Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes **a radical change** in the system The process, in some cases, may not be quite so rapid as in others; but, with persistence, **the result is certain.** Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was greatly benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70, Lawrence st., Lowell, Mass.

Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine, I never saw more

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyron, of Fernandina, Fla., recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. E. Wiley, 146 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

I suffered with catarrh for many years and got so deaf that I went about my Museums, Circus and Theatre giving directions and doing business with a big ear-trumpet at the side of my head. It was very annoying to me and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South. In six months I could see no change and was discouraged. At this time I began using Chalmer's English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure as I feared it was not permanent. But a year and more has now passed, and I can now heartily indorse Chalmer's English Catarrh Cure for the cure of catarrh and deafness.

SUNDAY DISPATCHES

A Bloody Breaking Out of an Old Feud in Arkansas.

An Official Report on the Destitution in Ramsey County, Dakota.

A Noted Conspirator Arrested While Following the Czar.

By Telegraph to the NEWS.]

THE BRITISH MINISTER.

Lord Sackville West Criticised by English Journals.

LONDON, Oct. 28.—Commenting on Minister Sackville-West's letter, the *Daily News* says: "Lord Sackville has done nothing of which an honest man need be ashamed. But there are blunders which are worse than crimes."

The *Daily Telegraph* says: "Nothing can excuse the incontinence of Lord Sackville's pen except his transparent good faith and candor."

The *Standard* says: "It would be incorrect to say that the American government has already asked for the recall of Lord Sackville, but it has taken a step little short of that extreme measure. It does not follow that expulsion will be resorted to. The matter, however, is a delicate one It would be best for Lord Sackville to resign in order to avoid further unpleasantness."

The *Times* says: "It seems to be certain the American government has taken a step that will render it impossible for Lord Sackville to remain in Washington. We are not prepared to censure Sackville. A British minister, whether at Washington or elsewhere, must be an English gentleman, and he may be forgiven if he is not up to all the dirty tricks of American politicians."

The *Chronicle* says: "The singular folly of Lord Sackville could hardly be matched for indiscretion, but it is manifestly impossible for the government to yield to a pressure such as a New York paper declares will be applied."

An Officer Killed by an Ex-Convict.

NEW YORK, Oct. 28.—Early this morning Policeman James Brennan, was shot three times and killed by an ex-convict named Harry Carlton Brennan attempted to arrest Carlton, who was running away after knocking down a man who had refused to pay for the drinks, when the ex convict turned and fired four shots at the officer. He was caught soon after.

A Conspirator Arrested.

ST. PETERSBURG, Oct. 28.—The minister of the interior today received a telegram from a minister of the imperial court, stating that five minutes before the Czar's train arrived at Kulaise en route from Tiflis to the Black Sea, a Kuban Cossack, disguised as an officer, was arrested at the station for having on his person several hard explosives and some poison in gelatine capsules. When arrested the man attempted to poison himself. He was one of the founders of the South Russian revolutionary society. Other members have recently been arrested at Simiropol.

A Feud Breaks Out Afresh.

ST. LOUIS, Oct. 28.—Men from Kings Rivers district, northern Arkansas, report a fresh outbreak of the Terry-Wagoner feud. Last January three Terry brothers and two Wagoners, father and son were killed. Recently Sam Meeks, a cousin of the Wagoners, went to Indian Territory, and during his absence, John and Miles Terry brought a charge for horse stealing against him, and secured a special appointment to go after him. They captured and killed Meeks, reporting he had attempted to escape. On Tuesday night last, the Wagoner faction retaliated by killing Miles Terry and fatally wounding John. Garrett, of the Wagoner crowd, was killed, and Cyrus W. Davis seriously wounded during the fight.

Ran Into an Open Switch.

BRAINERD, Minn., Oct. 28.—The Portland fast express west bound on the Northern Pacific ran into an open switch near the west end of the Crow Wing river bridge last night. The engine broke loose, and the tender, mail car and two baggage cars went over an embankment into the river. Clinton Mayne, who was riding on the front of the mail car, was fatally injured. The mail clerks escaped with bad bruises and a thorough wetting. The engine ran across the bridge on the ties, but on the further side turned over on the embankment, killing the fireman, Alexander Brown, and severely injuring Engineer Swartz. All of the passenger cars remained on the track and none of the occupants were injured.

The Destitution Exaggerated.

ST. PAUL, Oct. 28.—Territorial Auditor Ward, of Dakota, has just returned to Fargo from Devil's Lake, where he has been investigating the condition of the Jews and other destitute settlers of Ramsey County. In an interview, he said he found among the business men of Devil's Lake a sentiment that the whole matter had been greatly exaggerated, although the residents of the northern part of the county had lost their wheat crops entirely, and a portion of other crops. He made a thorough personal investigation and found the Jews had sufficient hay, oats and straw to winter their stock, and teams enough to do their fall work. They had comfortable houses, but lacked flour, clothing and fuel. A large quantity of supplies has already been shipped to them by Jewish residents of St. Paul, Minneapolis and other points, who had promised to supply their wants. Many who were in want will have to be supplied from funds already donated. A committee was appointed to make an equitable distribution of funds, and if any is left in the spring it will be used in purchasing seed wheat.

BRIEF TELEGRAMS.

New York, Oct. 28.—Reports of illegal registering are being supplemented by a few arrests.

London, Oct. 28.—Thirty thousand men employed in the Derbyshire collieries have been conceded an advance of 10 per cent in wages.

London, Oct. 28.—The Archbishop of Carlovitz, who approved the Milan-Natalie divorce, has suddenly resigned on the plea of ill-health.

Cleveland, Oct. 28.—Mrs. Jackson and Miss Nellie Norris poured gasoline on the kitchen floor today to kill roaches. It ignited from the range and an explosion resulted. Both women were fatally burned.

London, Oct. 28.—Lord Salisbury had a private conference with Minister Phelps at Hatfield House today regarding the Sackville affair.

New York, Oct. 27.—The socialists of the city tonight celebrated with fiery speeches and resolutions the twenty-fifth anniversary of the starting of the socialistic movement in Germany.

Jacksonville, Fla., Oct. 28.—Official bulletin—New cases, 16, of which 6 are whites. Deaths 3. Total cases to date, 4,950; total deaths 318.

New York, Oct. 28.—Kirwan Stone and Ella Lane went to a hotel in Hoboken last night and this morning were found dead. Asphyxiated by gas which was turned on.

Tillamont, Oregon, Oct 28.—The schooner *Makah*, of Astoria has been wrecked near the entrance to the bay. All hands were lost. It is not known how many were on board.

Memphis, Oct 28.—An east-bound passenger train from Mountain Road was stopped by train robbers this afternoon near Newport, Arkansas. The passengers were robbed of $2,000.

Litchfield, Kas., Oct. 28.—Bill Short, a miner, shot and fatally wounded Mrs. Alma Barnard's mother last night. The shooting occurred at a dance and was caused by the refusal of the woman to allow Short to escort her home.

Louisville, Oct. 28.—The *Courier Journal's* Omaha correspondent alleges that Patrick Egan, ex-president of the Irish National League, is the author of the now noted Murchison letter to Minister West. The correspondent claims to have received his information from a republican editor.
