The wedding of Miss Breyer and Mr

entine Insists on Another. The effort to arrange a wrestling

match between the "Terrible Turk" and Jim Galentine has not met with success so far, but it is more than probable

that tonight the men will agree on terms and the match will be made. Last evening the men met and talked over the matter for some time, but could not agree. The Turk insisted on wrestling straight catch-as-catch-can, while Galentine, who is a Greco-Roman wrestler, demanded that they have at

least one fall that style, one catch-as catch-can and the man who wins the quickest fall is to decide what the third shall be. This the Turk would not agree

to, and said it must be his way or not at all. It is hoped they will reach some kind of an agreement, for after the showing made at Monday night's contest the public in anxious to see these two mat artists meet again.

If the match is arranged it will prob-ably take place in the theater a week from next Saturday night.
