And they have a full Assortment and Stock of every description of both Dry Goods, Hardware, Stationery, Queensware, and a fair supply of Groceries, which we purpose to sell low, VERY LOW; to wit:—Coffee Rio, 37 1-2 cents, Sugar Clarified, 33 1-3 cents and every thing else in proportion. Call & see; buy our Goods and Groceries, and we will soon return for more, and sell them low too. Try us, at the New Store, opposite the Temple Block, west of the State House.

We have already built a Store, which has cost us about \$4000; are ready to build our dwelling houses just as soon as time will permit; make this our permanent residence; help build up the City; pay our tithing; and follow the counsel of those authorized to counsel, in all things. We do not advertise some articles, lower than some have been selling, for the sake of running our brother merchants in the trade; or for a speculation to draw customers, and charge double prices on other articles, but for the purpose of doing as we would be done unto, LIVING AND LET LIVE, and as we progress in business, should we increase in capital, we design to invest the whole in such machinery as shall be most useful to the citizens of Deseret. We ask our friends to try us once, and see for themselves.
