There were two fatalities.

There were two fatalities.

Third—That the convention, standing by the original programme and the fundamental purpose of the Land League, declares that no settlement of the land question can be satisfactory, no effect practicable which does not abolish landlordism, root and branch, and make the tiller also the owner of the soil; and the silic and the soil; and the silic and the soll and the fundamental purpose of the Land League, declares that no settlement of the land question can be satisfactory, no effect practicable which does not abolish landlordism, root and branch, and make the tiller also the owner of the soil; and the silic and the fundamental purpose of the satisfactory.

Third—That the convention, standing by the original programme and the fundamental purpose of the Land League, declares that no settlement of the land question can be satisfactory, no effect practicable which does not abolish landlordism, root and branch, and make the tiller also the owner of the soil; and the land of the fundamental purpose of the Land League, declares that no settlement of the land question can be satisfactory, no effect practicable which does not abolish landlordism, root and branch, and make the tiller also the owner of the soil; and the land of the fundamental purpose of the most notable were threats to stop American subscriptions in the event of the agita.

DRY GOODS & BOOT BOXES

O'Connor were elected secretaries of the convention. There was a very large attendance of priests. Parnell reasoned that fair rent

would be the salue of the land in a state of nature; therefore, improved by the tenant or his predecessor. In regard to the industrial question he said i rishmen should encourage home manufactures; if they had to pay for other than native goods, things not produced in Ireland should te bought in America. English goods should not be bought in any event. Bexton then moved collectively the land league's resolu-tions. Carried with acclamation.
