

## HOME TEAM WAS BADLY BEATEN

"Angels" Do the "Saints" Brown  
At Score of 9 to 2.

LOCALS WERE OUTPITCHED.

Looked for a Time That Salt Lake  
Would be Shut Out Entirely—Great  
Grief Among the Fans.

Salt Lake lost the baseball game yesterday by the woeful score of 9 to 2, and it looked for a time as if the home team would be obliged to suffer the humiliation of an absolute failure to score at all. It was not until the eighth inning that the locals scored, the first man crossing the plate being Donahue, who got a hit and was able to run in on Bradley's three-bagger. "Slats" Davis swung on the ball, letting Bradley in but being retired on a fly. That is about all the locals did in the way of playing. Jack Grim gave Jensen a "try-out" in the box, but the boy was wholly untried. It was perfectly apparent that he was getting very little real support from the rest of the team, and perhaps still less moral support. No team can make a pitcher throw a good ball if the man is off, but whether the team was almost demoralized because Jensen was doing poorly, or whether he was untried because he felt a cold unsympathetic wave from the team, cannot be said. However, the pitcher was taken out of the box in the third inning and Tom Kelly given the job. The Angels scored only once after Kelly stepped on, but he received a heartier support than did Jensen. Thatcher pitched for the Californians and did it very well indeed, not even Hanley getting anything away from him. He is a strong pitcher and can keep it in. He is a close grasp on the game at all times and was not shaken loose one moment. The playing was a little fast at times and one of the most useful things to witness was the way that man Cook played. We are very sorry for him. As a matter of fact, we think he is a good boy and we know he has played pretty good ball in a little slower crowd, but with this bunch he has certainly let some painful things. There were two men on bases, first and second. The ball was lined out to him by the pitcher. Now to show you the mental processes the boy went through he neglected to touch the bag on his drive to first. He simply held the ball a moment and then threw it to Donahue on second, to late for Donahue to get it to first. His too bad to have to say it, but it is generally conceded by the fans as well as the players that Cook is an obstacle in the way of the locals.

The cry to the managers of the home team is, "Get some real pitchers," and it is believed that Mr. Grim is doing his best to land some good ones. But a genuine league ball player "cooks like slats" these days. The summary:

## POOL SELLING IS PROHIBITED

Captain Burbidge Says Betting on  
Races Won't Go.

FAST EVENTS ANTICIPATED

During Meet Over One Hundred  
Horses Will Run—Girls' Pony Race  
Substituted for Driving Event.

The big race meet opened this afternoon at Agricultural park and the likelihood is that immense crowds will attend the races every day. Consternation was spread in our circles last night when Captain Burbidge, acting chief of police, announced that pool selling on the races would not be allowed either in the city or at the track. This was a great disappointment to the sports and also to Manager Montgomery. An effort was made to get Captain Burbidge to rescind his order, but the captain never yielded. He said that pool selling was gambling and that gambling would not be permitted within the city limits if he knew it.

But this will make no difference whatever to the people who go to see the races out of pure love of the sport and who care nothing about betting. He said that pool selling was gambling and that gambling would not be permitted within the city limits if he knew it.

About one hundred horses will participate in the meet and they are the choicest bunch that has ever gathered together in this town, and great races are expected to be the order of the day. The harness event has been called off, as it failed to fill properly, and Manager Montgomery has substituted a girl's pony race. The races and entries for today are as follows:  
First race, five and one-half furlongs, weight 100—Connar, Caligua II, Remark, Madame Bishop.  
Second race, half-mile, weight 110—Pat L. The Commodore, Nellie May, Aurora B. Barney Owen, Sinner.  
Fourth race, seven-eighths of a mile—Chappy, Gray Dolly, Hoogerack, Thist, Chat, Jule.  
Fifth race, one and one-quarter miles, hurdle, weight 125—Humbert, Ledea, Limber Jim, Pett Davis.

A Surgical Operation.  
is always dangerous—do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protruding piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Sold by this salve cured me eighteen months ago and I have not had a touch of piles since.—H. A. Thiele, Sumner, S. C. For Blind, Bleeding, Itching and Protruding Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by all druggists.

Brutally Tortured.  
A case came to light that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Calif., writes: "For 15 years I endured insufferable pain from Rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Just as good for Liver and Kidney troubles and general debility. Only 50c. Satisfaction guaranteed by Z. C. M. I. Drug Store.

## TRUSTEES FOR COUNTY SCHOOLS

Polling Was Very Light, Little Interest  
Being Taken in the Election—File at Brighton.

The returns from the school trustee election held on last Monday are coming in slowly. All but seven of the districts of the county have been heard from and their returns have been filed in the office of County Superintendent of Schools Ashton. At Brighton there was a tie vote between F. W. Schoenfeldt and Robert G. Atkinson, each receiving eight votes. The returns from the other districts will probably be in late this afternoon. Those received by Supt. Ashton are:
