**CHAS. H. GALLAND**  
**IS ARRAIGNED**

Held in Custody of County Sheriff  
To Answer for  
Forgery.

**DEATH OF MRS. L. CRAWFORD**

Mrs. F. H. Stahl Will Investigate Trag-  
ic Death of Her Husband in  
Idaho—News Notes.

Ogden, Oct. 22.—Charles H. Galland, former Oregon Short Line claim agent, who is charged with forging the names of William T. Harris, C. A. Henry and the Southern Pacific company to a cer-  
tain draft, the amount of which is not  
given, was arraigned before Judge Mur-  
phy on the charge and held to await  
preliminary hearing. In default of  
\$1500 bail he was committed to the cus-  
tody of the sheriff. Galland, while in  
the employ of the railroad, about three  
months ago, absconded with between  
three and four thousand dollars. He  
was last seen in the city, and he has  
been sought by the railroad detectives and  
the police all over the country, with no  
avail. Ten days ago he walked into  
the police station and Denver and gave  
himself up, greatly to the surprise of  
all concerned. Galland was rescued  
by the railroad company, and had many  
friends who were shocked when it be-  
came known that he had run away  
with a shortage of over \$3000 in his  
accounts. Some of his friends have  
aided him in his trouble and accom-  
panied him into court yesterday after-  
noon, but he did not have an attorney  
to represent him in giving out the im-  
pression that he intends making a plea  
of guilty to the charge and throw him-  
self on the mercy of the court. The  
preliminary hearing will come up the  
later part of this week.

**WIDOW'S SUDDEN SUMMONS.**

Mrs. Louisa Susan Crawford Leaves  
Two Orphan Boys.

Ogden, Oct. 22.—The announcement of  
the death yesterday shortly after noon  
of Mrs. Louisa Susan Crawford will  
come as a great surprise to her many  
friends in Ogden, as she was only taken  
ill Saturday. Through her demise two  
orphan boys, aged 15 and 12, are left  
in the world. While she was quite ill,  
suffering from gall stones, the doctor  
did not anticipate the end was so  
near and no one but the two boys and  
her mother when she passed peacefully  
away. One of the children went into  
the bed room to ask his mother a ques-  
tion when he found her dead. He  
immediately summoned several of the neighbors  
and Doctors Gordon and Morrell  
were called, but they could do nothing  
more than pronounce her dead.

Utah Post, Andrew Jensen, assist-  
ant church historian, and President  
Anthony H. Lund of Salt Lake City  
were in attendance. A general meet-  
ing was held in the evening and the  
table was filled. These brethren  
have very interesting discourses in the  
evening.

It was announced that next Satur-  
day and Sunday the Cache state con-  
ference will be held.  
Lafayette Howard of Richmond  
left yesterday afternoon for a mission

his wife, formerly Miss Jessie Webb.

## INQUEST NOT SATISFACTORY.

Mrs. Stahl Will Investigate Trag-  
ic Death of Husband in Idaho.

Ogden, Oct. 22.—Francis Hyland, of  
this city at the request of Mrs. F. H.  
Stahl of Wilson, Weber county, will  
make an investigation of the circum-  
stances surrounding the burning to  
death of her husband at American Falls,  
Idaho, as given the family here is that  
Stahl was arrested there on the date  
mentioned while under the influence of  
drugs, and was taken to a small jail, with  
a scoldkeeper, that during his incarceration  
he set fire to the small jail, and was  
burned to death, before the flames  
were discovered. His body was burned at  
American Falls and the day he met his  
death had drawn his money and came  
to town and was spending it freely,  
when taken in custody to sober up. The  
case is peculiar in many respects and  
though a coroner's inquest was held,  
the family are not satisfied with the  
investigation made.

## COLORADO MAN IN TROUBLE.

W. A. Clark, a colored man, has been  
charged by Detective Pender with two  
counts of larceny and is now languish-  
ing at the county jail in default of \$450  
bail, awaiting trial on the charge.

