characters are admirably distributed. "Wandering Stevie" is a good plot, and is full of interest, illustrating some of those scenes of strife and violence that at one time were so common on "the borders" between Scotland and England. Mr. McKenzie appears in the role of the wandering musician. The gentleman deserves a bumper house from the public, which we hope to see him have.

Of Saturday night's performance we have, now, only time to say it was a success. Mrs. Romney was greeted with the heartiest applause on her re-appearance, and Mr. Dunbar also received a warm welcome.

**HEAD QUARTERS, NAVY LEGION,**  
Adjutant General's Office,  
Salt Lake City, Oct. 19, 1896.

**SPECIAL ORDER NO. 1.**

1. The muster ordered in General Orders No. 1, of the 10th ultimo, so far as concerns Salt Lake, Utah, Tooele, Davis, Weber, Cache, Richland, Summit and Wasatch military districts, are hereby postponed until further orders.

By order of Lieutenant General D. H. WELLS.

T. W. ELLERBECK,

Assistant Adjutant General.

**BENEFIT OF MR. J. D. MCKENZIE, Tuesday, October 20th;** the beautiful comedy of "Sweethearts and Wives."

**MADAME SCHILLER.**—We have received the Virginia, Montana, Democrat, of Oct. 13th, the first copy that has reached our sanctum for weeks. From it we take the following:

"Telegrams of a business nature to a gentleman in this city assure us of the fact that the Langhe troupe will remain a week in Virginia, before departing to fulfil a professional engagement with our saintly brethren of Utah. As every one, far and near, be on hand to give Montana's favorites a cordial reception upon their first appearance, after the lapse of many months.

The Helena Gazette of the 14th, contains a correspondence tending Madame Schiller a complimentary benefit, and her acceptance of it, prior to her departure from that city. She selected the "Life of an Actress" for the occasion, and last Thursday evening was the appointed time. When the company started for Virginia she was en route for this city, having played a most successful engagement in Helena.

**FINE COMEDY.**—and stirring drama, with a gymnastic act between, for Mr. McKenzie's benefit.

**DIED,** this morning, the 19th, of inflammation of the lungs, Mary Catherine, daughter of John R. and Lucinda Clawson, after a sickness of eight days, aged 2 years, 11 months and 18 days.

Funeral services will take place to-morrow at 2 p.m., at residence, 13th Ward. Friends are invited to attend.

Mill, Star, please copy.

**WANDERING STEVIE,** or the Rose of Strick Vale? Mr. McKenzie's benefit, Tuesday evening, October 20th.

**NOT SO BAD.**—One of our typos tells us that he has just quashed from one vine in his lot, weighing, respectively, 95 and 77 pounds; besides 3 or 4 smaller ones. Some of our employes are considerably agriculturally inclined, and they have entered into a healthy competition to raise the largest squash next season—when it comes.

We have heard it stated that our squash were generally "run out"—degenerated, and we would like to see an effort made next summer to raise good ones, and distribute seed of this valuable vegetable freely among the community.

**FATAL ACCIDENT.**—On Wednesday last Henry Erickson, of Mill Creek Ward, was starting with a load of cane from his place to the mill, when he slipped off the load, and fell on the ground. The wagon passed over him, crushing his breast and ribs so seriously that he died in two hours and forty minutes. He was in his 77th year.

**GYMNASTIC ACT** by Mr. John C. Orem; Benefit of Mr. D. McKenzie.

**DAVIS COUNTY.**—Yesterday Local paid a visit to Centerville and Bountiful in company with Elder Edward Stevenson. At the meetings in those two wards there was a lively spirit manifested, and excellent feelings prevailed. The harvest has been fully up to expectations. Quite a number of the male population are on the railroad. Those called to take a mission to our "Dixie" are preparing for the move, and the brethren from Centerville expect to start this day week. Peace, prosperity and progress are the leading characteristics; and there is a strong desire manifested to labor for the accomplishment of every desirable object.

**SEED WHEAT.**—The Department of Agriculture, at Washington, has forwarded to the Agricultural Society some packages of Tappan-hannock or Boughton Wheat.

This wheat bears a high reputation as hardy, prolific and an early maturing variety. Any person wishing to experiment on the same can have a package or two by applying to the Secretary of the Agricultural Society at the Historian's Office.

As the wheat matures from ten to fifteen days earlier than other varieties, this would certainly be a fine variety to plant after a year of scarcity.

**ROUND THE WORLD.**—G. Heppell Hall, Esq., the "Round-the-worlder," illuminated our sanctum to-day with his genial countenance, having arrived at the new "hab" of the universe from the far-off west and still farther east. He passed through this city early in 1897, on his way from San Francisco, where he had gone from New York, to sail on the Covadonga, his first trip to Japan. Circumstances required his return to the east, and on his way he made a short stay here, and lectured on Japan, in the 13th Ward Assembly Rooms.

From this city he went to New York, remained there some two months; sailed for Liverpool, and arrived in time to eat his Fourth of July dinner; went to London, and remained there long enough to publish an edition of his "Guide to the Great West," visited Paris, and "did" the great Exposition; crossed to a Greek island, and steamer, sailed up the Mediterranean, passing Malta and Messina, and landed at Alexandria, to Egypt he "did" the pyramids, and as well as the multitudinous objects of interest by the way; paid a visit to the Suez Canal, and with photographic apparatus and pen in hand, a vivid description of that great and important work. An opening having offered, he accompanied the Abyssinian Expedition for a time, and inspected the wonders of Theodore's empire from the back of an elephant. From Aden, on the Red Sea, he went to Bombay, thence to Calcutta, on to China, then to Yokohama, in Japan, from that point to San Francisco, and thence, by Central Pacific Railroad and Overland Stage to Salt Lake. He will go east in the morning, and he expects to reach New York in seven days. There, with other literary labors, he will publish a book of his travels, a popular book, full of pictures, interesting from its poetry of illustrations as well as its prose matter, one that will treat on subjects treated on before, in a manner to throw the air of novelty and charm on the old story, and that will touch upon, or elaborate, and illustrate many scenes and incidents new to the reading public. We wish Mr. Hall and his book were in the hands of every man, woman and child, and this book, which is published at the remunerative patronage to which it is entitled.

**MECHANICAL DENTISTRY**
