MASON & HAMLIN'S

CABINET ORGAN

IS an instrument which has elicited an amount of commendation from the Musical Profession, and enjoyed a sale quite unprecedented. A large majority of the most eminent Organists in the United States have given their written testimony to the great excellence of these instruments. Their superiority to all others, consists in quality and volume of tone, capacity for expression, quickness of action, variety of effect, durability and quality of keeping in tune. Descriptive Catalogue, and every information required, sent by mail on application.

The undersigned is now receiving orders—for sizes adapted for families and meeting houses.
16-tf DAVID O. CALDER.
