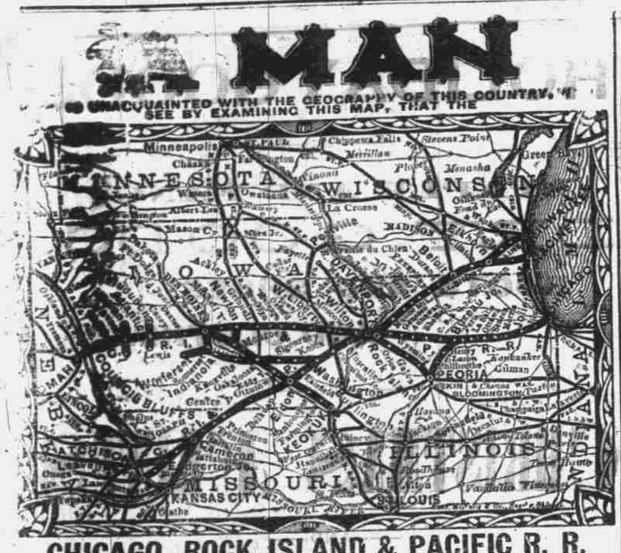
MAN

SO GRACEFULLY WITH THE GEOGRAPHY OF THIS COUNTRY, AS SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic and Avoca; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Creston, Corning, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Henry, Sperry, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Creston to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. This is positively the only railroad which owns, and operates a through line from Chicago into the State of Kansas.

"Through Express Passenger Trains, with Pullman Palace Cars attached, run in each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars (the handsomest and best in the world), which are run on all our "Through Express Trains." You get an entire meal, of the best quality, and well cooked, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments of different purposes (and also the immense passenger business of this line warranting it), we are pleased to announce that this Company runs Pullman Palace Sleeping Cars for sleeping purposes, and Pullman Palace Dining Cars for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

THE PRINCIPAL R. R. CONNECTIONS OF THIS GREAT THROUGH LINE ARE AS FOLLOWS:

EVENING NEWS.

BY TELEGRAPH.

FOR WESTERN UNION TELEGRAPH LINE.

FOREIGN.

British Briefs.

LONDON, 24.—A largely attended meeting was held here last night for the purpose of organizing a fund to relieve the distress in Ireland. Many telegrams and letters from clergymen, including Archbishop Croke, were read, describing the outlook as gloomy and appalling, and stating that the people are on the verge of famine. A resolution passed urging the government to take steps to prevent people in Ireland from perishing from want of the necessaries of life.

Davitt, in a speech at Wolverhampton last evening, summed up the present condition of Ireland as one of famine, discontent and coercion. He considered the prevailing distress was owing to an unjust system of land laws, rack rent, and discouragement of every form of trade revival. The remedy consisted in the turning of a great part of the grass lands into cultivation, and the introduction of a system of loans to the oppressed tenants to enable them to tide over the coming winter.

Dublin, 26.—On an average, a hundred persons are searched nightly here under the curfew clause of the coercion act.

Westgate was arraigned in the police court to-day, Murphy, Crown counsel, stating the authorities were satisfied that he could have nothing to do with the murders in Phœnix Park.

Limerick, 26.—A riot in Denmark street occurred Christmas night, between soldiers and civilians. The latter attacked the military, and a free fight ensued, the soldiers using their belts. The soldiers were badly handled, owing to the numerical superiority of their assailants. The police eventually quelled the disorder.

Spiritualists.

Trantenau, Bohemia, 26 — Fifty spiritualists residing here have been summoned before the magistrate. The local press urges the minister of the interior to institute inquiry on the subject of spiritualism, owing to the number of cases of mental derangement arising from its practice.

Degradation.

Cairo, 26.—The public degradation was carried out this afternoon of Arabi Bey and his comrades in the presence of two battalions of the new Egyptian army. Only a few Europeans and about a hundred natives were present. The prisoners started for Suez, whence they will be transported to Ceylon.

The War Will Go On.

