Tuesday of the present week the mu-nicipality purchased from Mr. Garn his ranch in Mountain Dell, Parley's can-yon, agreeing to pay him \$20,000 there-for. Of this amount \$5,000 was to be paid down, and \$15,000 by December 1. Mr. Garn thought he ought to receive interest on the deferred payment, and last evening he appeared before the finance committee to "see about it." The members of the committee in-formed Mr. Garn that according to their understanding nothing was said about interest. It had not been asked for, they said, and therefore could not

BRITISH AND CHINESE FIGHT

Battle Takes Place in Burmah -British Victorious.

Vancouver, B. C., April 5 .- Oriental ts state that Chinese official en-towards foreigners is being spepapers state cially directed against British citizens in China. Instigated, it is said by Rus-slan suggetions, the Chinese have lately been especially troublesome on the Burmah-Chinese frontier, where a madiation of the second sec medical officer and an assistant com-missioner were murdered.

A story is brought by the Empress of Japan from Yokohama today of a series of additional Chinese raids on the Burght he Burmah boundary culminating in a battle between 500 Chinese and seventy-five military police under District Superintendent Hertz of Rangoon.

The Indian Gurkhas attacked the main body of the Chinese killing eighty-four and cap-Canese killing eighty-four and cap-turing guns, jingais and banners. The Chinege leader was among the killed. Six of the British force, including two officers were wounded, only one seri-ously hurt. The scene of the battle was eight miles on the Burmah side of the frontier.

On March sth three blue-jackets from H. M. S. Woodcock, cruising on the Yangise, went for a walk among the villages north of Shanghai and lost their way. They work the yellway. They were set upon by the vil-lagers, chained to the ground and flogged. They were then condemned to be behanded, but were rescued with frast difficulty, just as the death sen-tence was about to be enforced.

Mrs. Dewey Goes Shopping.

New York, April & .--Mrs. George Dewey, wife of the admiral, arrived from Philadelphia at 1:20. She was accompanied only by her maid. Her ar-rival was expected and outs a crowd had gathered in the station. She re-ceived the reporters in a very affable had gathered in the station. She re-ceived the reporters in a very affable manner but hughingly said that she must decline to speak about her hus-band's political ambition. Mrs. Dewey has come to do a little shopping. She expects to return to Washington this afternoon on the 3:44 train over the Pennsylvania road.

TO REPUDIATE A SALE

Last December the late city council by resolution) agreed to purchase from Emma A. Lewis, widow of the late John S. Lewis, 133 acres of land at the gravity sawer outlet at \$15 an acre. The resolution appears to have been lost sight of altogether, and there is now a disposition on the part of cer-tain councilinear to remulate the sale tain councilmen to repudiate the sale. Last evening ex-President of the Coun-cil Arthur F. Barnes, appeared before the committee on sewerage with a request that the city take up the and pay the widow for the land. and pay the widow for the land. It was then the disposition to fepudiate was made manifest, but Mr. Barnes produced the resolution signed by ex-Mayor Clark. Action on the matter was, however, deferred. The committee on sprinkling decided to recommend to the council the pur-

ready for occupancy in September. Work is being pushed on them and a to recommend to the council the pur-chase of eight new sprinkling wagons of the Studebaker make, four of them to be of a capacity of 600 gallons each, at a cost of \$340 each, and four of a large force of men is kept busy. There are four structures, including the boiler house, and all will be models of boiler house, and all will be models of modern architectural styles. The large tunnel connecting the boiler house with the main buildings is a thousand feet long, and through it will run the steam pipes for heating purposes. The campus is to be put into lawns, and the trees planted a year ago are growing very fast. The view from the grounds is magnificent as the entire Sait Lake valley, with the lake in the distance. capacity of 750 gallons each, at a cost of \$360 a piece.

of \$360 a piece. The offer of Alma Pratt & Sons to lease for ten years property belonging to the city in plat J, north of the Cap-itol grounds, was refused, for the reason that the land in question had been set aside as a public park. Eighth North street, between Second and Fourth West streets, was ordered graded at a cost not exceeding \$300.

graded at a cost not exceeding \$300.

STATE CONVENTION.
