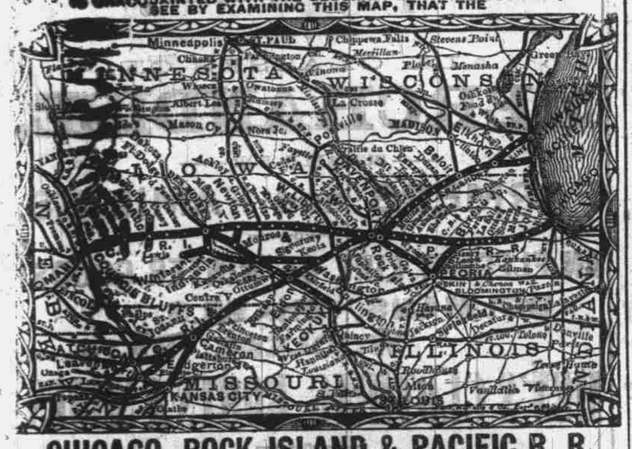
A MAN

IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WHO SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, Omaha, Colfax, Des Moines, Iowa City, Grinnell, Grinnell, Oskaloosa, Ottumwa, Eddyville, Des Moines (the capital of Iowa), Stuart, Atlantic, and Avoca; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centerville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Newton to Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. This is positively the only Railroad, which owns, and operates a through line from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, now run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we have placed in connection that this Company runs *Pullman Palace Sleeping Cars* and *Pullman Palace Dining Cars* through to PEORIA, DES MOINES, COUNCIL BLUFFS, KANSAS CITY, ATCHISON, and LEAVENWORTH. Tickets via this Line, known as the "Great Rock Island Route," are sold by all Ticket Agents in the United States and Canada.

EVENING NEWS.

BY TELEGRAPH.

FOR WESTERN UNION TELEGRAPH LINE.

FOREIGN.

General Intelligence.

LONDON, 13.—Disturbances among the laboring classes are reported from various quarters in Europe. In France there is no subsidence of the uneasy feeling which has prevailed for the past month. Energetic measures on the part of the government have prevented and quelled actual outbreak, but agitation is prosecuted with the utmost activity. In Austria a widespread agitation has been started, having for its apparent object the reduction of the enormous burden to which the ponderous military system of the country subjects its people. Socialist agents are credited with conducting the machinery of the movement, and several serious disturbances have already occurred in Vienna. In Russia, in the Baltic provinces, a new and formidable revolutionary movement is avowedly directed by the Nihilist organization. It is confined exclusively to the agricultural population, among whom several emissaries of the Nihilistic committee have been arrested. The government is unable to send a military force into these provinces, and the landed proprietors are organising a gen-de-armie to be commanded by themselves, for defense against the revolutionists. The main grievance alleged in this Russian Agrarian movement is not unlike the main question in Ireland.

Stafford Northcote will support the proposed vote of censure on the conduct of the government in the disposition of Arabi Pasha.

Lord Granville communicated to the French government the note of Cherif Pasha announcing the abolition of the European control on the ground that the control forms no part of the guarantee given the cities of Egypt, and that the control is calculated to diminish the authority of the Khedive, offends the susceptibilities of the native Egyptians and has led to gross administrative abuses.

The *Post* publishes a Paris telegram that Lord Granville has formally assured the French government that the French controllers will continue *de facto* in their positions.

The *Daily News* says attempts to connect the skulking ruffian who attacked Justice Lawson with the imprisonment of Mr. Gray are absurd.

A Paris telegram says: The Cuban refugee question has a more satisfactory phase. The Spanish government is inclined to treat the prisoners as political offenders and give indemnity to their families.

The death is announced of Geo. Prose and Arthur Sketchly.

The Crown Princess of Germany arrived to-day, and at once proceeded to Windsor Castle.

The steamer *Gellert*, from Hamburg, November 1st, for New York, put back to Plymouth to-day, having lost two blades of her propellers, the first on the 6th inst. and the second on the 9th, when 550 miles west of Sicily.

The steamship *Angelica*, plying between Gifla and Hull, has foundered in the North Sea; 40 persons drowned.

Bradlaugh went to the House of Commons to-day to try to take his seat. He had a brief consultation with the Speaker of the House, and was informed by him that the order of expulsion is still in force. He then withdrew without making any effort towards securing his seat.

Dublin, 13—A pastoral letter of Cardinal McCabe was read in all the Catholic churches to-day. It defends the Catholic Church from the charge of being the enemy of progress and modern civilization, and pointed to the success of Catholic schools; and called upon the people to further assist Catholic education by maintaining the extension of the new Catholic university and college.

