EVENING NEWS.

By Telegraph.

FOREIGN.

GREAT BRITAIN.

The Glasgow Explosion.

Another Disaster.

LONDON, 2.—The colliery at

which the dreadful explosion

occurred to-day belongs to Mitchell

& Co., and the one of the largest in

southern Scotland. It is joined

by underground works with the

Edmunds Main colliery where,

on the 21st of November, over

300 persons perished. The works

extend many miles, and are en-
tirely worked with safety lamps under

constant supervision. It is con-
sidered one of the most dangerous

collieries in Scotland. The exact position

is at present unknown, but the

miners in all parts were startled

by the lead report, followed by

large volumes of smoke and after

damp; those who were able rushed

to the pit bottom, but the drawing

cage was displaced. As soon as

possible volunteers were organized

to search for the dead and dying,

and those who had escaped; after

being down some time the volun-

teers reported that they met with

great difficulty; they saw many

who were alive, but unconscious.

It is impossible to give the number

lost, but it is feared that the first

report of 200 will be confirmed,

though the manager of the colliery

says that many of the bodies

may be recovered. The explosion

was caused by a small fire, but

owing to the quantity of the grain

in the granaries there is little

prospect of a material advance

before spring. The character of

the weather then will be unusually

important; should anything un-
usual happen an advance of ten

shillings would easily occur. In

Paris flour has recovered one franc;

good samples of wheat are rather

scarce, and the same remark applies

to the French provinces and to Bel-
gium, Holland, Germany and Aus-

trian Hungary. Rain has fallen in

northern Africa.

ITALY.

Ready to Negotiate.

ROME, 2.—Dispatches have been

received at the Vatican from Madrid,

stating that Senor Collantes,

minister of foreign affairs, had in-

formed the papal nuncio that he is

open to negotiation on the Vatican

proposals relative to the corn, al-

though he regrets the principle

upon which it is based.

FRANCE.

A Carlist Proclamation.

HERNANDEZ, 2.—The Carlist Gen-
eral Tristany has re-entered Cata-

lonia, and has issued a proclama-

tion exhorting the people to rise.
