Heart Weakness

The action of the heart depends upon the heart nerves and muscles. When from any cause they become weak or exhausted, and fail to furnish sufficient power, the heart flutters, palpitates, skips beats; and in its effort to keep up its work, causes pain and distress, such as smothering spells, short breath, fainting, pain around heart, arm and shoulders. The circulation is impeded, and the entire system suffers from lack of nourishment.

Dr. Miles' Heart Cure makes a heart strong and vigorous by strengthening these nerves and muscles.

"I had palpitation and pain around my heart, and the doctor said it was 'heart weakness.' I don't believe it now, for after taking six bottles of Dr. Miles' Heart Cure, three bottles of the Nerve and Blood Purifier, and three bottles of Dr. Miles' Kidney and Bladder Cure, I am entirely cured, and feel better than I have for five years. I want you to know that your medicines cured me. It relieved me from the first dose, and I kept right on till the pain in my chest was gone, and I kept on feeling better every day after I quit taking it." JOHN H. SHEPARD, Bellingham, Wash.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

TWO STARS SHINE IN TRIAL RACES

Auk and Sumatra Win Fifth and Sixth Events in Roosevelt Cup Runs.

OTHER BOATS CROWD CLOSE.

In the Afternoon the Breeze Freshened and Boats Reached the Finish Line Closely Bunched.

Marblehead, Mass., Aug. 16.—The Auk, owned by Charles F. Adams of the Quincy Yacht club, and the Sumatra, owned by Francis Skinner of Boston, won the fifth and sixth trial races respectively for the Roosevelt cup defenders today. The Auk defeated the Windmill Kid in the first race by only 16 seconds, and the Sumatra, a former winner, third, and the New Orleans, of the Southern Yacht club, fourth, all close together.

The Auk also made a bid for first honors in the afternoon contest, being defeated by the Sumatra by 12 seconds with the Windmill Kid third.

Today's weather was to the liking of Mr. Adams' boat, and it held the way in the first race for the Auk.

In the second match the Auk led until the one-eighth of a mile to the windward mark when the Sumatra forced her about. The next tack to port seemed to help the Auk very much and coming about to starboard she crossed the Sumatra's bow within 10 feet of the turning mark and rounded the mark 16 seconds ahead of the Sumatra.

BEAT TO WINDWARD.

In the second race, the first leg was a beat to windward for three miles and a run home. The Auk was first across the line and held on the starboard tack for twenty minutes, when she came about, being then in first place.

The Sumatra was one of the boats which stood well to windward, but the Auk, in turn, crossing her bow. She rounded the mark just ahead of the Sumatra and sailed away in the lead, breaking out her spinnaker. The other boats followed in rapid succession and all had a good breeze.

About one mile from the finish the Windmill Kid passed the Manchester about the same time as the Sumatra passed the Auk, and the boats came to the finish line closely bunched, the Sumatra winning by 12 seconds. The Manchester was fourth and the Spokane was fifth, her stern, the margin between the western boat and the Sumatra being 1 minute and 12 seconds.
