PROSECUTION TO FOLLOW.

Complaints Issued Against Men Accused of Selling Bad Pork,

Three complaints were issued today by Assistant County Attorney Willard Hanson against H. A. Barton and T. M. Herbert, the owners of a hog ranch near the mouth of Emigration canyon, charging them with unlawfully selling pork known to be diseased, also with throwing the carcasses of dead hogs where the waste and drainage from them would flow into a certain stream and spring, the waters of which are

used for domestic purposes and with selling hogs known to be affected with Both the state and city food inspec-tors have been investigating the mat-ter and have worked up the evidence in the cases. They claim that the con-dition of things at the hos ranch was indeed a serious menace to the public health. All three of the complaints were sworn to by John Peterson, state

ware sworn to by John Peterson, state food and dairy inspector. In one it is alleged that, on Jan. 26, 1996, the defendants sold pork knowing it to be diseased and tainted and oth-erwise unfit to be eaten. The second charge is that, on Jan. 31, the defend-ants sold hors affected with choiera without disclosing the diseased condi-tion of the animals to the purchasers.