Panama, 26.—Peace negotiations between Bolivia and Chili are broken off.

Sugar.

Havana, 26. — The Demarara sugar yield is expected to amount to 140,000 hogsheads.

IDAHO NEWS.

[Our Special Correspondent at Boise.]

BOISE CITY, Dec. 22, 1882.

Editor Deseret News:

Since my last, your correspondent has exchanged courtesies with the leading citizens of this city, with his excellency Gov. Nell, the Hon. Secretary, now delegate-elect, and not forgetting the several newspapers published here. Judge Kelly of the *Statesman* suggested an engagement to run his paper during the present session of the legislature. I promised in that event to give his journal a rousing hoist, in which it might change both its politics and religion.

The proceedings of the twelfth Legislative Assembly have been so far a disappointment to Governor Nell, who had his slate prepared for the organization of both Houses of the Legislature. It will not be surprising to those who know his small calibre and vindictive animosity, to learn that his official slate was made up to exclude each and every member from Bear Lake, Oneida and Cassia counties, whom this small-souled bigot supposed had no social, civil or legislative rights, because they chose to worship God in their own way, and follow a religious system that happens to be unpopular. It has transpired however within the last few days that our ambitious little governor reckoned without his host. He had captured a few democratic members, and supposed the republicans were also his humble servants, would adopt his programme, and do his bidding, but in this matter he was sorely disappointed. He coaxed some and threatened others, but to no purpose. They asserted their manhood and independence, and refused to truckle to his arbitrary wishes, and resolutely set their feet upon his presumptuous demands. He was driven to such straits that he called on some of our delegation—one of them a Bishop—to help him in getting his men in such places as they had been promised. I need not tell you our friends refused to be his tools. He had, consequently, the mortification of seeing his anti-Mormon friends placed at the tail end of the committees, and the House, at least, in control of those who will not bow at his mandate, nor worship at his Godless shrine. He abused the Republican member of Owyhee to that extent that the gentleman threatened to kick him out of the hotel, and break every bone in his body.

The high-handed outrage planned by the Governor and his two or three followers was by no means a secret. A few of the more unsophisticated republicans went around hunting up democratic colleagues to caucus with the Governor's members for the avowed purpose of excluding our members from the organization of their respective Houses, and ignoring them entirely in matters of legislation, but it resulted in the most ignominious failure. The conspirators were defeated in all their tricks and schemes to deprive our representatives of their rights and liberties in the Territorial Legislature, and heap additional insults upon their constituents.

The Resolution offered in the Council by E. A. Wall, and subsequently by J. C. Shoup in the House, was a part of the Governro's little programme. The *Statesman* made a laborious effort to defend the policy of this test oath, but it was too thin. It is generally admitted to be a piece of transparent folly, an arbitrary imposition upon prospective members, in contravention of common rules, common sense, and common decency. The Governor and his supporters should have known that neither House could make laws nor rules of action pertaining to legislative government until they were organized, and sworn in as members. They have no right even when so organized, and sworn to prescribe any test oath for their own members and attaches, nor for those of any future legislative body. They owe their legislative powers and very existance to an act of Congress—The Organic Act—Congress has defined their powers and rights. It pays them for services rendered and has prescribed their official oath, and no innovation on what is called the Iron-clad oath, or the modified article presented by the General Government, and administered by the judiciary, can be looked upon by any sensible person in any other light than as a piece of presumptuous and consummate folly. It requires no less than both houses of Congress and the President of the United States to prescribe an official oath for members of a Territorial Legislative Assembly, and any pretentious oath lacking these essential endorsements would be absolutely void.

It will be seen, therefore, that the agonizing efforts of these *quasi* members of our Territorial Legislature who assumed the power to prescribe a test oath for the members of their relpective bodies, before they were really members themselves, is not only ridiculous but a piece of rash impertinence, and reflects discredit upon the honor, intelligence and judgment—if they have any—both of those who allowed themselves to be used as puppets for the occasion, and those who laid the plans and pulled the wires.

Yours, etc.,
