Election of Officers.

NEW YORK, 17.—The directors of the Toledo, Wabash and Western Railroad Co., met to-day, and organized by the re-election of ex-Governor J. D. Cox, as president, W. B. Conneau, of Toledo, as secretary and treasurer, and B. F. Ham, of this city, as assistant secretary and treasurer. The executive committee chosen consists of ex-Governor Cox and John F. Tracy, Sidney Dillon, George J. Seney and A. W. White.

They have not Failed.

In relation to the reported failure of grain merchants, Mr. Lathrop, of Lathrop & Engs, says "We are going on with business, and with no interruption except in the return of drafts by one western house, which we have declined to pay." Stillwell, of Winslow & Stillwell, says, "There is no foundation whatever for the statement, we pay everything that comes in and we are ready to pay everything that we owe." The representative of Lathrop & Co., 4 Front Street, states that there is no interruption to their business and they are going on as usual.

The Wheat Crop.

WASHINGTON, 17.—The October returns of the Department of Agriculture show that the wheat crop is equal to or greater than last year's in all the States except Maryland, Virginia, Texas, Kentucky, Wisconsin, Minnesota, Iowa and Kansas. In Connecticut, Delaware, South Carolina and Illinois, it is about equal to last year's crop. Other States have increased their yield, and the New England States have increased theirs, almost reaching the splendid crop of the census year, approximating to a million bushels. Maine has increased her yield 33 per cent. The quality in these States is considerably improved. The Middle States have considerably enlarged and improved their yield, New York reporting an increase of sixteen per cent. Of the South Atlantic States Maryland falls one per cent. and Virginia six per cent. below last year, but their deficit is more than made up by other States. Georgia shows an increase of 21 per cent. The quality is also improved. Of the Gulf States, Alabama reports an increase of 23, and Mississippi of 2 per cent.; Texas reports a decrease of 7 per cent. in quality; Alabama improves 29 per cent, and Mississippi declines 9 per cent., and Texas 6 per cent. All four of the southern inland States show an improvement in quality of from 4 per cent. in Arkansas to seventeen per cent. in Tennessee. In quality Arkansas presents an increase of 50 per cent., Tennessee 29 per cent., West Virginia 23 per cent., Kentucky declines 5 per cent. The crops in these States are a third greater than in the census year. In North Ohio and Illinois the crop equals that of last year, while in Wisconsin, on account of the grasshoppers, it falls 35 per cent. short, which has reduced the aggregate yield in this section below last year. Ohio increases her yield 16 per cent., Michigan 22 per cent, Indiana 9 per cent. All these have improved their quality, except Wisconsin, which declines 23 per cent. The aggregate yield west of the Mississippi is short of that of last year. Missouri increases 29 per cent. and Nebraska 1 per cent. Minnesota declines 16 per cent., Iowa 2 per cent., and Kansas 5 per cent. The grasshoppers have been destructive to the spring wheat in these States, and the quality is below last year's in all except Minnesota, which improves 25 per cent. On the Pacific coast the crop is greatly increased and is fully 50 per cent above the census last year. California has increased her yield 10 per cent., and Oregon 11 per cent. Oregon equals the quality of last year's crop, California improves here by 3 per cent. The total yield will nearly, if not quite, equal that of the census year.

Thieves Arrested.

The police have arrested a gang of book thieves, who have been working extensive depredations in the committee rooms of the capitol; 1,350 pounds of documents have been recovered. Most of them were valuable volumes, which cannot be replaced. The thieves systematically entered the rooms and carried away their plunder.

Indicted.

NEW ORLEANS, 17.—The Concordia Parish grand jury, contains two white men, the balance colored, found a true bill against Dave Young, a colored member of the legislature, for embezzling $30,000 belonging to the parish, also a true bill against Owen Stewart, the sheriff, for obtaining property under false pretences.

Voted For the Constitution.

LITTLE ROCK, 17.—Additional returns show that Jefferson, Phillips and Lincoln counties give a majority against the constitution, all others voted for it.

WEST INDIES.

Cuban Meeting Dispersed.

KINGSTON, Jamaica, 13.—A meeting of Cubans on the tenth inst., for the celebration of the sixth anniversary of the declaration of Cuban independence, was dispersed, by order of the Governor, by the police, who were directed to take the names of those who refused to leave. Quesada, who was speaking at the time, said, that having no country of their own, they were obliged to obey the illegal orders of those who imagined they had power to prevent an innocent gathering.
