LOCAL AND OTHER MATTERS.

MISS HARRISON being ill, Schneider will not be performed to-night. See Theatrical advertisement.

PRO AND CON.—In the Washington correspondence of the Chicago *Times*, dated Nov. 3, is the following—

"While the President is believed to be far eradicating polygamy with the bayonet, some members of the administration are said to be averse even to enforcing the present policy."

"GRACE GREENWOOD" says the "Mormon" husbands are generally kind and impartial in their treatment of their wives, which is much more than can be said of the generality of men who are not "Mormons."

BIRTH.—On the 6th inst., Mrs. G. G. R. Giovanni, of this city, of a daughter.

SNOW.—Mr. John M. Bolwinkle, who arrived last night from Little Cottonwood Canyon, informs us that snow is three feet deep up there. The Wellington mine had got about 4,000 sacks of ore down to the flat, which will soon be freighted out of the canyon. The "South Star," alias "Vallejo," mining company were taking fifteen tons of ore from the mine daily, which is being taken to the smelter of Messrs. Pardee & Co., at Tannersville. Messrs. Fuller and Sullivan, proprietors of the Central House, Central City, are about to sell out.

NOT HIS FAULT.—If the country at large and the administration in particular are not inflamed to bloodguiltiness against the "Mormons," it will not be the fault of the Salt Lake correspondent of the New York *Herald*, judging by the nature of his communications. That won't be forgotten very early.

DON'T FEAR IT.—The editor of the Omaha *Herald* thus fearlessly defies his calumniators—

"It is vain for people to suppose that we have the slightest fear of the odium which is sought to be attached to our denunciations of the Federal persecutors of the Mormon leaders and sectaries, and of our pleas in behalf of right and justice to the people of Utah, by the falsehood that we either apologize for, or have the least sympathy with, either the Mormon system of religion, or with polygamy, which is its most offensive feature."

NO PROSPECT WHATEVER.—The Cleveland *Herald* says virtually that mercy, generosity, justice, sound statesmanship, or good sense are not abundant at Washington, judging by the following paragraph, all which we are loth to believe—

"The Mormon officials have appealed to the President, both by the telegraph and mail, to suspend the proceedings of the Federal authorities in Utah, but there is no prospect whatever that the Administration will interfere in any way with the United States Marshal and District Attorney in their efforts to abolish polygamy. On the contrary, the recent proceedings in that Territory were virtually inaugurated by orders from Washington."

DON'T LIKE IT.—The Chicago *Post*, after stating that "the incredible report comes from Utah that Brigham Young agrees to have polygamy abolished on condition that Utah can be immediately admitted as a State," says it cannot find words to denounce any body who is willing to swap off his wives in a political dicker. The St. Louis *Journal of Commerce*, however, thinks "such a proposition would be eminently satisfactory to Congress and the nation at large," and would be a capital thing, the very thing to introduce a "lot ug have peace" era.

APPROVES THE CRUSADE.—Last night the telegraph wires said:

London, 7.—The *Times*, in a leading article, approves the action of President Grant in regard to the Mormons, and urges in strong terms their severe punishment.

Wonder if the *Times* leader stated what the "Mormons" were to be severely punished for. Wonder if the "Thunderer" knows anything about the "Mormons" being the pioneers of this western region, about their redeeming the waste places, opening up the vast resources of this part of the Continent and thus enriching the American nation by untold millions. Or if he knows anything about the peace, good order, industry and loyalty of the "Mormons," and of the late and present attempts of "ringites" to institute and encourage in this peaceful and virtuous community the cesspools of iniquity. Are the "Mormons" to be punished for their virtues? That certainly is how it looks to the impartial observer. The pretense of punishing the "Mormons" on account of the practice of polygamy on the grounds that such practice is immoral, is all humbug, and those who advocate such a policy know it.

We would advise all the "Mormon eaters" to go and be as virtuous as the generality of the "Mormons" and they will be happy. The "Mormons" save and preserve, while the general practise abroad is to destroy and cast off. How wonderfully virtuous the world is becoming, to be sure.

We expect to see the *Times* veer round on the other tack one of these fine days, for it is one of those policy journals that always manages eventually to get on the winning side. The Lord always wins, and He is on our side.

HEALTHY SPECIMENS.—A gossipy correspondent of the San Francisco *Chronicle*, speaking of President B. Young's children, says—

"Finer or healthier specimens of humanity you cannot find anywhere. The male portion are strong, healthy and robust; the females very womanly-looking, with clear complexions and bright eyes. They have all splendid teeth and beautiful heads of hair."

Speaking of woolly matters, the same correspondent writes—

"Surely Love is an enchanter, where neither revolver, poison nor suicide can come to embitter his healing touch. And such antidotes to wounded feelings are never applied by the wounds and sores of Zion. We may add that Mormon parents have the greatest confidence in the honor of the men who come to court their daughters. The breath of suspicion is not heard. The lovers come and go without having to endure lessons on morality or receive admonitions sometimes dealt out to young people who only know of wickedness from those most eager to shield them from it."

To the latter half of which we may say, "that depends."

A PET THEORY.—The St. Louis *Dispatch* says that if it knows anything of Grant, a concession to "Mormonism" is not to be reckoned as among his weaknesses, that the crusade against Brigham Young and "Mormonism" may be safely set down as one of his pet theories, and that as he has commenced with a will he very apt not to let go his grip, but will continue to fight it out on his own line. To all of which we say, President Grant has the privilege of making his own record, but he has not the privilege of divorcing it when it is made. It will stick to him immovably.

TAKEN TO CAMP.—Yesterday Philip and Daniel Jones and a person named Wright were arrested by Marshal Patrick, and taken to Camp Douglas. They are charged with the killing of the man Bennett, at Cottonwood a short time since, an account of which appeared in the NEWS.

Per Deseret Telegraph.

The Eureka Mining Suit.

PROVO, 7, 8.30 p.m.—The 4th district court is still occupied with the case of the Eureka mining company vs. the King David party. The testimony for the plaintiff closed this afternoon, and a motion to nonsuit the plaintiff was filed. The motion is being argued; it is expected the arguments will close about ten o'clock to-night. The court is closely engaged from six to ten hours every day; if the suit is continued it will probably occupy about one week longer.

AN ERA OF CALAMITIES.—The *Alta California*, speaking of the destruction of the Arctic fleet of thirty-three American whalers, by being jammed by the ice in the polar seas, whereby 1,200 seamen were rendered suddenly destitute, says—

"We appear to have fallen truly upon an era of calamities. What with awful conflagrations, typhoons, earthquakes, tidal waves, together with the artificial catastrophes of railroad collisions and steamboat disasters, the dwellers on this earth are having a lively time of it.

How can better times be expected when outrageous persecution of a peaceable and orderly community like this is tolerated?

ONE IN UTAH.—The St. Louis *Journal of Commerce* heads a paragraph on the South Carolina martial law—"Wanted a Jeffreys." We may whisper in the ear of the *Journal* man that it is currently reported that the identical individual wanted may be found at Salt Lake.

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the **GREAT BLOOD PURIFIER** and **A LIFEGIVING PRINCIPLE,** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sore; cleanse it when you find it obstructed and sluggish in the veins; cleanse when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
