On University Grounds.

Tomorrow at 2 p. m. at Cummings field the state track meet which is to settle the Utah championship for 1905, and conclude the present track season, will be held. The event this year promises to be of greater importance than heretofore, and to make a larger opening in state records. Outside of the track events features of the day will be a reception to the incoming teams, including a luncheon at the University, and a large concert in the Tabernacle in the evening. The men from Provo are expected tomorrow morning, while the Logan team will precede them. The Cache County runners, arriving tonight, in order to allow them to rest up before tomorrow's meet. The main excitement from Logan will arrive Saturday at noon. At the L. D. S. university the men are resting today and maintaining careful training. At the University of Utah there is a state of unexpected demoralization on account of the election of sophomore state troubles, but it is hoped to pull the men into good form despite their participation in the class election.

INTEREST IN SPRINTS.

Interest centers about the sprints, which

MATINEE RACES TOMORROW.

At 2:15 tomorrow afternoon at the state fair race track the first event of the matinee races will be started. The program is a decidedly interesting one, and

"000000000 Oh!"
Ten goose eggs, count 'em.
Ten large ephers, and if the rims were removed it couldn't have been much worse.

That's what Reilly's palefaces handed to the Spokane Redskins down at Walker's ball field yesterday afternoon.

Yesterday was certainly Utah day in baseball. Ogden did things to Boise. The Lobsters shut out the Fruitpickers, and as a result the average of the local team have been fattened big time.

But yesterday afternoon's game? Oh! It was like a sweet morsel to roll under one's tongue. Better still is not seen in any league in any country. Ten innings. One to nothing. Six hits for one team, and every fully the other team played errorless ball, while the Indians made two blunders. That's ball playing. Then

son, the big pitcher, who was with them last year, but who is now a full-fledged Lobster. In the same things he allowed his former associates to use every hit he hit. No wonder the game was a shut-out.

Ogden got to McFarlan for eight hits and two runs. The game must have been good to look at.

McFarlan was again in evidence with the fine business. Some fans think he is a little too severe in this respect. McFarlan does not seem to have any trouble with the players. He simply smiles at them and kindly tells them to be seated and keep cool. In the game at Ogden, Hanson and Setley had some words and the umpire ordered the Boise catcher from the grounds. Hanson could think of only one name to call Setley, and that was "Plathead."

"That will be \$5 for you," replied Setley. Then Hanson was removed.

WHITNEY ILL.

Track Sprinter May Remain Out of State Track Meet.

There is gloom on the U. of U. campus today, and ill concealed anxiety on the part of those who had counted on the records the team was expected to make in tomorrow's track events. The reason is that Horace Whitney, who had been relied on to do Trojan work in the 100-yard dash, the 220 race, and the 440, has been off the track with a bad cold. Dr. J. S. Richards took him in hand last night, and pronounced it

CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.