This is not the first time "Willie" has  
been in trouble, as once before a couple  
of years ago he served a term in the  
state prison on a felony charge, and his  
mother secured his release before his  
term was up on a numerous signed  
petition. It is believed he will plead  
guilty to the forgery charge and take  
the sentence.

## SIX MONTHS FOR JAMES HAY.

James Hay, who was arrested four  
months ago on the charge of grand  
larceny, that of stealing a value filled  
with clothing from the depot, was per-  
mitted to go before Judge Howell and  
enter a plea of guilty to the charge of  
petty larceny, and was sentenced to six  
months in the county jail, so that when  
his term is up he will have spent six  
months in the county jail for his of-  
fense.

## WEDDING PERMITS.

The county clerk granted marriage  
licenses to the following couples:  
Ben Frank Gibbons and Miss Lela Wil-  
son, both of Ogden; Earl S. Smith and  
Miss Gertrude Wilson, Weber county,  
and Miss Gertrude Van Leeuwen of Salt  
Lake City.

## CITY COUNCIL SESSION.

Councilman Powers Investigates  
Bad Condition of City Water.

Ogden, Oct. 22.—Councilman H. J.  
Powers, in the council meeting last  
night, reviewed the report against the  
methods of cleaning the streets and the  
condition of the city water. During  
the short time he held the floor he fired  
some hot shots that caused the presid-  
ing officer to remind him of the serious-  
ness of the charges. He said there were  
dead rats in the reservoir; that he had  
secured a sample of the water passing  
through the city hydrants in the south-  
ern part of the city and found it was  
a number of cases of typhoid fever, and  
that there was a stench to it, and the  
analysis he made showed it to be de-  
cidedly impure.

On the proposition of street washing  
he again advocated the pulling off of  
the street washers, saying they were  
a curse and a nuisance. Before any ac-  
tion could be taken on either question  
the motion to adjourn prevailed.

A. P. Wright was before the council  
representing the business men of Ogden  
and the Weber club. He asked that  
the contract for the special street light-  
ing in the business district be renewed  
at once. He made a lengthy statement,  
pointing out the good results from these  
illumination which have been kept in  
service since the councilmen's inaugu-  
ration in June of last year. The  
request was referred to the light com-  
mittee to report at the next meeting.

On recommendation of W. H. Wil-  
liams, democratic city committeeman  
for the Second ward, Fred W. Voll was  
made an election judge in the Fifth pre-  
dict, to replace Mrs. D. S. Tracy, who  
had been previously named.

A petition for the opening of Adams  
avenue from the Canyon road to Six-  
teenth street, and for the placing of an  
are light on Adams avenue and Six-  
teenth street, was referred to the street  
and light committee.

Payrolls aggregating \$1,775.16 were  
allowed.

meet in Ogden next Thursday morn-  
ing with the Weber county board of  
commissioners.

last evening at the Weber State acade-  
my for the benefit of the Crittenden  
Home.

## Hard Times in Kansas.

The old days of grasshopper and  
drouth are almost forgotten in the  
prosperous Kansas of today; although  
a clutch of Codell, Earl Shamburg,  
has not yet forgotten a hard time he  
encountered. He says:  
"I was discouraged by coughing  
night and day, and could find no re-  
lief till I tried Dr. King's New Dis-  
covery. It took less than one bottle  
to completely cure me. The cough  
and cold, the reliable cough and colic  
remedy and lung and throat healer

Street, Ogden, and \$1.09. Trial Bottle

## KANSAS-COLORADO CASE.

U. S. Supreme Court Declines to Per-  
mit it to be Reopened.

Washington, Oct. 21.—The supreme  
court of the United States today de-  
clined to allow the Kansas vs. Colorado  
case to be reopened, by denying a peti-  
tion for rehearing submitted by the  
state of Kansas. The case, which was  
an attempt on the part of Kansas to  
prevent the state of Colorado from  
using for irrigation purposes the wa-  
ters of the Arkansas river, was decided  
by the supreme court last spring in  
favor of Colorado.

