### EDITORIAL NOTES.

regards children.

Union has the following of Interest prive them of all ground of comto farmers—"D. O. Bissell, of Mo- plaint; and that under Tilden he that he will be peacefully inaugudoc county, bet \$20 that he could raise forty bushels of wheat to the of confusion, discord, and strife. (Mosby) would look for four years rated President of the United Collin HF States on the 4th of March. acre. He planted one-eighth of an On the other hand, n. ny, peracre with wheat in hills, just like haps most, of Colonel Mosby's for-Indian corn. Result, ten bushels mer companions in arms in the of wheat, or at the rate of eighty days of the civil war think very bushels to the acre - twice the differently to what he does not, and | 000. The greater part is held in amount required by his wager. denounce him as a sort of a traitor this city. Perhaps farmers may find this to the South. The Culpepper Obmode of planting better than sow- server says of himing seed broadcast. Bissell will "The Warrenton people are down plant forty acres that way this on radicals. Col. John S. Mosby year."

There are many worse and longer sermons than the following by a colored preacher upon the text, "It is more blessed to give than to receive"—"I've known than the receive than to receive the figure of the House to compel compliance than to receive the figure of the figure of the House to compel compliance with its subpens. The Warrenton people are not up. grimage to dat church, and I'll radicals who have always professed to be with their own people and then turn round and go with the arrived from China, via San Hanter Ew Hait EJ Hansen J stand dar and lift up my hands to treatment, and is being done all heaven and say, 'Blessed are de over the South." dead dat die in de Lord.'"

Si-ton guns, and Italy has her 100land is about to construct some following, dated December 15th, Philadelphia \$3,164,430; in St. Louis Frazer guns of the following weight concerning the distress among the \$1,475,082; in Cincinnati \$2,280,257; in Chicago \$2,638,977, and in Baltitons, 50 feet in length, having a bore of 20 inches, and throwing, with a powder charge of something able calculations, for it is universally like 800 pounds, a projectile weighing from 3,900 to 4,000 pounds. Think of getting in the way of a two ton bullet, propelled by half a itorious 100r, coming unexpectedly ton of powder, and flying faster from a class never before brought than the sound of the gun!

-At the California Theatre, San Francisco, on Christmas night, Mr. and Mrs. Florence played The Mighty Dollar, to a house crowded starvation, who for three weary so that \$500 taken for tickets had to years have withstood the financial be returned and as much more refused at the box office. At the Opera House, the spectacle of Ahmed was similarly patronized.

-- In the Superior Court, New years of age, has obtained a verdict of \$7,000 damages against chastity to her. Miss Houten no lowingdoubt considers that a very superior

#### GENERALS GRANT AND LO-GAN AND THE SENATOR-SHIP.

time ago to elect General Grant to Lyceum, the safest place in the the United States Senate from Illinois, in place of General Logan, present incumbent. A Washing- attractions, was forced to succumb ton paper says that as soon as to demands on its treasury, and President Grant saw the proposition in print he repudiated such an imported from Europe expressly for idea, and informed his Illinois friends that he was not and would friends that he was not and would ad hefore the curtain was rependent. not be a candidate for the Senate, for the first time. This theatrical The Turkish Constitution a Mockery.

Firstly—He did not think he had the management at Niblo's an- and says the only way of im-

Secondly—He had been a servant of the sovereign people for the last sixteen years, and he proposed, after the 4th of March next, to beafter the 4th of March next, to become one of the sovereigns again

money but their time, while John McCool has been out and injured to the extent of several weeks' rent, Gibson's, 20th Ward, and be rewarded. and\$50,000 a year is not a mere and see how he liked it.

Thirdly and lastly and especially—He favored the re-election of his friend and comrade in arms, General Logan, before that of any other candidate, as he was one of the most laborious and influential members of the Senate, and one of the braveof the Senate, and one of the senate was run upon Thirdly and lastly and especially trifle for a landlord's bill. For one est officers in the Union army, and likewise been compelled to change that if this be proved, then it is that, in his (Grant's) opinion, the its style of performances, as the sure that death, not to speak of defeat of General Logan would be variety performers cost a deal more

months, will relapse into the quietude and comparative obscurity of a private citizen, or rather after he shall have accomplished his proposed trips to the West Indies and

As to the supreme importance of General Logan in the Senate of the United States, there are many people who do not agree with President Grant.

#### GUERILLA MOSBY ON THE SITUATION.

THE Virginia ex-guerilla Colonel John S. Mosby practises law in Washington now, and he was in terviewed by a representative of the New York Herald a few days ago. As General Shelby offered to tain President Grant if he should inaugurate Hayes, so Colonel Mesundertake to raise a regiment in strikers are determined, and are Virginia in less than twenty-four .The Grand Duke Nicholas hours for the same purpose, for if Threats are made of covering the Grant and the Administration.

account of his conversion to Grant - Company.

"I first met General Grant in 1872. He treated me very kindly. I have always been a warm admirer of his ever since the close of the war, and I think the fight made on him by the southern white men has been the great blunder of our southern politics. I have had many conversations with him, and I cisco on Saturday, was inspec-know that he was able and willing ted by large numbers of people to do more for the Southern people | yesterday. She is fitted out in the than any man in the United States if the southern politicians would be one of the finest vessels launch-

idea of a "solid south" is all a mistake, and the cause of the last ten years' evils and sufferings, misrule and misery there; that the governing idea of the southern politicians is revenge, and that they expect the democratic party to be the Nemesis; that the democracy in It is said that marriages are power would be no advantage to dentiful as ever in the French the south, but that all the old capital, but births of children are troubles would thereby be brought fewer. The same may be said of back; that the greatest effence many places in this country, the President Grant could commit in older settled part of it, at least as the eyes of the democratic politicians would be to give a southern that Hayes intends to resign the The Sacramento Record - gentleman office, as it would de-