Paris, 13.—The Minister of Public Works when before the budget committee, maintained that 60,000,000 francs only are available for public works not completed. Feraud, Minister of Finance continues to affirm there are 153,000,000 francs available.

Mrs. Mackey, wife of J. W. Mackey, the bonanza king, is recovering from a month's dangerous illness.

Paris, 12.—Victor Cherie, musician, and his brother, Rose Cherie, committed suicide to-day.

Jules is elected perpetual secretary of the Academy of Moral and Political Sciences.

Berlin, 13.—The German Parliament will be opened on the 30th of November. Leading important measures will be postponed for discussion until after Christmas.

Leaders of the Center party resolved to demand that the privilege of equal rights which have been granted the Old Catholics in common with the Roman Catholics be withdrawn from the former; also, that the Catholic priests be permitted to say mass and administer the Sacrament without the previous sanction of the Prelate.

Berlin, 13.—To-day an explosion occurred in a mine near Oberitlero Green, Saxony. Thirty-three persons were badly wounded.

A business meeting of the Society of Berlin Working Masons was dissolved to-night by the police, under the Socialist law.

Vienna, 12.—The authorities have taken extensive precautions to suppress any disturbances. Crowds of workmen to-night thronged the scenes of the late riots. Strong parties of cavalry, infantry and police were on guard at Neubau. Leopoldstadt, the Jewish quarter, is reported to be the object of attack, and is specially protected. Arrests continue.

The examination of persons arrested for participation in the late riots shows it was chiefly the work of Socialists and anti-Jewish leaders. Twenty-five thousand bills with anti-Jewish inscriptions were seized by the police, who are preparing a list of the implicated for expulsion from the country. Hawarth, suspected conspirator, at whose house in Little Pesth the bombs, etc., were found on Saturday, has been released.

Lisbon, 13.—Latest advices from Chili are that peace negotiations are renewed with Peru, it is reported on the basis of the cessession of Tacka and Arica.

Rome, 13.—The Radical party to-day celebrated the anniversary of the battle of Mentano by a visit to the battle field. Caraganary made a speech, in which he alluded to the Italian Freedents, when the police interfered and broke up the meeting.

Chevalier Nigra is appointed Ambassador to England.

Madrid, 13.—A telegram from Manilla, states that a body of native insurgents of the Zooloo Islands, attacked the Spanish fort but were defeated with 70 killed. Spanish loss, 20 killed and wounded. Order has been restored.

Cairo, 12.—Counsel for the prosecution states the proceedings of the court martial in the case of Arabi Pasha and his followers will last at least two months.

Dr. Schweinfurth publishes a letter in which he states the reconquest of the Soudan is necessary to the existence of Egypt, although it will take many millions in funds to accomplish it, as troops will have to be sent forward by three routes. Ten thousand will be recruited, which will be commanded by Ismail Pasha Eyoub, with the American General Stone, as chief of staff.

City of Mexico, 12.—A proposition made by Gen. Ord, agent of the Mexican Southern Railway, for the combination of that road with the Mexican Oriental, has been disapproved by President Gonzales. The Government appears disposed to grant subvention to the Oaxa branch of the Mexican Southern. Jay Gould will obtain a modification in the Oriental grant made him by agent De Gress, which refers to the forfeiture of the concession and construction of temporary wooden bridges. It is thought that work will be commenced immediately after this modification is secured.

A Woman Rescues a Boy in Mid Ocean

A short time ago Mrs. G. McArthur Campbell, formerly a resident of Cooeamble, distinguished herself by a deed of admirable bravery. Mrs. Campbell was a passenger in a steamer from Hong Kong to one of the northern ports of Queensland, and one day a little boy about four years of age, to whom the lady was much attached, fell overboard, the fall occurring through a sudden lurch of the vessel. With the exception of Mrs. Campbell and the man at the wheel all the passengers and crew were at dinner.

Without waiting for a life buoy or divesting herself of any clothing, and simply saying to the man at the wheel, "Don't tell the child's mother," Mrs. Campbell plunged into the water, swam to the boy, held him up till they were rescued, the steamer having been promptly stopped and a boat lowered. Neither the lady nor the boy was much the worse for the immersion.—*Sidney Morning Herald.*

Mr. Isaac Powell, the owner of the Walnut street Livery Stables, Lancaster, Pa., writes: I used St. Jacobs Oil on a horse that was badly galled; it removed the soreness and healed more rapidly than any preparation I ever saw.

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

FROM

COL. L. T. FOSTER,

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the *Chicago Express*. I determined at once to try it, and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles who are now using it. Very respectfully,

L. T. FOSTER.

Kendall's Spavin Cure

Is sure in its effects, mild in its actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, sallous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a Liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mildly and yet certainly in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1. per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
