Sheriff Wilson Arrests Walter Barnes for Failing to Support Family.

## DISTRICT COURT HEARINGS.

Sugar Factory Making Successful Run—Lecture by Jacob Rills—Runaway Husband Located.

Ogden, Jan. 8.—Yesterday afternoon Sheriff Wilson arrested Walter Barnes of Plain City upon the charge of failing to provide the common necessities of life for his wife and child, who have been living for a number of months past with relatives in Plain City. The family have been in destitute circumstances for some months and it has worried Mrs. Barnes to such an extent that she was brought into Ogden Wednesday afternoon, in a demented condition. The woman was taken to the Children home, where she was cared for.

The warrant upon which Barnes was arrested has been in the hands of Sheriff Wilson since last July, but the man could not be located. Wednesday evening Barnes arrived in Plain City from Nevada, where he was told that his wife had been taken to Ogden, he came to this city yesterday afternoon and found her. He was met on the street by Sheriff Wilson who placed him under arrest, charged with violating the new law compelling a man to support his family. There is slight change in the condition of Mrs. Barnes and it will probably be a number of days, with the constant care of a physician, before she recovers.

## SHERIFF NAMES DEPUTIES.

## BOUNTY FOR RABBITS.

Between Jan. 1 and Jan. 20, June county offers to pay a bounty of 5 cents for each rabbit killed within the boundary lines of this county. It is probable that a large number of Bureau hunters will go to the vicinity of Levan on the 15th of this month and kill a few thousand of the pest-footed Jacks and make a big hole in the county's bounty fund.  
 Hank Sebelien, acting deputy sheriff, took Fred Jensen, who was brought in from West Tintic Monday suffering from a demented mind, to Mount Pleasant Tuesday. After reaching Bureka Mr. Jensen was examined by a local physician and it was decided that the young man be taken to Mt. Pleasant, where his family resides, in order that they might care for him.

## RIVERTON.

## NEW MEETINGHOUSE.

Handsome Structure Nearly Completed—Successful Bazaar.

Special Correspondence.  
 Riverton, Salt Lake Co., Dec. 31.—Today brought to a close the bazaar held in the new meeting house in this ward, which was most successful affair, netting \$300.  
 The new ward house is now nearly complete and is a handsome structure. It has two floors. The lower one is divided into five class rooms, a stage and auditorium. The upper one will be used for general church gatherings. It is a large and well-lighted and approached and excelled by none. This building was originated and started by Bishop O. P. Miller, when he was the bishop of this ward.  
 The new eight-room schoolhouse is now having the shingles placed on it. This is an elegant building, which will be much appreciated by all.  
 The new ward house is working like a charm. People living along the line may have the purest water in Utah delivered to their doors.  
 Land here is cheaper than any other place in Utah, considering the advantages and the splendid market for farm products.

## RICHFIELD.

## SEVIER COUNTY WILL GO "DRY."

Big Petition for Prohibition Favorably Received by Commissioners.

Special Correspondence.  
 Richfield, Jan. 4.—W. H. Seegmiller of Sevier stake, who has been very actively engaged in the cause of prohibition in this county the past year, appeared before the new board of county commissioners today with a petition signed by over 300 people from the various towns of this county, asking the board not to grant any more licenses for the sale of intoxicating liquors in this county.  
 The petition was well received, and two members of the board expressed themselves as being in favor of a "dry" county.  
 Inasmuch as there was no application filed for the granting of licenses, the petition was filed with a promise that it would be favorably considered when it became necessary to act on an application for license.  
 This is looked upon as a victory this far in the new year for the cause of temperance, and nothing will be left undone that will bring about this much needed reform.

## JERSEY ASSOCIATION.

A preliminary organization was formed yesterday which brought into existence what is to be known as the Sevier County Jersey association. The object of the association is to encourage and develop in the county a higher type of Jersey cattle for dairy purposes. W. H. Seegmiller was chosen president, J. L. Quist, secretary and treasurer, with J. E. Hepler, John Russ and C. Poulson, directors.  
 An extreme seems to follow another in weather conditions. The latter part of last month the mercury stood at zero and sometimes far below, while this far this month the weather is almost like spring.  
 When the principal of the district schools, Mr. Earl Thompson, entered the school building yesterday morning,

he was met with a terrific shower of rice from the pupils. He no doubt deserved what he got, for it is stated he went up to Salt Lake during the holidays, and last Wednesday was married to Miss Ethel M. Beck of that city. They will make their home in Richfield.

She was born in 1823; joined the Church in early girlhood, and passed through all the early persecutions of the Church; was well acquainted with the Prophet Joseph Smith, and was in Nauvoo when Joseph and Hyrum were assassinated at Carthage. She was married in the Nauvoo Temple to George Hales. Mrs. Hales was the daughter of William Gregory, an early day Mormon. She came to Utah in 1849, where her husband died the next year. She got a position on the Deseret News as a printer. The family moved to Utah county at the time of the move in 1855, and in 1861 moved to Beaver soon after which Mr. Hales went into the newspaper business. Mrs. Hales was the mother of 10 children, six of whom passed away before her. Her four children surviving are Mrs. Harriet Fotheringham at Carthage, Elder D. C. Woodward and Counselor J. H. Kilpatrick, who spoke kind words for the deceased and sympathy and comfort for the living.  
 There has been some very cold weather for Emery county, the thermometer ranging as low as 17 below zero.  
 The holidays passed off very enjoyably with dances and theaters nearly every night for the last two weeks.  
 The little 6-year-old daughter of Mr. and Mrs. Leroy N. Strong while playing with some smaller children, fell off a lounge and broke her collar bone. Dr. Ferguson of Castle Dale set the fracture, and she is getting along nicely.