## HELD FOR MURDER.

Purcell and Charles W. Brown, the  
motor man and conductor, respective-  
ly, of car No. 1575, who shot four  
passengers, killing two, in a riot, at  
Polk and Sutter streets, on Saturday,  
were formerly charged with murder  
last night.

Olto P. Hoarwin, one of the victims  
of the affair, died yesterday morning  
at 1 o'clock at the Central Emergency  
hospital.

## Prolonged Life

There are many per-  
sons living to-day, whom  
doctors have given up to  
die. Dr. Miles' Heart  
Cure has added years to  
their lives. It strength-  
ens the heart nerves and  
muscles, restores normal  
heart action, so that it  
can send the blood  
through the veins to nour-  
ish and sustain life.

"I am glad to recommend Dr. Miles' Heart Cure and Nervine for I have been  
languid for years. I was told to die any  
time, my case was incurable. I was  
told this by doctors in the village and  
Southern Minnesota. I have used  
four bottles of Heart Cure and the  
same and although not a  
young man, having passed through the  
war, I feel younger than I did before.  
I am free from every ailment and  
enjoy a healthy six year old boy.  
I was advised to use your medicine  
by a man who was a doctor and a  
man of manhood. He tried Dr. Miles' Heart  
Cure and he said it cured him of  
heart trouble twelve years ago. I  
feel the doctors had given him up to die."  
CLAS. E. MURPHY, Verdala, Minn.

Dr. Miles' Heart Cure is sold by  
your druggist, who will guarantee that  
the first bottle will benefit. If it fails  
he will refund your money.

## BRYAN ON QUESTION OF FEDERAL AUTHORITY.

New York, Oct. 21.—William J. Bryan  
spoke tonight before an audience that  
filled Cooper Union while many thou-  
sands were turned away. The meeting  
was under the auspices of the Pro-  
gressive Democratic league, and Mr.  
Bryan's subject was the "Democracy  
of Today."

He was introduced by Augustus  
Thomas, president of the league. On  
the subject of national control of cor-  
porations, Mr. Bryan said:

"The president suggests the national  
incorporation of all railroads engaged  
in interstate commerce. Not since the  
days of Alexander Hamilton has such  
a doctrine of centralization been ad-  
vanced as this suggestion by the presi-  
dent."

"It would practically place the gov-  
ernment of the states in Washington."  
"The democratic doctrine is that the  
federal authorities attend to federal  
affairs and leave the states to attend to  
their home government. The federal  
authority should be added to state au-  
thority, not substituted for it."

He said the federal government, acting  
within its present powers could  
solve the trusts.  
"Let Congress," he said, "say that  
when any corporation is interested  
in the output of the product it deals in,  
it must take out a federal license, the  
license to be so safeguarded that the  
stock of the corporation cannot be wa-  
tered. Then the corporation will be un-  
der the eyes of the federal government."

Continuing, he said: "The president  
has done one thing, and I regard it  
as one of the most important things he  
has done. He has called attention to the  
matter of amazing wealth. Who has  
the wealth? The people. Not the wage-  
earner, but the strongest men of the  
nation, but the men who have de-  
bauched legislation, gained control of  
the taxing power, disgraced the home  
of the land, corrupted business, and  
brought censure upon the church of  
God. It is this kind of men when the  
president has seen fit to point out as a  
menace to the country."

In most cases consumption re-  
sults from a neglected or im-  
properly treated cold. Puley's Honey  
and Tar cures the most stubborn  
coughs and prevents serious results. It  
costs you no more than the unknown  
preparations and you should insist upon  
having the genuine in the yellow pack-  
age. For sale by F. J. Hill Drug Co.,
