to Laurie. "He will demand the h of the ball from you. He will then years ago of passing counterfeit money "He will demand the key and sentenced to seven years' impris-onment. When he had served five

STATION POLICEMEN

at the door, who will forbid admission to the hall. You are perfectly helpless in the matter, and any responsibility there is will be on the police." The wording of the subject of the lecture was a trifle ambiguous, in that

ster nor Heineman was injured. UNIONTOWN, Pa., Dec. 26.-At Leist might include all or any phase of narchy and socialism. "There was no doubt in the minds of the police that Mrs. Parsons intended DRUNKEN CAROUSAL,

to say something to cause her arrest," said Chief Hubbard. "Mrs. Parsons can advertise herself all she pleases, but we will not help her to do it. We have private information that she in-tended to make a violent harangue. her neck. Sr. PAUL, Dec. 26.—The Pioneer Press special from Bismarck: The opium smuggling case against James Curran has been going on for two days, and today the prisoner was on the stand. He ustified he acted as a teamster and did not knowingly carry opium Then we would have been compelled to arrest her, and you can be sure that it would have been magnified in every way by the anarchists in the argument of their injunction suit tomorrow. The attempt to lecture was simply for effect. It is well known that Mrs. Parsons cannot refrain from lects.

Parsons cannot refrain from TALKING OF ANARCHY

if she gets a chance, and we will not rison today gave his almost undivided

experiment with her further. She simply cannot speak in Chicago." The police programme was carried out precisely, and there was no lecture

ad been committed. One leg had been nor meeting. For three hours the nar-row stairways leading to the hall were cut off close to the trunk, having been cut with a sharp knife and sawed through. The other leg was likewise cut and sawed. On the trunk were quires a good deal of his time. Pres-ents still continue to arrive by mail and express. Some of them are from old friends and others are from strang crowded with anarchist sympathizers, who, however, took the situation rather good-naturedly. Mrs. Parsons ers. His health remains excellent, and

bree shirts, the outer one being made was among them. of dark flaunel. A leather strap was around the waist. The arms were not severed from the body but were tied in front of the wrists with a very stout "Is this what you call a free country?" suddenly broke out the Anarchist's widow, as she waved a big red handkerchief, which had been con-cealed in her muff. "They would not cord. The head was crushed in a hor-rible manner at the back, and there think of trying to stop such a meeting as this in London or Scotland. The were three terrible knile wounds on the side of the face. The left jaw was anarchists marched through the streets also broken. The body is evidently that of a German, probably about 35 years of age. Near the place where the bundle was placed was found a of London singing the 'Marselaise,' and are not interrupted, yet they call this
